Please contact us at school (503-769-2198) if you have any questions about the information received and/or Outdoor School.

Parent Permission

I want my student to have the privilege of attending and participating in Outdoor School at Camp Tadmor the week of **September 23 - September 27**.

I understand that transportation will be provided by North Santiam School district and that students will be supervised by Stayton Middle School staff and Outdoor School staff, a licensed nurse, and trained High School student counselors.

While I expect the staff to stress safety in all activities and to exercise reasonable precautions to avoid injury, I understand that there is a risk of injury in any outdoor activity and I release North Santiam School District, its staff and agents from liability for personal injury resulting from the failure of the students to obey safety regulations and directions of the supervisors.

I understand that students are responsible for their behavior, their belongings, and the rules and expectations of Staff and Outdoor School.

Pictures and slides will be taken of students to be used at future parent meetings and to show to students upon return to school. Please indicate if you **DO NOT** wish for your child's picture to be taken for these purposes.
