

## ***LONGHORN ACADEMY AND EARLY GRADUATION***

**Longhorn Academy** is our computer lab where students will work on classes through Edmentum. It is used for students who are either:

- 1.) in credit recovery and behind in graduation requirements or;
- 2.) approved to graduate early

### **Early Graduation**

Early graduation must be approved by the principal and be requested before the start of the school year. Students will only be approved if they have a plan such as starting college in January or have a full-time job. Extenuating circumstances are decided under the discretion of the principal. There will be two early graduation dates:

- 1.) after the first nine weeks;
- 2.) at the end of the first semester

**Students who are not approved to graduate early by the start of the first week of school will not be allowed to graduate early.**
