Proficiency Based Learning and Assessment

U-32's proficiency based graduation requirements ensure that all students demonstrate proficiency in all Student Learning Outcomes (SLOs) prior to graduation.

Core Knowledge SLOs

- Literacy
- Mathematical Content and Practices
- Scientific Inquiry and Content
- Global Citizenship
- Physical Education and Health
- Artistic Expression
- Financial Literacy

Transferable Skills

- Creative and Practical Problem Solving
- Effective and Expressive Communication
- Engaged Citizenship
- Working Independently and Collaboratively
- Informed, Integrated, and Critical Thinking
- Self-Awareness and Self-Direction

U-32 is accredited by the State of Vermont Agency of Education. We are a regional public school, grades 7-graduation, with an enrollment of about 750 students.

Our Community

U-32 serves the five rural towns that surround Montpelier, Vermont's state capital. The towns – Berlin, Calais, East Montpelier, Middlesex and Worcester – are all classic, close-knit New England villages. The presence of state government, the home office of a national financial services company, a variety of post-secondary educational institutions, and a relatively well-educated population ensure that our students have many educational, social, and cultural opportunities.

Academics: U-32 Program of Study

The academic program at U-32 is designed to motivate and challenge all students. Our proficiency-based learning, assessment, and graduation policies ensure that all of our students enter college, the workforce, the armed services, or any area of endeavor as skilled, literate, and empathetic learners. In grades 9 and 10, core academic classes are taught heterogeneously and include students with varying levels of academic achievement and proficiency.

U-32 offers the following AP courses: AP Biology, AP Calculus, AP Chemistry, AP Computer Science, AP French, AP Physics, AP Spanish, AP Statistics, and AP US History. Students who have taken 2 of the 3 most advanced English classes have the necessary preparation for the AP English Lit/Comp exam.

MOST ADVANCED COURSES

Literacy (English)	Typical Year	Mathematical Content and Practices	Typical Year
American Writers	11-12	AP Calculus	11-12
