## Noel Elementary Parent Policy 2024-2025

<b>Parent &amp; Family Engagement (PFE) Program</b>	
<b>What is it?</b>	Noel Elementary is committed to our vision: At Noel, it’s about giving back by leading the way. One way we continue to do this is by participating in the Title I, Part A State Program. This program provides funding for low social economic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.
<b>Funding</b>	Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.
<b>Review</b>	All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the need of the PFE Program.
<b>Family Meetings</b>	Parent Meetings and PTA meetings offer a time for the school and family to communicate necessary information. These meetings will always take place on campus. You can enter through the main entrance facing Newcomb Drive. Please reach out to: <a href="mailto:linda.hernandez@ectorcountysd.org">linda.hernandez@ectorcountysd.org</a> if you would like to join our PTA.
<b>How to be involved</b>	Become a member of the PTA. Attend PTA or parent meetings and any scheduled family activities below. Talk to your child’s teacher about how to help/volunteer in the classroom.

<b>Curriculum</b>	Noel Elementary utilizes high-quality curriculum that supports student success.
<b>Forms of Academic Assessments</b>	Noel Elementary has formative assessments that every teacher gives. No matter the teacher, each child is assessed via the same assessment provided by TEKS Resource System which models each assessment after the State of Texas Assessments of Academic Readiness or STAAR test. Previous STAAR tests are released and utilized for assessment and instruction in addition to other curriculums.
<b>Expected Achievement levels on academic assessments</b>	<p>The State’s Performance Standards can be found on this website: <a href="https://tea.texas.gov/student-assessment/testing/staar/staar-performance-standards">https://tea.texas.gov/student-assessment/testing/staar/staar-performance-standards</a></p> <p>Noel Elementary tracks each child’s growth throughout the year via local assessments (mentioned above). Each child has a folder where teachers help them track their own learning growth.</p>
<b>Ways to Request regular meetings</b>	Guardians can bring any suggestions, ideas, or concerns to the monthly parent and/or PTA meetings listed above. However, if they need to meet with the administrators or their child’s teacher at another time, they can email that individual person. We welcome any ideas, feedback, and concerns as we want our school to be a place where everyone feels safe and welcome.
