2. Reviewed Goals:
 - i. Focus on learning about FMSD & River Trail Elementary

Mrs. Baird shared some information about clubs. This is something that has been exciting for the students. Mrs. Baird gave examples of the types of clubs that are offered. They are held on the early release days. Mrs. Shamblin shared how excited the kids were about their clubs. Mrs. Newland/PTO is going to donate the PomPoms from Boosterthon to the cheer club.

Merri Martin made the suggestion to have the sidewalk chalk in another area as kids are/can track(ing) into the school. Admin will look into this.

Mrs. Baird shared that there is a wishlist for clubs that was sent out to parents. She asked SIC to think of how we can get this out to others so we can get the wishlist filled.

- ii. Build community partnerships and additional volunteer opportunities

Mrs. Wilkerson shared the community service projects each grade level is assigned to. One SIC member shared an idea to have a representative from each place come to talk to the students about their facility/program. Mrs. Shamblin mentioned possible field trips or meeting outside of school hours with parents and students to work on the service project. What are the guidelines for this? Barid is going to check.

A member asked if a list of service projects would be sent to the group. Here it is:
