****IMPORTANT INFORMATION****

Dear Parent / Guardian:

Carryover for purposes of the Child Nutrition Programs refers to a child's eligibility from the previous school year being carried over into the current or new school year. A student's eligibility from the previous school year (before July 1) carries over for up to 30 operating days into the new school year, or until a new eligibility determination is made, whichever comes first.

The 30 operating days begins on the first operating day of school, September 4, 2024. Carryover applies to eligibility established through a household application or through direct certification. The SFA carryover period may not be less than 30 operating days.

Carryover allows students to continue receiving school meal benefits while families complete and submit, and schools to process, applications.

The expiration on carryover eligibility will end on October 17, 2024.

Please complete the application provided in this packet, upon receipt, to ensure no lapse in your child's benefits.

Sincerely,

Brian Devincenzi
Assistant Superintendent for Support Services
