PREAMBLE

This Agreement is entered into by and between the Alum Rock Union Elementary School District (hereinafter referred to as the “District”) and Teamsters Union Local 150 (hereinafter referred to as the “Union”).

ARTICLE I: CHECKOFF AND ORGANIZATIONAL SECURITY

1.1 Check off. The Union shall have sole and exclusive right to have initiation fees, membership dues, and service fees deducted, by the District, from the bargaining unit members in the appropriate bargaining units.

1.2 The District, upon appropriate written authorization from any eligible bargaining unit member, shall deduct such other voluntary deductions as are available to the bargaining unit member.

1.3 Each bargaining unit member covered by this Agreement who becomes a member shall maintain his/her membership in the Union for the term of this Agreement.

1.4 As a condition of employment, bargaining unit members shall be required either to join the Union or pay a service fee which is equal to membership dues.

1.5 The Union and the District agree that in consideration for granting organizational security, the Union will not pursue grievance or legal actions requiring the dismissal of any bargaining unit member who fails to pay dues or fees as required in the contract. The District agrees to pursue every legally available alternative to encourage non-member support. Such alternatives shall include, but not be limited to, conferencing by the site administrator and/or Superintendent with non-supporting members, and a negative rating on the report-of-performance form. Effective within thirty (30) days of initial employment or reemployment following a layoff, or return from unpaid leave, probationary and permanent bargaining unit members shall receive from Human Resources and shall execute a payroll deduction authorization form for payment of dues or agency fees. The District shall begin automatic payroll deduction of Agency fees provided in *Education Code* Section 45061 for those bargaining unit members who have not become members of the Union or fail to pay an agency or charity fee. To qualify for deduction of the charity fee, in lieu of paying dues or an agency fee, the bargaining unit member must certify to the Union and the School District that he/she is a member of a bona fide religious body whose traditional tenets of teaching include objections to joining or financially supporting bargaining unit member organizations. The deduction shall be forwarded to the Union after the District and the Union have approved the exemption and, thereafter, in the same manner as regular dues. The Union shall then forward the charity fee to one (1) of the following agencies chosen by the bargaining unit member: Red Cross or the Alum Rock Counseling Center.

1.6 Bargaining unit members who, subsequently to being covered by this Agreement, change to a classification in the same bargaining unit shall continue to maintain his/her membership dues or service fee with the Union and be covered for the term of this Agreement.

1.7 The Union and the District agree that in the granting of organizational security, the District/Union shall not pursue grievance or legal action requiring the dismissal of any bargaining unit member who fails to join the Union and/or fails to pay service fees, nor shall any bargaining unit member be grieved against or be dismissed for failure to maintain his/her membership or pay fees.

1.7.1 The Union indemnifies and holds the District harmless from any and all claims, demand, and suits or any other actions arising from the organizational security as provided herein.

1.7.2 Nothing in the foregoing sections shall prevent the Union from collecting dues or fees through proceedings at law.

Seniority accrued prior to new hire/rehire shall not be credited.

7.1.1 Seniority shall be determined by the date of hire into the District. The District shall maintain an annually updated seniority roster by hire date. The Union shall receive a copy of the updated roster by February 1st of each school year. The District shall maintain a copy of the last “hours in paid status” seniority roster as of October 31, 1995 in the Human Resources Department files. The seniority roster shall include bargaining unit members currently on active (working) status and bargaining unit members on approved paid and unpaid leaves of absence.

7.1.2 Bargaining unit members on layoff or bargaining unit members who have their seniority determined prior to October 1, 1995 shall be “grandparented.” Their rights to recall from layoff or to other benefits provided in this Agreement shall not be affected by this change in seniority determination.

7.2 Seniority shall be excluded for impending layoff, selection of vacation days, and summer work.

7.3 Seniority shall be lost or broken for the following reasons:

- a. Resignation or discharge.
- b. Continuous layoff for thirty-nine (39) months.
- c. Failure to report within three (3) workdays of recall from layoff.
- d. Unauthorized absence of five (5) working days without satisfactory justification to the District after the fact.
- e. Transfer into a non-bargaining unit position.

1 **ARTICLE VIII: TRANSFER, PROMOTION, AND RECLASSIFICATION**

2 **8.1 Transfer and/or Promotion**

3 **8.1.1** All bargaining unit members in the Union bargaining unit are entitled to apply for
4 posted vacant positions which would result in promotion or transfer.

5 **8.1.2** An increase in hours of a part-time position will not be considered a promotion.

6 **8.1.3** Nothing in this Section shall prevent bargaining unit members from mutually agreeing
7 to exchange positions with the approval of the immediate supervisors and Human Resources. As used
8 throughout this Agreement, “Human Resources” refers to the person(s) designated by the District
9 within the Human Resources Department.

10 **8.1.4** Involuntary transfer shall be limited to those extraordinary needs demonstrated to be
11 in the best interest of the District.

12 **8.1.4.1** The Superintendent or designee shall provide the bargaining unit member
13 to be transferred with reasonable prior notice of impending transfer. This notice shall include the
14 reasons for the transfer.

19 salary.

20 **8.1.6 Medical Transfer.** The District will attempt to find, when it is available, alternate
21 work for a bargaining unit member who has become medically unable to satisfactorily perform

28 form which shall be kept at Human Resources to be considered when the position becomes open.
29 Transfers will be approved using all of the following criteria:

- 30 1. A positive letter of reference from the current site manager/supervisor, and
- 31 2. Three years of satisfactory evaluations, and
- 32 3. Final approval of the incoming manager/supervisor.

33 **8.1.7.2 Recall.** If there are no qualified transfer applicants selected by the Program
34 Manager, he/she shall recall from the re-employment list, as provided in Article IX, a bargaining unit
35 member who formerly served in the classification of the vacancy to fill the vacancy. If there is more
36 than one bargaining unit member who is qualified for the vacancy on the re employment list, the
37 Program Manager shall offer the vacancy to each laid off bargaining unit member, in seniority order,
38 until one accepts the position.

1 **8.1.7.3 Promotional Applicants and Outside Applicants.** If there are no
2 qualified transfer applicants selected and no bargaining unit member in the classification in the
3 re-employment list accepts reemployment, the District shall post an announcement of the vacant
4 position as provided in Section 8.1.8 and shall use the screening/ selection procedure set forth in
5 Sections 8.1.7.4 through 8.1.7.7.5 to determine the most qualified applicants to fill the vacancies.
6 When a unit member’s application for promotion or transfer is denied, the unit member, upon written
7 request, shall receive a written notice from Human Resources Department explaining its rationale.

8 **8.1.7.4 Screening/Selection Process Bargaining Unit Vacancy Announcements.**
9 All applicants determined by Human Resources to have met minimum qualifications, based on job
10 specifications will be required to pass a performance test which will be developed by the District,
11 with Union input, for the applied-for position.

12 **8.1.7.4.1** Persons who are on personal leave of absence from the District
13 shall not be required to take nor pass a performance test when applying for a posted vacancy in the
14 classification which they held at the time the personal leave was granted, providing the same tests of
15 fitness under which they qualified for appointment to the classification still apply.

16 **8.1.7.5** Applicants who meet the minimum qualification and have passed their
17 performance test with the appropriate passing grade shall have their applications and other supporting
18 documents sent directly to the Program Manager of the site, area, or building where the opening
19 occurred.

20 **8.1.7.6** If there are fewer than four (4) qualified applicants, the Program Manager
21 shall personally interview each applicant using the “Guidelines for Interviewers” as a guide.

22 **8.1.7.7** If there are four (4) or more qualified applicants, the Program Manager
23 shall convene an oral interview panel at the local level. The oral interview panel shall be composed of
24 at least three (3) members: one selected by the Program Manager, one selected by the Union, and one
25 mutually selected. The maximum will be seven (7). The ratio will remain the same.

26 **8.1.7.7.1** The Human Resources Department with the assistance of the
27 Program Manager may paper screen applicants to a minimum of six (6) for consideration by the total
28 interview panel. Paper-screening will be measured against the job description requirements and
29 scores on the performance test.
30

31 **8.1.7.7.2** The oral interview panel shall recommend the three (3) highest
32 scored applicants to the Program Manager. (If there are fewer than three (3) remaining applicants, the
33 panel may recommend fewer than the three (3).) Each panel member shall have an equal vote
34
35

36 **8.1.7.7.3** Scores will be determined based upon the following: (1) actual test
37 score; (2) interview score, (1 and 2 will be equally weighted); (3) seniority credit based upon one (1)
38 point per year of service with the District based on hire date, up to eight (8) points. Experience credit
39 can be earned by bargaining unit members and will be based on one-half (½) point for every year of
40 service in the same field or related field, up to a maximum of five (5) points. Outside candidates will
41 not receive credit in the screening process for outside experience.

42 **8.1.7.7.4** Bargaining unit members who have previously taken and passed the
43 performance test may use their previous score if transferring into the same classification.

1 **8.1.7.7.5** All things being equal, seniority will be exercised for the selection
2 of promotion of the top three (3) candidates.

3 **8.1.7.8** When a vacancy occurs, the District shall notify the Union within seven (7)
4 working days of the vacancy. The District shall fill vacancies within thirty (30) working days from
5 the date a position is posted. If this is not possible, the District and the Union shall agree on a
6 reasonable extension of time to fill the vacancy. Before posting the vacancy, the District shall
7 negotiate with the Union any changes in the job description for the position to be filled. The District
8 also agrees to discuss with the Union written performance tests and physical performance tests for the
9 positions before the tests are implemented. After this discussion, a representative from the Union and
10 a representative from Human Resources shall sign and date the written performance test, indicating
11 that the discussion took place, and the District shall keep this signed copy, subject to inspection by
12 the Union upon reasonable request.

13 **8.1.8** All vacancy announcements shall be posted by the District for not less than five (5)
14 working days in designated areas of all work sites prior to being filled. A copy of the job vacancy

16 **8.1.9** Bargaining unit members who are on leave or not working during the posting period
17 shall be mailed, upon request, a copy of the vacancy announcement and an application form if they
18 provide a self-addressed, stamped envelope to Human Resources.

19 **8.1.10** In any major administrative reorganization which is planned by the District and which
20 impacts bargaining unit bargaining unit members causing the potential transfer of bargaining unit
21 members, the District agrees to negotiate the effects of such reorganization with the Union prior to
22 implementation.

23 **8.1.11** Vacancy announcements will be sent to the Chief Steward of the Union.

24 **8.1.12 Maintenance Worker Openings.** If there is an opening for a Maintenance Worker I
25 or II, the District shall first consider internal bargaining unit members. Successful internal bargaining

30 other regularly employed District custodian accepts the work, the District shall recall from the
31 re-employment list as provided in Article IX, bargaining unit members in seniority order, who
32 formerly served in the custodial classification. If no bargaining unit members are selected from the
33 reemployment list, the regular screening/selection process for outside applicants shall be
34 implemented.

35 **8.2 Reclassification.** Changing conditions may warrant reclassification of positions
36 and/or classifications which are a part of the Union bargaining unit. Since the District and the Union
37 have vested interests in such reclassifications, this Section is intended to provide an orderly process
38 for effecting justifiable reclassifications.

39 **8.2.1 Definition.** "Reclassification" means the redefining of a position and/or a
40 classification to account for changes in technology, duties, or work that may alter the nature of the
41 positions/classification(s). This Section shall not apply to demotion.

1 **8.2.2** When either the District or the Union seeks to effect a reclassification, the following
2 procedures will be followed:

3 **8.2.2.1** The written request for reclassification shall be submitted to Human
4 Resources, on the appropriate form, who shall forward the request to the Management Personnel
5 Task Force with a copy to the Union. The request shall contain all of the following data:

- 6 a. The classification or position to be reclassified.
- 7 b. The existing job description and salary range.
- 8 c. The proposed job description and salary range.
- 9 d. Bargaining unit members affected by the proposal and the proposed disposition of
10 same.
- 11 e. The basis for the reclassification.
- 12 f. The recommended effective date for implementation.

13 **8.2.2.2** Human Resources will meet with the Union for further review/appeal
14 within fifteen (15) working days after receiving the request for reclassification as provided in Section
15 8.2.2.1.

16 **8.2.2.3** Human Resources shall submit its recommendation to the Superintendent
17 and a copy to the Union within fifteen (15) days from Section 8.2.2.2.

18 **8.2.2.4** The Superintendent or designee will respond to the recommendation within
19 fifteen (15) working days after receipt of the proposal. Appeals will be heard at this time.

20 **8.2.2.5** A denial of the reclassification by the Superintendent or designee shall
21 allow the Union to appeal the decision to an Advisory Arbitrator. The Advisory Arbitrator will be
22 chosen (as in the grievance process) and costs will be paid by the party receiving an unfavorable
23 judgment. The Arbitrator will prepare his/her written response including recommendations to the
24 Superintendent and to the Union. Final decision shall rest with the Superintendent or designee.

25 **8.2.2.5.1** The Superintendent's decision is not grievable but violations of

31

1 **ARTICLE IX: LAYOFF AND REEMPLOYMENT**

2 **9.1 Notice of Layoff**

3 **9.1.1 Education Code 45117**

4 a. When, as a result of the expiration of a specially funded program, classified positions must be
5 eliminated at the end of any school year, and classified bargaining unit members will be subject to
6 layoff for lack of funds, the bargaining unit member to be laid off at the end of such school year
7 shall be given written notice on or before April 29 informing them of their layoff effective at the
8 end of such school year and of their displacement rights, if any, and reemployment rights.
9 However, if the termination date of any specially funded program is other than June 30, such
10 notice shall be given not less than forty-five (45) days prior to the effective date of their layoff.

11 b. When, as a result of a bona fide reduction or elimination of basic funded services being
12 performed by any department, classified bargaining unit members shall be subject to layoff for
13 lack of work, affected bargaining unit members shall be given notice of layoff not less than forty-
14 five (45) days prior to the effective date of layoff, and informed of their displacement rights, if
15 any, and reemployment rights.

16 c. Nothing herein provided shall preclude a layoff for lack of funds in the event of an actual and
17 existing financial inability to pay salaries of classified bargaining unit members, nor layoff for
18 lack of work resulting from causes not foreseeable or preventable by the governing board, without
19 the notice required by Subsections (a) and (b) hereof.

20 **9.2 Order of Layoff.** The order of layoff within each classification shall be determined by length
21 of service (seniority) within the classification and higher classifications in the District. Bargaining
22 unit members with the least seniority in the classification, plus higher classifications, shall be laid off
23 first.

24 **9.2.1** Length of service (seniority) for persons hired after October 1, 1995 shall be
25 determined by date of hire. Bargaining unit members hired before that date shall have their seniority
26 rank grandparented.

27 **9.3 Equal Seniority.** If two (2) or more classified bargaining unit members have equal seniority
28 within a classification, the ranking number shall be determined by the bargaining unit member with
29 the earliest hire date; if that be equal, determination of ranking numbers shall be determined by
30 lottery.

31 **9.4 Bumping Rights.** Bargaining unit members whose positions have been eliminated or reduced
32 may have bumping rights within their equal classification or into a lower classification in which
33 she/he has worked and accumulated seniority. Bumping rights are dependent upon an individual
34 bargaining unit member's seniority ranking in current or prior classification.

35 **9.4.1** A bargaining unit member with high seniority whose position is eliminated or reduced
36 may elect to bump into a position of equal or fewer hours within the classification. The bargaining
37 unit member does not have the right to choose a specific position into which she/he wishes to bump.

38 **9.5 Layoff in Lieu of Bumping.** A bargaining unit member may elect layoff in lieu of exercising
39 bumping rights without losing any reemployment rights.

1 **9.6 Voluntary Demotions or Voluntary Reductions.** Bargaining unit members who take
2 voluntary demotions or voluntary reductions in assigned time in lieu of layoff or to remain in their
3 present positions rather than be reclassified or reassigned, shall be granted the same rights as persons
4 laid off and shall retain eligibility to be considered for reemployment for an additional period of up to
5 twenty-four (24) months; provided, that the same tests of fitness under which they qualified for
6 appointment to the class shall still apply. Bargaining unit members who take voluntary reductions in
7 assigned time in lieu of layoff shall be, at the option of the bargaining unit member, returned to a
8 position in their former class or to positions with increased assigned time as vacancies become
9 available, and without limitation of time, but if there is a valid reemployment list they shall be ranked
10 on that list in accordance with their proper seniority.

11 **9.7 Reemployment Offers.** A bargaining unit member may refuse up to three (3) reemployment
12 offers made by the District after which she/he shall be dropped from the thirty-nine (39) month
13 reemployment list.

14 **9.7.1** The bargaining unit member shall respond to each offer in accordance with the
15 following time lines; no response from the bargaining unit member shall be deemed a refusal:

- 16 a. By calling his/her response to Human Resources within five (5) working days of mailing date
17 if offer made by letter.
- 18 b. By calling his/her response to Human Resources within three (3) working days if offer made
19 by telephone.

20 **9.8 Improper Layoff.** Any bargaining unit member deemed to be improperly laid off shall be
21 immediately reinstated and reimbursed for any loss of salary and benefits incurred.

22 **9.9 Seniority Roster.** The District shall maintain an annually updated seniority roster, for all
23 classifications.

24 **9.10 Retirement in Lieu of Layoff.** Any person who was subject to being, or was in fact, laid off
25 for lack of work or lack of funds and who elected service retirement from Public Bargaining unit
26 members Retirement System (“PERS”) shall be placed on an appropriate reemployment list. The
27 District shall notify the Board of Administration of PERS of the fact that retirement was due to layoff
28 for lack of work or of funds. If she/he is subsequently subject to reemployment and accepts, in
29 writing, the appropriate vacant position, the District shall maintain the vacancy until the Board of
30 Administration of PERS has properly processed his/her request for reinstatement from retirement.

31 **9.11 Reemployment Rights.** Bargaining unit members laid off because of lack of work or funds
32 are eligible for reemployment for a period of thirty-nine (39) months and shall be reemployed without
33 additional testing and/or interview in preference to new applicants for all open positions in their
34 classification. If there are changes in minimum qualifications for the class which have been bargained
35 with the Union, bargaining unit members on the re employment list must meet those qualifications.

36 **9.12 Reemployment Order.** Reemployment shall be in the reverse order of layoff without regard
37 to the number of assigned hours at the time of layoff.

38 **9.13 Maintenance of Seniority Status.** The seniority status of a bargaining unit member at the
39 time of layoff shall be maintained during the thirty-nine (39) month reemployment period; however,
40 there shall be no accrual of seniority, vacation, sick leave, holidays, other benefits, or increment
41 advancement while the bargaining unit member is on layoff.

1 **9.14 Reduction in Hours.** An involuntary reduction of assigned hours of a bargaining unit
2 member shall be considered a layoff and subject to all the above provisions regarding layoff.
3

1 **ARTICLE X: LEAVES**

2 **10.1 Bereavement Leave**

3 **10.1.1 Mandatory Paid Leaves.** Bargaining unit members shall be granted necessary

Probationary regular bargaining unit members shall not be eligible for vacation until they have been in continuous employment for six (6) months and have attained permanent status, at which time they will receive vacation credit from their original date of regular employment.

14.1.2 Vacation Credit. Permanent regular bargaining unit members shall be credited each July 1 with the number of vacation days that the bargaining unit member is expected to earn during the ensuing fiscal year, in accordance with Sections 14.1.2.1 and 14.1.3. New bargaining unit members who are hired after July 1 shall have their vacation prorated when permanent status occurs for the portion of the fiscal year remaining after the date of hire, in accordance with Sections 14.1.2.1 and 14.1.3.

14.1.2.1 Each classified bargaining unit member shall earn during the fiscal year vacation pay, on the basis of one (1) day per each whole month worked (one (1) whole month is equal to one-half (½) or more of the number of workdays in a given month).

Part-time bargaining unit members shall earn vacation with pay on the basis of one (1) for each month worked. One (1) day is equal to the number of hours worked per day. Exceptions which may arise as a result of variation of hours worked during a fiscal period shall be adjusted in accordance with their hourly assignment per month.

14.1.3 Longevity Vacation Credit. Bargaining unit members who have served the District for five (5) continuous years shall earn additional vacation with pay on the basis of one (1) additional working day for each year of service beyond the five (5) years up to a maximum of seven (7) longevity vacation working days a year. The District shall not require employees to use vacation at other times of the year. The District and Union strongly encourage employees at ARUSD to schedule all but the maximum seven (7) days of vacation that can be carried over each year.

14.1.5 Vacation When School Is Not in Session. Bargaining unit members (Bus Drivers and Food Service staff) who are not required to work during student holidays such as Christmas and Easter, etc., shall take vacation when school is not in session. 9 allowed under the following conditions.

10 **14.1.6.1** Vacation may, with the approval of the bargaining unit member's
11 immediate supervisor, be taken at any time during the work year. If the bargaining unit member is not
12 permitted to take his/her full annual vacation, the amount not taken shall accumulate for use in the
13 next work year or be paid in cash. Employees will only be able to cash out a maximum of three (3)
14 vacation days over the maximum number of carried-over vacation days of seven (7). Employees shall
15 use their vacation and shall not carry in excess of seven (7) days. Vacation cash out in June greater
16 than the seven (7) day carry over will be added to the first pay period paycheck in the following fiscal
17 year.

18 **14.1.6.2** Bargaining unit members may be granted vacation during the work year,

31 terminating/separating from service and have taken vacation prior to its being earned shall have their
32 pay reduced by the number of those unearned days times their daily rate.

33 **14.1.9** **Interruption of Vacation.** A bargaining unit member in the bargaining unit shall
34 be permitted to interrupt or terminate vacation leave in order to begin another type of paid leave
35 provided by this Agreement without a return to active service, provided the bargaining unit member
36 supplies notice and supporting information regarding the basis for such interruption or termination.

37 **14.1.9.1** **District Interruption of Vacation.** Any expenses incurred for travel costs
38 shall be borne by the District.

39 **14.1.10** **Holidays During Vacation.** When a holiday, as defined in this Agreement,
40 occurs during the scheduled vacation of a bargaining unit member, the bargaining unit member shall

12 bargaining unit.

13 **14.2.3 Holidays on Saturday or Sunday.** When a holiday falls on a Saturday, the
14 preceding workday not a holiday shall be deemed to be that holiday, when a holiday falls on Sunday,
15 the following workday not a holiday shall be deemed to be that holiday.

16 **14.2.4 Holiday Eligibility.** All bargaining unit members will receive the same paid
17 holiday benefits, whether full or part-time, provided that they were in a paid status during any portion
18 of the working day of their normal assignment immediately preceding or succeeding the holiday
19 period.

20 **14.2.5 Bus Drivers' Holiday Observance.** Bus drivers shall receive seventeen (17)
21 holidays but will observe them on the date scheduled by the school/programs they serve. Such drivers
22 will receive compensation at their regular rate of pay if their assignment requires them to work during
23 a holiday provided by the District. However, if a locally declared holiday (i.e., Cesar Chavez) is not

1 **ARTICLE XV: CONTRACTING AND BARGAINING UNIT WORK**

2 **15.1** In the letting of contracts for work customarily and normally performed by bargaining unit
3 bargaining unit members, the District agrees not to displace bargaining unit members or reduce their
4 work. Work customarily and normally performed by bargaining unit bargaining unit members is
5 work performed by the classifications of Maintenance, Custodian, Food Service, Transportation
6 Department and other Teamsters classifications. In this regard, the District and the Union agree to

8 satisfactorily performed by unit members will not be contracted out to non-bargaining unit members,
9 except:

10 **15.1.1** The District may contract out bargaining unit work to achieve a cost savings where
11 the magnitude of work makes it more cost-efficient for the District;

12 **15.1.2** Where there is an urgent or emergency need;

13 **15.1.3** However, if the work contracted out is based on cost savings, the economic
14 advantage to the District cannot be achieved by displacing bargaining unit members or by reducing
15 their work.

16 **15.2** To comply with the terms of this agreement, the District and the Union agree to have regular
17 weekly meetings, which will also be called the Work Review Committee. The committee’s purpose
18 is to review requests for work that maybe subject to this article. Any disagreement between the
19 parties concerning this section shall be subject to Article XVIII Grievance Procedure. Frequency of
20 meetings may be changed through mutual agreement between the District and Union.

21 **15.3** The District and the Union recognize the value and quality of work performed by bargaining
22 unit members in making all reasonable efforts to preserve bargaining unit work. The District and the
23 Union recognize the need to work with the community to promote and enhance the quality of
24 education for District students. Therefore, volunteer work performed on a non-recurring basis (i.e.,
25 two (2) or three (3) times a year) by parents and/or community work parties shall not be considered
26 bargaining unit work for purposes of this Article but shall be discussed and determined as provided in
27 15.2 before such work is performed. When appropriate, and Pursuant to the Work Review Committee
28 discussions, at least one bargaining unit member shall be requested to work with the parents or the

5 order and the manner and time within which his/her appeal must be filed.

6 **16.3.3.5** A card or paper, the signing and filing of which shall constitute a demand
7 for hearing and denial of all charges.

8 **16.4** In any case where it has been determined that a formal recommendation of personnel action
9 should be made against a permanent classified bargaining unit member and that continuation of the
10 bargaining unit member in active present status after a written recommendation of such personnel
11 action has been issued would result in an unreasonable risk or threat to students, staff, or workplace,
12 fostering of disharmony, or an impediment to the efficient operation of the District during the time
13 the proceedings are pending, the Superintendent or his/her designee may order the personnel action
14 into effect immediately or on an interim basis as part of the formal recommendation of personnel action.

15 Except in cases of emergency where the bargaining unit member must be removed from the

24 Any response made by the bargaining unit member shall be considered by the initiating party
25 prior to issuing any recommendation and order. In the event emergency circumstances require
26 removal of the bargaining unit member from the work site immediately, such notice and right to
27 respond shall be provided to the bargaining unit member at the earliest reasonable time after his/her
28 removal from the premises.

29 In any case where the recommended personnel action is a suspension without pay for five (5)
30 workdays or less, the Superintendent or his/her designee may order the suspension into effect
31 immediately on an interim basis, but shall either during the suspension or within five (5) working
32 days thereafter give the bargaining unit member written notice of the action including the causes and
33 reasons therefore, a copy of the charges and any materials upon which the action is based, and a right
34 to respond either orally or in writing to the person who ordered the suspension into effect.

38 within the specified time limit by the bargaining unit member shall constitute a sufficient notice of
39 appeal. A notice of appeal is filed only by delivering the notice of appeal to the office of the
40 Superintendent during normal work hours of that office. A notice of appeal may be mailed to the
41 office of the Superintendent during normal work hours, but must be received or postmarked no later
42 than the time limit stated herein

1 If the bargaining unit member against whom a notice of personnel action has been filed fails
2 to file a notice of appeal within the time specified in these rules, the bargaining unit member shall be

5 into effect immediately. A copy of such order shall be served upon the bargaining unit member by
6 registered or certified mail, return receipt requested, and a copy delivered to the Board for approval
7 or ratification by the Board.

8 **16.6** The Hearing Officer will be chosen as described in Section 18.18.1.1.1 and the selection will
9 be made from the State Conciliation and Mediation Service for all hearings, provided the Hearing
10 Officer is available within thirty (30) days from the request.

11 At any time before a bargaining unit member's appeal is finally submitted to the Board or to a
12 Hearing Officer for decision, the person making the recommendation may, with the consent of the
13 Board or Hearing Officer, serve on the bargaining unit member and file an amended or supplemental
14 notice or personnel action. If the amended or supplemental notice presents new causes or allegations,
15 the bargaining unit member shall be afforded a reasonable opportunity to prepare his defense thereto.
16 Any new causes or allegations shall be deemed controverted and any objections to be amended or
17 supplemental causes or allegations may be made orally at the hearing and shall be noted in the record.

18 **16.7** The hearing shall be held at the earliest convenient date, taking into consideration the
19 established schedule of the Board or Hearing Officer and the availability of counsel and witnesses.

27 one or more periods shall not aggregate more than ninety (90) calendar days in any twelve (12)
28 month period; provided, however, this time limitation is inapplicable to cases in which personnel
29 action or dismissal is modified by the Board to suspension.

30 **16.8.1** The appeal shall be heard by a Hearing Officer unless the Board directs that the
31 appeal be heard by the Board. In any case in which the Board hears the appeal, the Board may utilize
32 the services of its counsel or Hearing Officer in ruling upon procedural questions, objection to
33 evidence and issues of law. If the appeal is heard by the Board, it shall affirm, modify, or revoke the
34 recommendation of personnel and any order of implementation of personnel action issues with the
35 recommendation of the Board.

36 **16.8.2** If the appeal is heard by a Hearing Officer, a proposed decision shall be prepared
37 in such form that it may be adopted by the Board as the decision in the case. The Board shall consider
38 the advisory decision of the Hearing Officer at its next regularly scheduled meeting. A minimum of
39 ten (10) working days notice will be given to the District to properly agendaize for Board Review.
40 The Board shall accept, modify, or reject the Hearing Officer's decision. In the event the Board takes
41 no action within ten (10) working days of its meeting, the decision of the Hearing Officer shall be the
42 decision of the Board.

43 **16.8.3** If the Board rejects the proposed decision in its entirety, each party shall be
44 notified of such actions and the Board may decide the case upon the record including the transcript

1 with or without the taking of additional evidence, or refer the case to the same or another Hearing
2 Officer to take additional evidence. If the case is so assigned to a Hearing Officer, she/he shall
3 prepare a proposed decision as provided in Section 16.8.2, upon the additional evidence and the
4 transcript and other papers which are part of the record of the prior hearing. A copy of such proposed
5 decision shall be furnished to each party within ten (10) days after the proposed decision is filed by
6 the Board.

7 **16.8.4** In arriving at a decision or a proposed decision on the propriety of the proposed
8 penalty, the Board or the Hearing Officer may consider the records of any prior personnel action
9 proceedings against the bargaining unit member in which a personnel action was ultimately sustained
10 and any records contained in the bargaining unit member's personnel file if such records were
11 introduced into evidence at the hearing.

12 **16.8.5** The decision of the Board shall be in writing and shall contain findings of fact and
13 the personnel action approved, if any. The findings may be stated in the language of the pleadings or
14 by reference thereto.

15 **16.9** The decision of the Board shall be delivered to the initiating party from whose
16 recommendation the appeal is taken and shall forthwith be enforced and followed by her/him. A copy
17 of the decision shall be delivered to the appellant or his/her designated representative personally or by
18 registered or certified mail, return receipt requested. The decision of the Board shall be final.

19 **16.10 Special Leave of Absence Pending Disposition of Criminal Charges.** The District shall
20 comply with Education Code provisions concerning mandatory and optional leaves of absence upon
21 filing and pending disposition of criminal charges against a bargaining unit member of the District.

14 When two people are married or meet the definition of domestic partners, as established by
15 the current benefits provider, and work for the District (company) as a Teamster bargaining unit
16 member at the same time and are both eligible for medical benefits, they may be enrolled under one
17 contract and are not required to make two (2) contributions for medical coverage.

18 If any other bargaining unit receives a greater increase than the Teamsters bargaining unit in
