CIS is a co-educational, college preparatory day school governed by International School Services (ISS), a nonprofit corporation dedicated to excellence for children attending overseas schools worldwide. CIS was founded as Faulkner Academy in 1994. Today it is housed in a new, purpose built 60,000 square foot facility on 22 acres that opened in the fall of 2006. In addition to the United States High School Diploma, students can earn the International Baccalaureate Diploma.

CIS is accredited by the Middle States Association and is an IB World School offering the International Baccalaureate Diploma Programme. The school is a member of the American International Schools in the Americas (AMISA), the Common Ground Collaborative, Round Square, Green Alliance Schools, Cambridge International Examinations, and SAT.

CIS students compete in the Private Schools Association (PSA), Cayman Department of Sport and Ministry of Education competitions in Football, Basketball, Volleyball, Netball, Cricket, Rugby, Swimming and Track & Field. In addition, CIS competes internationally across the Caribbean and South America.

Students participate in musical, choral and theatrical productions including an annual performance in Choir, Steel Pan Band, Jazz Band, and Rock Band.

Students participate in Model United Nations, National Honor Society, and High School Student Council.

Students participate in Robotics and 3D molding and printing in our STEAM Lab.

Students are involved in local movements, such as Plastic Free Cayman and Protect Our Future, that address environmental issues and concerns.

Students provide leadership in community service initiatives and/or work experience outside school boundaries. Recent experiences have included service work in Costa Rica, language learning in Argentina and France, explorations in Iceland and ecological marine studies in the Caribbean.

There are 182 days in the school year which are divided into four terms. The 1st term starts in August and the 4th term ends in June.
