

Youth Risk Behavior Survey (YRBS)

SCHOOL DISTRICT OF MARSHFIELD

2021

ABOUT THE YRBS

- ▶ The YRBS is administered every two years throughout the nation.
- ▶ The survey is anonymous.
- ▶ All responses are “self-reported.”
- ▶ Parents are sent information about the YRBS before each administration.
 - ▶ Survey uses passive consent – Parents can ask that their student NOT participate.
 - ▶ Parents can view the questions on the School District of Marshfield Website.
 - ▶ Students can also opt out of the survey.

ABOUT THE 2021 DATA

- ▶ Marshfield Middle School Grades 7 and 8 participants = 512 (83%)
- ▶ Marshfield High School Grades 9 through 12 participants = 1015 (83%)
- ▶ Data presented is from the YRBS given in October 2021.
- ▶ All data is shown as PERCENTAGES.
- ▶ Middle School and High School staff received a brief/basic YRBS presentation this fall.
- ▶ The 2019 Board Presentation and the posted YRBS information was a combination of School District of Marshfield and Columbus.
- ▶ This 2021 YRBS presentation is School District of Marshfield only data.

COMPARISONS

- ▶ 2019 Data for MMS is only 8th Grade – 2021 is 7th and 8th Grade.
- ▶ Wood County data is available at the HS level only.
- ▶ Wisconsin data was provided in a different format – only directly comparable data shown.
- ▶ National data is anticipated in late fall 2022.
- ▶ We receive cleaned and weighted data – not raw data.
