Student Representative Report

Student Representative: Radha Patel

Good evening, it is so nice to see you all again. Since the last time we met, so much has happened in NPHS.

To being with, the mentor program is having their monthly meeting with their freshman tomorrow during homeroom. The topic for February is relationships. It's a critical topic to discuss with the freshman because they engage with different kinds of relationships every day and we want to help them understand that positive relationships are key to having a

healthy mind. In addition, I personally created an event on behalf of the mentoring program. We are hosting a spring fling dance on March 29th. It will be open to all grades because our purpose of this dance is inclusion of all NPHS students. The mentors seek to promote school unity and spirit, so what better way than having a memorable dance for everyone!

In addition, the NPHS dance show with the theme of Eleanor and Park was executed beautifully. Many of our talented dancers were recognized for their capabilities and overall the dance program put on a spectacular performance.

Today was the national signing day to students who have gotten accepted to certain colleges based off of their athletic performance and will continue to pursue that sport in college. The seniors who got signed today include Ashley Atubi to Rutgers University for soccer, Brandon Smith to Kutztown University for football, Bamnjo Bannavti to Del Val University for football, and Jude Okolo to Illinois State University for football. We have some amazing individual seniors going to play D1 sports in college, congrats to them!

The Interact Club is wrapping up their Rutgers Concession volunteer work with their last game being on Sunday, February 25th. To celebrate the Valentine's holiday, the club is selling cupcakes to be delivered to homerooms the day of. Soon Interact will be starting up their Pennies for Patients fundraiser to collect money to help children with Leukemia.

The Italian Honor Society has been very successful with their recent Nutella-covered strawberry fundraiser to celebrate National Hugging Day. They were able to raise over \$150 in sales. Currently, to get in the spirit of Valentine's Day, they are running an animal drive to collect items that will be donated to North Plainfield local animal shelter on the day of. Please help them out by donating items for the animals in need.

Finally, two Fridays ago was Color Wars. It was such a fun event to bring back to NPHS after the previous year without it. My favorite event was the dance off between each class, there was some serious competition there! In addition, the underclassmen created beautiful cupcakes like the sophomores creating cookie monsters. Overall the event was lots of fun for everyone and the senior class won first place in Color Wars as a whole.

Student Representative: Jasmine Muhando

Good evening everyone it's so nice to see you all again. Since the last time we've spoken the canuck sports teams have been hard at work as their seasons are coming to an end.

The boys wrestling team had their senior night last Friday where they had a match against Plainfield. Although they did not win they did their best in representing our school and they put up a great fight for their many supporters that night.

The girls Varsity Basketball team had their senior night on January 25th. Not only was it a lucky night for the seniors, but a great night for the team as a whole because they beat Manville 36-33. Kierra Adams scored the most points for her team that day making 18 baskets, and leading her team to victory.

The boys Varsity Basketball team had their senior night yesterday. They played Warren Hills. It was a very close game however with strong assistance from Tony Godwin they were able to successfully win with a five- point lead. The girls Varsity competition cheer team also had their senior night yesterday. The seniors were able to enjoy their night under the lights and cheer on the basketball team.

Lastly the winter track boys and girls team was very successful. At the Skyland Conference Edgardo Villafane placed 4th in the 400m dash and 6th in the 55m dash. Sydney Muhando became the 2018 Skyland Conference champion for the girls 55m hurdles. She came in 1st place with a personal best of 8.89. Last weekend the boys won the Group 2 Sectional Championship with an exciting one- point victory over West Side. The Canucks 4x400 relay team, consisting of Edgardo Villafane, Ryan Smith, Quinn Gilmore, and Daniel Duncan

February 7, 2018

beat the school indoor record. Also three more school indoor track records were set at the meet. Daniel Duncan placed 4th in the 400m dash and 2nd in the 55m dash breaking the school record with a time of 6.68. Edgardo Villafane came 4th in the 55m dash and placed 1st in the 400m dash breaking the school record with a time of 51.09. Lastly, Trevor Sullivan came in 3rd in the shot put and broke the indoor record with a throw of 46' 4.5 ". Along with these record breakers Brandon Smith, Rey Fowler, and Sydney Muhando will be moving on to groups in 2 weeks.

Thank you

Presentation

Mr. Taylor and Ms. Schutz presented to the Board, an overview of the district's new website. The Board expressed approval and thanks for the hard work of updating the site.

Superintendent's Report

I am pasting the link for the press release regarding the Somerset County Superintendents/High School Principals meeting that was held on January 9th to discuss vaping in school. The spirit of the conversation is not only the harm vaping can do but how we can educate the community about the dangers. We are seeking policy updates for our district as well.

SCASA Article

A December parent forum resulted in some quality feedback regarding questions the community has about our schools and programs. As a result, we have published our first FAQ document and pushed out electronically to the school community, as well as be posted on the website. In addition, we have a space for questions to be posted and we will respond monthly. A link to the first website edition is included for your review: FAQ/English & Spanish

Targeted School Update: The Somerset stakeholder team, led by Ms. Harrington and Ms. Meyer, have been meeting and solidifying plans for next steps. We have posted for extended day teachers for math assistance, as well as homework club. In addition, letters are being sent to families to register students.

In response to our internet connection being lost due to issues with the current internet provider, Data Network Solutions, Mr. Taylor worked to switch our internet to Optimum Lightpath immediately (it was scheduled for one week later). This provided the opportunity to upgrade some aging equipment and route the internet through a secure and faster router. We are now up and running with Optimum Lightpath.

The new district website is up and running and looks clean, crisp and updated! We appreciate the presentation Mr. Taylor provided to the board and welcome any feedback. We will be sending an announcement to the community this week highlighting the new website and some of the critical changes.

I am proud of the presentations delivered at the Techspo and they were both well attended. As a result, several districts have reached out to me to learn more about the work we are doing.

February 7, 2018

I met with Mr. Kushner to assess our usage of Perkins funding for our CTE program. We realized that we have club funding in excess of what was needed and would like to implement a middle school club to prepare and recruit students for our Engineering & Cisco CTE programs. The title would be Girls Who Code, as we realize there is a disproportionate representation of females in these programs. The club would be held this year and fully funded by Perkins (not LEA).

North Plainfield hosted a visit from the Somerset County Educational Specialist to look at our full-day preschool program, as well as the dual language immersion program in our Biliteracy Academy. Email from M. Stager regarding DLI.

I am proud to share that 71 families out of 130 attended the family math event held this past week as part of the Preschool Family Academy.

“Yes You Can” Grant Opportunity Overview

The New Jersey Physicians and Advisory Group received a grant from the Department of Health and Human Services in which they implemental the YES You Can..Make Smart Choices program. The program will be offered to our 9 th grade students in Health Classes. Instructors from the group will provide information during 9 teaching lessons which includes the YES You Can..Make Smart Choices! High school curriculum which were written to address the New Jersey State Educational Standards for: 2.4 Human Relationships & Sexuality, 2.1 Wellness, 2.2 Integrated Skills, 2.3 Drugs & Medicine.

The YES You Can! Curriculum is currently found in 285 New Jersey schools and in 11 other states and provides instruction in the following areas listed below:

- Ø recognize the importance of developing personal maturity
- Ø critique the elements that are necessary in order to have healthy relationships
- Ø assess the detrimental impact of alcohol and drug use on sexual decision making
- Ø analyze the emotional impact experienced with sexual activity
- Ø identify aspects of pregnancy health and fetal development
- Ø evaluate the risk of acquiring STDs and apprise their potential life impact
- Ø defend the significance of establishing personal limits
- Ø identify the elements to successfully communicate boundaries
- Ø summarize strategies necessary to move away from early sexual activity

Our goal is to join families to educate all students in making healthier decisions.

Thank you for all of your endless support for our students and staff. I feel blessed to be a part of this team and honored that you entrust me with leading the work

Recommendations from Superintendent of Schools

Personnel

It is understood that the employment of all new personnel is pending completion of the employment process.

February 7, 2018

Ms. Butler moved, seconded by Mr. Fellin and unanimously approved by roll call vote; that WHEREAS Deborah Lockley-Thompson, elementary teacher in the North Plainfield School District, has indicated that she wishes to retire effective July 1, 2018, and

Adjournment

Ms. Butler moved, seconded by Mr. Fellin and unanimously approved by roll call vote that the Board of Education will hold an Executive Session on Wednesday, February 21, 2018 at 7:45 P.M. at Watchung School for confidential matters relating to students, personnel, contract negotiations, litigation, and/or any other matter considered confidential by federal or state law. It is anticipated that Executive Session will last approximately one and a half an hour.

Mr. Butler moved, seconded by Mr. Fellin and unanimously approved to adjourn at 8:40 pm.

Respectfully submitted,

APPROVED:

Donald Sternberg
