### How to Report Your Child's Absence

Please review the ways you can notify Goodyear Early Childhood Center when your child is absent.

1) Report student's absence on-line:

- Go to [killinglyschools.org](http://killinglyschools.org)
- Click Absence Information Tab
- Click Here to Report Your Child Absent
- Complete the Report an Absence at KPS
- Submit

2) E-mail [geccoffice@killinglyschools.org](mailto:geccoffice@killinglyschools.org) the following information:

- Student's Full Name
- Date of Absence
- Reason for Absence

When your child has doctor or dentist appointment during school hours, please obtain a note from the medical office and submit it to the school office. Doctor notes are considered medical tardies or medical absences.

Please be proactive and notify us by 9:00 am (12:45 pm for PM students) the day your child is absent to avoid receiving a phone call requesting the reason for your child's absence.
