Board Report – September 9, 2024

MACCRAY Senior High School

Welcome to the 2024-2025 School year!

- Back-to-School Workshops were tremendous. We covered all traditional components and had an inspiring presentation from guest presenter Kevin Honeycutt.
- Open house was a busy time. Utilizing the HS commons area allows for a smooth transition for students and families to get where they need to go and move around freely, so that they could take care of their needs prior to the first day.
- We have had a number of new students come into the district. Just this first week of school, we had eight enrollment meetings at the MS/HS level.
- Handbook meetings were conducted on the first day of school.
- This week is Homecoming week (10th-13th). Coronation will be at 1:30 on Tuesday. We have a week's worth of activities, culminating Friday with the senior lunch, a walking parade, the pep rally, and the separate post-game celebrations for MS and HS students.

Upcoming items/events:

- 9/16 Teacher workshops
- 9/17 9th grade field trip to the Kathleen Jordan Project
- NHS Blood Drive coming in October

Respectfully Submitted,

Judd K. Wheatley
MACCRAY Sr. High School Principal

Re: 2024-2025 Membership Dues

Each year the Minnesota State High School League's Board of Directors approves an annual budget and sets the membership dues for our member schools. Earlier, at the July 30, 2024, MSHSL Board of Directors meeting, the Board reviewed all financial year-end documents and established both the 2024-2025 annual budget and the annual membership dues.

Background

In the 2020-2021 school year, the Minnesota State High School League engaged a Financial Advisory Committee of member school representatives to establish a sustainable financial model that would maintain programming and services should significant disruptions take place. The model developed by the Committee was approved by the Board in June of 2021 and the League has followed it since that time.

The Board has determined that, moving forward, annual revenue sources shall include membership dues of \$2.25 million annually. Through the pandemic and beyond, the League has received outstanding financial support from its membership and through strong financial stewardship has improved its financial position.

Beyond the commitment and financial support of our member schools, expenses have been contained, even in a time of significant inflation and there have been increased revenues through a variety of sources which include:

- Strong attendance at State Tournaments,
- Increased souvenir and merchandise sales,
- A highly effective sponsorship contract with Playfly Sports Properties,
- Growth in our streaming and broadcast revenues, and
- Increased investment income.

Establishing Membership Dues

The setting of the MSHSL Membership Dues follows the sustainable financial model developed by the Finance Advisory Committee. Membership dues have three components; membership, registered activity fee and per-student fee (based on MSHSL Enrollment). With the annual total dues of \$2.25 million determined, the breakdown of per school annual membership dues would be:

- Membership: \$100 per school
- Activity Registration Fee: \$160 per activity
- Student Fee: \$2.25 per student based on MSHSL enrollment

Due to the growth in revenues and contained expenses, the League recognized excess revenues of \$2.27 million as of the end of the 2023-2024 fiscal year. As a result of these excess dollars, a carryover membership credit from 2022-2023, and decisions by the Board, member schools will receive a credit on both the 2024-2025 and 2025-2026 membership dues and fees. By providing a credit on membership dues and fees for member schools in two successive years, these dues and fees will be less volatile, more predictable and consistently more affordable. In 2024-2025, the credit to member schools totals \$1,675,000 and in 2025-2026, \$1,517,000 will be credited.

2024-2025 Membership Dues

In May 2024, member schools received information indicating that the projected membership dues would be the amount listed above. In applying the credit explained in this letter and in following the sustainable financial model, the resulting membership dues for this year will be equivalent to:

	Membership Dues	Per Activity Fee	Per Student Fee
Annual Dues and Fees per Budget	\$100	\$160	\$2.25
2024-2025 Credit	-	- \$110	- \$2.25
2024-2025 Dues and Fees	\$100	\$50	\$0

The new membership dues are the lowest membership dues for schools in over 30 years. Schools will receive one invoice from the League in mid-August listing both the school's projected Membership Dues and their resulting credit. The amount paid by schools for 2024-2025 will be the difference between these two amounts.

The League is directed by the MSHSL Constitution and Board Financial Policy in determining the limits on League carryover and is diligent in its stewardship of our schools' contributions. The Board's approval of the credits for our member schools is aligned with the long-range goal of the Financial Advisory Committee that was assembled during the COVID-19 pandemic and remains effective in providing desired programming, contest, tournaments and League support for our schools.

Early Childhood Development

Milestones to age 5

Every child is unique. No two children develop, grow and learn at exactly the same pace. **And yet children develop in predictable ways.** The milestones indicated here are just some of the indicators that a child is developing typically. **Take notes as your little one learns.** Babies and toddlers are growing, learning and changing all the time. It's fun to watch! We suggest you keep track of the new things they do and the milestones they reach. If you are concerned about your child's growth, development or learning, we encourage you to contact us at HelpMeGrowMN.org or 1-866-693-4769

Track These Milestones

Early Childhood Preschool Screening

Is your child 3 years old? Then it's time for screening!

**Screening dates for 2024-2025 school year:
Tuesday, October 1, 2024 and Monday, January 13, 2025**

Did you know that screening is required in the state of Minnesota?

Screening allows health and developmental concerns to be addressed at least one to two years before a child enters kindergarten.

Screening is an early look at a child's development and is conducted by qualified professionals to help identify specific needs a child may have in these areas:

- *Fine and gross motor skills
- *Vision and hearing
- *Speech and language development
- *Height and weight
- *Cognitive development
- *Immunizations

The state of Minnesota requires a health and development screening for every child before kindergarten entry in a public school. The MACCRAY School District offers this service at no cost. Screening should be completed before a child turns five years old and may be scheduled as early as three years of age.

****Please contact Kristine Klosterboer at klosterboerk@maccray.k12.mn.us or 320-847-2154, Ext. 1320 to schedule an appointment or if you are new to the district.****

New baby or new to the district?

Being on the census ensures you will receive ECFE, screening, and kindergarten information when your child is eligible. If you are new to the community, recently had a new baby, or moved to a new address, call Heather at 320-847-2154, Ext. 1306 or email shamlah@maccray.k12.mn.us to ensure that you are on our school census list.

MACCRAY Preschool

The goal of our preschool program is to provide children with a fun and enriched preschool experience that will assist parents with the emotional, social, intellectual, and physical development of their child. Our preschool programs offer fun and meaningful experiences for the children through music, literacy, writing, math, science, technology, as well as fine and gross motor activities.
