Mueller Elementary offers a variety of opportunities for students to cultivate their unique talents and interests. The recently renovated and reimagined library provides opportunities for students to engage in technology projects, makerspace, and literacy activities. Mueller has an active PTO that collaborates with the school to best serve the needs of students, families, and teachers. With a focus on relationships, we will inspire and celebrate the growth of EVERY learner!

At Mueller Elementary, we love our stars! We believe with a focus on relationships, we will inspire and celebrate the growth of EVERY learner. We partner with our families and work together to create a positive, encouraging, and enriching learning environment for each child. Our Mueller Family deeply cares about our mission to serve. We call ourselves a Mueller Family because of the care and commitment we have to each person who is in our "house". We want our families to feel welcomed, valued, and a part of the learning experience for the child.

We are also a campus that truly believes in personalizing the learning for each student and setting high academic standards. We empower students to goal set and take ownership of their learning. We encourage student interests and work to create student leaders. As the hosts of our student-led announcements always say, "Mueller, where every star shines!"

STUDENT

PROGRAM HIGHLIGHT PERSONALIZED LEARNING

Mueller Elementary is focused on providing a positive, academic-rich learning experience. Teachers focus on high-quality instruction through the use of personalized pathways, peer collaboration, and extension lessons when academic content has been mastered.

Selected as a Personalized Learning Campus in 2020, individual student learning needs are targeted through pathways designed to reach every student as they progress through state standards and beyond. Additionally, Mueller has received grants to purchase equipment for an accessible playground as well as Action Based Learning Labs.

CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.
