4.3.4 Negotiations meetings shall be scheduled at times that will not interfere with the teacher workday and the educational programs of the district.

4.4 EXCHANGE OF INFORMATION

4.4.1 The Board agrees to furnish the Association, within a reasonable time after receiving a written request, any compiled public information.

4.4.2 The negotiation teams may appoint joint ad hoc committees for research, study and development of reports. Such committees shall report their findings only to the negotiation teams during regular negotiation sessions.

4.5 AGREEMENT

4.5.1 Both parties agree that it is their mutual responsibility to empower their respective representatives with the necessary authority to make proposals, to consider proposal and counter proposals in the course of negotiations, and to reach tentative agreements subject to ratification by the Board and the Association.

4.5.2 When a tentative agreement is reached on any article or item, it shall be reduced to writing, initiated by the spokesperson of each team and marked tentative agreement (TA).

4.5.3 When a tentative agreement is reached on all items, it shall first be submitted to the membership of the Association for ratification and then to the Board for ratification. When approved by both parties, it shall be signed by their respective presidents and shall be implemented.

4.5.4 Upon mutual agreement of the parties, the effective date of any change to an existing Negotiated Agreement may be set prior to the completion of negotiations for the ensuing year.

4.5.5 Provisions of the ratified Negotiated Agreement shall be reflected in the individual contract or statement of condition of service as submitted to members of the bargaining unit. Provisions of the Negotiated Agreement may be altered, added to, deleted from, or modified only through the negotiations process.

ARTICLE V -- IMPASSE

5.1 If negotiations are not successfully concluded by the first day of school, an impasse shall exist. At any earlier time following the initial negotiation session, either party may declare an impasse, or, by mutual agreement of the parties, the date for declaring impasse may be extended beyond the first day of school.

5.2 Within two (2) days of such declaration, either party may request the services of the Federal Mediation and Conciliation Service. If a mediator is unable to serve within twenty (20) working days of the receipt of the request, the services of a mediator will be used only by mutual agreement.

5.3 If the mediation process has been utilized and has failed to bring about agreement on all items, or if the mediation process was not utilized, the unresolved items shall be submitted to fact-finding as follows.

5.3.1 A fact-finding committee consisting of three (3) members shall be formed. One (1) member shall be selected by the Association, and one (1) member shall be selected by the Board, within five (5) days. The third member shall be selected by the first two (2) members as follows: Each representative shall submit a list of five (5) names. If no name is agreeable to both parties, a coin toss shall occur with the party winning the toss having the right to strike a name from the other party's list. The parties will then continue alternately striking names off each other's lists until only one (1) name remains. The remaining name shall be considered as the parties' selection as the third member who will be the chairperson of the fact-finding.

5.3.2 The committee shall meet with the representatives of the Board and the Association for the purpose of fact-finding.

5.3.3 Within five (5) days after the selection of a chairperson, the representatives of the parties shall meet to exchange written language on each item at impasse. The exchanged documents shall be furnished to the chairperson and other members of the committee. Each item being submitted to fact-finding shall show the last position taken by each negotiating team.

5.3.4 The cost for the services of the fact-finding committee, including per diem expenses, if any, and actual and necessary travel expenses shall be shared in the following manner: The Board shall assume the expenses of the representative selected by the Board; the Association shall assume the expenses of the representative selected by the Association; and expenses of the third member shall be shared equally by the Board and the Association.

5.3.5 The fact-finding committee shall have authority to establish procedural rules, conduct investigations, and hold hearings during which each party shall be given an opportunity to present its case with supporting evidence.

5.3.6 All hearings by the fact-finding committee shall be conducted in closed session.

5.3.7 The chairperson shall convene the committee for fact-finding. The committee shall meet with the representative of both parties and within twenty (20) days after the fact-finding hearing shall present its written recommendation to the Board and the Association. The report shall set forth findings of facts and recommendations on the issues submitted.

5.3.8 If either party decides it must reject one or more of the committee's recommendations, said party must, within seven (7) days after the committee has presented its recommendations, request a meeting of the representatives who have been negotiating for the Board and the Association. The parties shall meet within seven (7) days of the request, unless both parties deem it unnecessary. At such meeting, the parties shall exchange written statements expressing each party's rationale for rejecting each recommendation found unacceptable and shall attempt to clarify any remaining differences. The representatives shall then resume a good faith effort to resolve differences; provided after fourteen (14) days after the exchange of written statements, as provided for by this section, either party may discontinue such effort.

5.3.9 All articles mutually agreed upon through the negotiations process, mediation, and/or fact-finding shall become part of the Negotiated Agreement submitted to both parties for ratification.

ARTICLE VI -- SAVINGS CLAUSE

6.1 Should any part of this agreement be declared illegal by statute or a court of competent jurisdiction, said part shall be automatically deleted from this Agreement to the extent it violated the law. The remaining provisions shall remain in full force and effect for the duration of the Agreement, if not affected by the deleted part. If negotiations of the Negotiated Agreement are being conducted when any part of this Agreement is declared illegal, then negotiating a legally permissible replacement shall become an additional negotiable item. If negotiations of the Negotiated Agreement are not in progress, then a replacement shall be negotiated in accordance with Article VII--Duration of Agreement.

ARTICLE VII -- DURATION OF AGREEMENT

7.1 This Agreement shall become effective upon ratification by the Association and the Board. The Agreement shall be effective for the period of one fiscal year and shall be renewed automatically without modification unless the parties complete negotiations on any amendment(s) in accordance with the procedure below.

7.2 Notice shall be given, in writing, between January 1 and January 31 of any year, by either party, if the party desires to modify or amend this Agreement. Once such notice is given, negotiations related to changes in this Agreement shall commence on a mutually agreeable date within thirty (30) days of such notice.

7.3 In the event that the Association disbands or otherwise ceases to be the recognized bargaining agent, this Agreement shall be null and void on that date of such disbanding or cessation of representation.

In witness whereof, the duly designated representatives of the Board and the Association have set their signatures on the 1st day of August, 1988.
