## College has started for scholars in the 6-12 Building!

### KLR Classes

With CTE courses, scholars are able to individualize their graduation requirements to align to their postsecondary goals. We have partnered with KLR to provide CTE courses where scholars will receive an industry recognized certification.

### Ivy Tech

Courses have started and scholars are very excited to begin their first 8-week classes.

Stay tuned if your scholars needs to take the Knowledge Assessment to earn their spot in a college course.

## K-5 Eagle Mart

Eagle Mart will be coming very soon! EagleMart is the store where students can spend their hard earned Dojo points. If you have anything you would like to donate to the store, stuffed animals, toys, fidgets, snacks, etc., please let Mrs. Koekenberg know! Donations would be greatly appreciated!

## Hero's Week

Scholars at the K-5 building spent the week of August 26th learning about Community Heroes. Kindergarten scholars learned about Firefighters, 1st and 5th graders learned about the police, 2nd graders learned about being a Family Physician, 4th graders learned about what social workers do and 3rd graders learned about some amazing people who started some organizations in the city to help those in need. It was great fun had by all! The week of September 23rd, we will be celebrating with the High School College GO Week. College GO Week is when Indiana Colleges open registration for Seniors to apply. Many Indiana Colleges and Universities waive the registration fee that week as well.

Scholars at the K-5 will learn about a university or College and decorate their door for the possibility of winning a classroom Popcorn Party.

## Run the Hallway!

Run the Hallway is a weekly occurrence for our K-5 building. Scholars earn the privilege of running and screaming through the hallways if they are present at school every day, on time, and stay the whole day. If you would like to join the fun, come on over to the school at 3:15pm on Fridays and you too can run the hallway with your scholar!

They cook the food over in the 6-12 building and cart it across the parking lot to serve to K-5 students hot and fresh everyday while the K-5 kitchen receives a much-needed upgrade!

Thank you, Ms. Kim, Ms. Ta'nyra, Ms. Amy, and Mr. "Wit" for taking great care of us.
