Senior Camp Out

12th grade
Haakenson
May 22-23, 2025
T.B.D.

Trip Description/Goals: Students plan and attend one final SLCSE school trip. Students are responsible for all of the planning, prepping, and running of the camping trip. All seniors will be invited to join, and those who do not, will be able to attend for a day trip on that Friday.

Applications Due: Students apply in the spring. Ms. Haakenson will share details when the time comes.

of Students: All seniors who want to attend and are in good academic standing.

Cost: \$100 (scholarships are always available on SLCSE trips)

Transportation: School bus

Learn More: kelly.haakenson@slcschools.org

Want to be a mentor?

At SLCSE we hold both outdoor experiences and community to be important in our mission as a school. We are hoping that by creating a mentor program where older peers can attend and participate in outdoor overnights with younger peers we can live up to this goal.

Scan **HERE** to
apply!

Goals: Having older/experienced students model taking healthy risks in new environments . Help teachers with the workload of overnight trips. Encourage community building and inclusion for ALL students. Gain experience in planning and execution in a leadership position

Expectations: Be in full communication with teacher leaders regarding your specific role. Follow through with particular tasks like early wake-ups and gear inventory. Task organization and management for younger students. Attend planning meetings with teacher leaders. Assisting in preparing and executing pre-trip matters. Engage with younger peers throughout the trip. Approaching challenges with a positive mindset

Qualifications: 11th-12th Grade students- Highly suggested to take the Q1 Camping Mentor Advisory

Cost: FREE! Your time and commitment pays your way

Available for most overnight trip opportunities See Ms. Hobush or Ms. Moretz for ?s
