Grand Presentations:

1~Student Council is asking for a few volunteers to help cover Carnival games on at the Tailgating party on Sept. 13th from 3:30- 6:30. Gina will send out a Google Doc to sign up.
2~ Ben Kirk presented,(not necessarily asking for Booster to pay) Outstanding lunch debt. Currently the school has about \$4,500 in outstanding lunch debt. Since lunch is free, they aren't accumulating more, we just need to brainstorm ideas to get rid of what was accumulated previously. All debts must be paid to graduate for each individual.

Financial Report:

Golf Tournament - So far we raised \$15,181.56, but there are approximately 4 more teams that still need to pay. Very close to last years total, a little less than the 2022 year.

Current Balance - \$21,144.31

Sponsorship Letter - They will be ready to pass out in October - we wanted to give businesses a little break before asking for money again. We also decided to take down all of the out-dated signs where businesses haven't donated in a few years.

Bonfire -

Dj Javi is \$120 an hour, so we decided to go with that option. The other quote we got was \$1,500. Tasha will make the contact and set up deposit and book him for the night of the 12th. Stephanie will create an invite for the teams to participate in a chant. Ashlee S is securing the doughnuts, Brandi S is purchasing the cider and cups. Ben Kirk is contacting New Castle PD to make sure they are coming. Alicia B is contacting Silt PD to make sure they are coming. Jessica is confirming with the fire department, and emailing the volunteers.

River Center - There is a request for 2 food bags from Coal Ridge High School. Michelle volunteers there and is looking for a couple of back-ups just in case she can't be there to pack and deliver food bags. Wednesday mornings at 8:00 am. Stephanie Hedberg said she could fill in.

SAC - The school district is asking every school to have a School Accountability Committee. We will use Booster Club to fill this need. A few times a year, Ben Kirk will share data in our meetings. He asked what data we would like to see - State Tests, data collected inside the classrooms, etc.

Bylaws and Scholarship revisions - We changed the wording in the bylaws per the Aug. 6th meeting in Section II, part B (eliminated) and we changed the wording in the scholarship to eliminate "1 boy and 1 girl"

Concessions - Brandi will be gone on September 26th and 28th concessions and asked for help. Ashlee S. and Stephanie will cover the 26th and Jessica and Ashlee T will cover the 28th.
