

Immunization Rules for 6th Grade Students

All children entering 6th grade (on or after July 1, 2007) are required to meet the following requirements:

1. Have two (2) doses of Measles vaccine, two (2) doses of Mumps vaccine, and one (1) dose of Rubella vaccine or laboratory proof of immunity against Measles, Mumps and Rubella.
2. Have two (2) doses of Varicella (chicken pox) vaccine or documentation of disease or laboratory proof of immunity. At the time that your child entered school only one (1) dose of this vaccine was required.
3. All vaccines, documentation of disease, or laboratory proof of immunity must be documented on a valid Certificate of Immunization (Form 3231).
4. Contact your health care professional or local health department to schedule the administration of any needed vaccinations for your child and obtain a new Certificate of Immunization (Form 3231).

*As of July 1, 2014, all students born on or after January 1, 2002, who are entering the **7th grade** must have a valid Form 3231 which meets the following new requirements:

1. One (1) dose of Tdap (tetanus, diphtheria, pertussis) vaccine
2. One (1) dose of meningococcal conjugate (MCV) vaccine

We are providing this information to rising 6th graders so that parents may have an opportunity to obtain these immunizations from their health care provider or the health department at any time prior to the beginning of 7th grade.
