# HENRY CONNECTS

## Family View

HenryConnects Family View is a one-stop shop developed to strengthen the partnership between home and school. It connects families to school information, tools, and resources specifically tailored to your child's courses.

An **Infinite Campus Parent Portal** account is required to access HenryConnects Family View.

Don't have a Parent Portal account? Here's how to get one:

Scan this code to get started or go online to [GetHCSParentPortal.com](https://www.gethcsparentportal.com)

It's that easy, but please contact your child's school if you need any additional help.

### HOME

Go to HenryConnects by scanning the QR code or using the link and login using your Infinite Campus Parent Portal username and password.

### My Classes

View learning progressions, standards, unit specific instructional resources, and teacher contact information by clicking on a course from the My Classes tab.

### Connections

Browse categorized family resources by clicking on the Family Connections tab.

**\*NOTE:** HenryConnects is different than Infinite Campus Parent Portal, but requires the Parent Portal Login information to access.

Infinite Campus is where parents go to view school messages, schedules, student grades, attendance, report cards, assessment data, meal benefits, and more!
