Snacks (The kids really like chips, pretzels, popcorn, cookies, fruit snacks, snack cakes, goldfish, and cheez-its)

The students will have a snack each day, so PLEASE ensure that you contribute snacks to the class OR send your child with a snack and drink in his or her backpack each day.

I purchase most of our classroom supplies like Velcro, lamination sheets, and cardstock from Amazon, so donations of Amazon or Visa gift cards are always appreciated to ease my out-of-pocket costs. Thanks for all you do for our students!!!
