

**Elizabethtown Area School District  
Family Engagement Compact  
Bear Creek School**

Dear Families,

We value your role in working to help your child achieve high academic standards. The following is an outline of ways we can build and maintain a partnership for supporting your child's learning.

**School's Responsibility:**

- Provide high quality curriculum and purposeful learning materials
- Provide a Learning Management System (Schoology) with identified courses to track completion of assignments and progress towards meeting academic standards
- Provide assistance in understanding academic achievement standards/assessments and how to monitor your child's progress
- Provide opportunities for ongoing communication between families and teachers through:
  - annual family-teacher conferences
  - frequent reports including the community portal/Schoology regarding your child's progress
  - opportunities to communicate with staff, volunteer, and observe classroom activities
- Provide daily opportunities for students to read independently
- Provide mini-workshops or Family Literacy Nights for Title 1 families and students

**Family's Responsibility:**

- Send your child to school regularly
- Attend family-teacher conferences and participate, when appropriate, in decisions related to your child's education
- Encourage your child to live the seven habits based on the work of Stephen Covey
- Review your child's homework, agenda, and community portal/Schoology on a regular basis
- Track your child's screen time for academic (school issued computer) and personal (home devices) use and seek an appropriate balance
- Monitor the time your child spends in extracurricular activities
- Volunteer in your child's school and classroom if time or schedule permits

**Student's Responsibility:**

**We are growing together as a safe school community where we persevere, feel loved, and love learning. Therefore, I agree to carry out the following habits to the best of my ability:**

- I am responsible for my own actions.
- I am an active learner and leader within my school and community.
- I am prepared for class and do what is asked of me.
- I complete the important things first, including my homework.
- I help others and I am not afraid to take risks or ask for help.
- I am in constant communication with my teachers and family.
