<b>Policy Title:</b>	<b>3.0 Single Point of Connection</b>

The School Board's sole official connection to the district, its achievement, and its conduct will be through the Superintendent. Therefore, the School Board does not direct or evaluate any other district employees.

**Policy Type:** Board-Management Delegation  
**Policy Title:** 3.1 Unity of Control

The School Board will direct the Superintendent only through official School Board action. Accordingly:

- 3.1.1 The School Board will make decisions by formal recorded vote in order to avoid any uncertainty about whether direction has been given.
- 3.1.2 The Superintendent is not obligated to follow the directions or instructions of individual School Board members, officers or committees unless the School Board has specifically delegated such exercise of authority.
- 3.1.3 Should the Superintendent determine that an information request received from an individual School Board Member, officer or committee requires a material amount of staff time or is unreasonable, the superintendent may refuse such requests and ask that the individual School Board Member, officer or committee refer such requests to the full School Board for authorization.

<b>Policy Title:</b>	<b>3.2 Delegation to the Superintendent</b>

The School Board will instruct the Superintendent through written policies that prescribe the district ends to be achieved and describe district situations and actions to be avoided, allowing the Superintendent to use any reasonable interpretation of these policies. Accordingly:

- 3.2.1 The School Board will develop Ends policies instructing the Superintendent to achieve the defined results for students.
- 3.2.2 The School Board will develop Executive Limitations policies that limit the latitude the Superintendent may exercise in choosing district means.
- 3.2.3 Once the School Board has accepted the Superintendent's *reasonable interpretation* of any School Board policy the Superintendent is authorized to establish all further district policies, make all decisions, take all actions, establish all practices, and pursue all activities in order to accomplish the School Board's Ends Policies. Therefore, such decisions of the Superintendent shall have full force and authority as if decided by the School Board.
- 3.2.4 The School Board may change its Ends and Executive Limitations policies, thereby shifting the boundary between School Board and Superintendent domains. By doing so, the School Board changes the latitude of choice given to the Superintendent.

<b>Policy Title:</b>	<b>3.3 Superintendent Accountability and Performance</b>

The School Board will view the Superintendent performance as identical to district performance on the School Board's Ends and Executive Limitations policies.

- 3.3.1 The Superintendent's performance will be evaluated through systematic and rigorous monitoring of the School Board's Ends and Executive Limitations policies. The performance standard for Ends policies shall be whether the Superintendent has achieved expected progress toward achieving the Ends. The performance standard for Executive Limitations policies shall be whether the Superintendent has complied with the Executive Limitations.
- 3.3.2 In every case, the School Board will determine the reasonableness of the Superintendent's interpretation. The School Board is the final arbiter of reasonableness but will always judge with a "reasonable person" test rather than with interpretations favored by School Board members or by the School Board as a whole.
- 3.3.3 In every case, the School Board will determine whether the data demonstrates expected progress towards the School Board's Ends policies or compliance with the School Board's Executive Limitations policies.
- 3.3.4 The School Board will acquire monitoring information by one or more of three methods:
- (a) by *internal report*, in which the Superintendent discloses interpretations and compliance information to the School Board;
  - (b) by *external report*, in which an external, disinterested third party selected by the School Board assesses compliance with School Board policies; or
  - (c) by *direct Board inspection*, in which a designated member or members of the School Board assess compliance with the appropriate policy criteria.
- 3.3.5 All Ends and Executive Limitations policies will be monitored at a frequency and by a method chosen by the School Board. The School Board can monitor any policy at any time by any method but will ordinarily depend on a routine schedule.

<b>Policy Title:</b>	<b>4.6 Process for Addressing School Board Member Violations</b>

The School Board and each of its members are committed to faithful compliance with the provisions of the School Board's policies.

The School Board recognizes that alleged willful and or continuing policy violations must be addressed. Each member is responsible for promptly initiating the process outlined below.

4.6.1 Discuss directly with the School Board member whom you feel violated School Board policy.

4.6.2 If agreement or understanding is reached; consider the issue resolved.

4.6.3 If resolution is not reached bring to the attention of the Chair (or Vice-Chair if the Chair is the offending member.)

4.6.4 If resolution isn't achieved via the Chair/Vice-Chair, bring to the School Board for review of possible violation and for the School Board to take appropriate action by a concurrent vote of at least 4 members which may include any of the following options:

4.6.4.1 School Board vote to determine if policy violation occurred.

4.6.4.2 If School Board agrees violation occurred, School Board votes on what action to take regarding the violation: public statement, removal from School Board leadership positions or removal from the School Board.

<b>Policy Type:</b>	<b>Governance Process</b>
<b>Policy Title:</b>	<b>4.7 School Board Committee Principles</b>

School Board committees, when used, will be assigned so as to reinforce the wholeness of the School Board's job and so as never to interfere with delegation from School Board to Superintendent. Accordingly:

- 4.7.1 School Board committees are to help the School Board do its job. Committees act according to their charter as laid out in Policy GP 4.8 and/or by School Board direction. In keeping with the School Board's broader focus, School Board committees will not advise staff or have direct dealings with staff operations.
- 4.7.2 School Board committees may not speak or act for the School Board except when formally given such authority for specific and time-limited purposes. Expectations and authority will be carefully stated in order not to conflict with authority delegated to the Superintendent.
- 4.7.3 School Board committees cannot exercise authority over staff. Because the Superintendent works for the full School Board, he or she will not be required to obtain the approval of a School Board committee before an executive action.
- 4.7.4 This policy applies to any group that is formed by School Board action, whether or not it is called a committee and regardless of whether the group includes School Board members. It does not apply to committees formed under the authority of the Superintendent.

<b>Policy Type:</b>	<b>Governance Process</b>
<b>Policy Title:</b>	<b>4.8 School Board Committee Structure</b>

A School Board-level committee is created by a majority vote of the School Board to assist in the completion of School Board business. Each committee submits a yearly plan of action to the Board, submits minutes of meetings in a timely manner, and reports progress during Board business meetings. The only School Board committees are those that are set forth in this policy.

**4.8.1 Community Linkage Committee:**

This committee will facilitate multiple methods of School Board communication with owners that provide input and inform the School Board of ownership values as they relate to School Board policies, as well as provide valuable information to owners.

**4.8.2 Policy Committee:**

This committee will meet at the request of the School Board to create and recommend new School Board policies and/or School Board policy revisions for School Board consideration. The Policy Committee may bring forward additional recommendations on reordering or re-wording related policies to ensure consistency. In addition, this committee will maintain the necessary processes and procedures for the School Board's review of the Ends and Executive Limitation policies.

**4.8.3 Board Development Committee:**

This committee will ensure ongoing School Board development and oversee self-monitoring of the School Board's performance related to Governance Process and Board-Management Delegation policies.

**4.8.4 Negotiations Committee:**

This committee will observe the collective bargaining of union contracts of the district. The School Board will determine annually which group contract negotiations will be observed. When convened, the committee, which shall consist of three School Board members appointed by the Chair, will have at least one School Board member in attendance for each negotiating session. The committee will also conduct Superintendent contract negotiations prior to the expiration of the current contract or upon the hiring of a new Superintendent.

<b>Policy Title:</b>	<b>4.10 Operation of the School Board Governing Rules</b>

The purpose of this policy is to provide governing rules for the conduct of meetings of the School Board. An orderly School Board meeting allows School Board members to participate in discussion and decision of school district issues. Rules of order allow School Board members the opportunity to review school-related topics, discuss school business items, and bring matters to conclusion in a timely and consistent manner.

4.10.1 The Rules of Order for School Board meetings shall be as follows:

- 4.10.1.1 Minnesota Statutes where specified;
- 4.10.1.2 Specific rules of order as provided by the approved policies under Policy Governance consistent with Minnesota Statutes; and
- 4.10.1.3 Robert’s Rules of Order (latest edition for small boards) where not inconsistent with 1 and 2 above.
