

ANNUAL REPORT 2023-2024

Florida Diagnostic & Learning — RESOURCES SYSTEM —

MISSION STATEMENT

The mission of the Florida Diagnostic and Learning Resources System (FDLRS) is to support and enhance exceptional student education programs by providing evidence-based, high-quality professional learning opportunities; integrating assistive and instructional technology; promoting family engagement; and ensuring access to early intervention services.

FDLRS ASSOCIATE CENTER RESULTS

JULY 1, 2023-JUNE 30, 2024 • Source: BESS Project Tracking System, 2024

The chart below provides an unduplicated count of topics covered during FDLRS events and the number of attendees participating.

	TOTAL PARTICIPANTS	TOTAL OFFERINGS
Behavior Support	11,471	657
Instructional Strategies	22,044	1,091
Education Policies, Procedures, and Practices	17,775	845

FDLRS HRD Specialists provide an array of instructional, behavioral, and compliance professional learning opportunities and technical assistance for educators working with students with disabilities.

SERVICES INCLUDE:

- Behavior and Classroom Management Strategies
- Differentiated Instruction
- Disability Awareness
- Evidence-Based Instructional Strategies for all Content Areas
- Gifted
- IEP Development
- Multisensory Learning

TECHNOLOGY

FDLRS Technology Specialists provide assistance and support in the appropriate use of technologies for students with disabilities to teachers, professional staff, and parents of children with disabilities.

SERVICES INCLUDE:

- Accessibility
- Accessible Educational Materials
- Accommodations
- Assistive Technology
- Instructional Technology
- Universal Design for Learning
- Virtual Instruction

An Online Professional Learning Program

The BEESS Portal to Professional Learning Alternatives (PLA) are online courses providing comprehensive, high quality, and accessible professional learning for Florida educators. PLA courses are designed to respond to the needs of all students. Coordinated through FDOE/BEESS, FCIM, and the FDLRS Network, PLA courses are available free of charge to all Florida educators. Many of these courses support the recertification needs of educators through their district Professional Learning Catalogs (PLC). FDLRS collaborates with BEESS to update content, facilitate PLA courses, and communicate with districts to apply inservice credits for educators.

The FDLRS Network receives its priorities from Florida Statutes with guidance and support from the Bureau of Exceptional Education and Student Services (BEES) and works in collaboration with districts to best provide quality programs and services at the local level to reach the indicators in the BEES's Strategic Plan.

FDLRS also supports Florida's Goals of: Higher Student Achievement; Skilled Workforce and Economic Development; Seamless Articulation and Maximum Access; and Quality Efficient Services.

REGION 1

- Island Coast** Lee, Collier
- Alpha** Palm Beach, FAU Lab, Southtech Charter
- Reach** Broward
- South** Dade, KIPP Charter, Mater Academy Charter, Monroe

*DOC and DJJ Facilities are served by the local FDLRS Associate Center in the county where the facility is located.

FDLRS MULTIDISCIPLINARY CENTERS

There are six regional Florida Diagnostic and Learning Resources (FDLRS) Multidisciplinary Educational Services Centers in Florida that are funded by the State of Florida through the Department of Education, Bureau of Exceptional Education and Student Services (BEES), to serve Florida's at-risk children and youth, their families, and schools. They are a unique resource for students, families, and school districts providing multidisciplinary evaluation and consultation services for children and youth at-risk for or identified as having complex medical, educational, socio-emotional, or behavioral problems. The centers also provide support services and training for educators and other professionals.

FDLRS SPECIALIZED CENTERS

Florida Instructional Materials Center for the Visually Impaired (FIMC-VI) is a statewide resource center designed to assist schools in obtaining specialized materials for students with visual impairments.

The Resource Materials and Technology Center for the Deaf/Hard of Hearing (RMTC:D/HH) is a statewide discretionary project that supports the education of students who are Deaf/Hard of Hearing in Florida.
