Parent Questions:

Q: Is there going to be a PTA/ when will it be formulated/why is there currently not one established at Rivers Edge?

A: Establishment is in the process. Update next quarterly meeting.

Q: Do the kids still do morning writing? Are there any plans for a computer class since the world is more technology based? I.E. typing and basic user knowledge.

A: per grade level they are doing something different to include writing, reading, and math starting at 7am every day.

Proposed workshops for families to practice technology. Upper grades have some components and lower grades are in developing stages.

Q: If we had a fundraiser what do you think the participation rate would be from the school community?

A: Stakeholders are ready as long as planning and plans are executable.

Q: Propose fundraiser for spirit wear for students and volunteer.

Q: Class Parents expectations

Q: Social economic climate for fundraisers.

A: If you can't give financially give your time.

Q: Can you be a part of both School Council and PTO?
