ABOUT ME:

I am a proud graduate of Southern University of New Orleans (Bachelor of Education), Troy University (Master of Science), and Nova Southeastern University (Education Specialist - Brain-Based Teaching and Instructional Leadership). I have 22 years of teaching, and I was a Finalist for the Presidential Award for Excellence in Mathematics and Science Teaching in 2021.

I have one daughter who attends Mercer University as a Chemistry and Spanish major, a Pre-Medical track and one loving puppy.
