### HOMEWORK

We offer a designated time for the children to do their homework. The BASE staff is available to help with homework as needed. The BASE staff are not able to do any one on one tutoring. For children that don't have homework we will offer books to read or do a read aloud.

#### HOW WE RUN OUR LOVE AND LOGIC BASE PROGRAM

- \*Our staff will treat your child with respect so they will know how to treat us.
- \* Children are free to do anything that does not cause a problem for anyone else.
  - \* If a child causes a problem, we will ask them to solve it.
  - \* If they cannot solve the problem, or choose not to, we will do something.
  - \* What we do will depend on the special person and the special situation.
  - \* If they feel something is unfair, we ask them to let us know and we will talk.

Si necesita en español por favor pregunte el director.
