**Subject: Notification to Parents of Teacher/Paraprofessional Qualifications**

In accordance with *Every Student Succeeds Act (ESSA)/Parents' Right-To-Know*, this is a notification to every parent of a student in a Title I school that you have the right to request and receive in a timely manner information regarding the professional qualifications of your student's classroom teachers and paraprofessionals.

The information regarding the professional qualifications of your student's classroom teachers/paraprofessional shall include the following:

- If the teacher has met state certification/qualification criteria for the grade level and subject areas taught
- If the teacher is teaching under emergency or other provisional status through which state certification/qualification criteria are waived
- The teacher is assigned in the field of discipline of the certification
- Whether the student is provided services by paraprofessionals, and if so, their qualifications

In addition to the above information, you will be notified if your student has been taught for four or more consecutive weeks by a teacher who does not meet the applicable state certification requirements at the grade level and subject area in which the teacher has been assigned.

If you would like to receive any additional information about any of the above issues, please contact Mr. Joel Deborah at 512-386-3450.

Sincerely,

Mr. Joel Deborah, Principal
