

Career Center Bus Information

Our Career Center bus is Bus #4 or Orange bus. We arrive at the High School parking lot at 7:15 and depart from the High school at 7:20 sharp. Our Career Center bus is always the last bus in line behind the High School & Middle School. If your child lives in a bussing zone for RHS your child may ride their regular route bus to the High School and transfer onto the Career Center Bus in the morning. Rittman's bus is always located at the end of the bus line at the Career Center in the afternoons. Afternoon drop off locations are as follows: Corner of Hawk ridge & Windswept, Strawberry Hill & Windswept, Bike path located on Main St., Rittman Auto Parts Store on Main St., Corner of Main & College, Corner of Main & Home St., and Rittman High School parking lot behind the High School. Transportation for students runs every day that the Career Center is in session. If Rittman School's is not in session, then it is the child's responsibility to find transportation to the High School if the Career Center is in session that day. Afternoon transportation will not be affected if Rittman Schools are not in session. These stops can change year to year. We try to make it as convenient and safe for your child as we possibly can. If you have any questions or concerns please contact the Transportation Dept. at 330-927-7413.
