At Kuehnle Elementary, our goal is to provide intentional instruction through personalized learning and innovation. We strive for educational excellence, nurturing Klein ISD's Promise2Purpose by cultivating talent through personalized and ongoing campus professional development. We are a collaborative community focused on building relationships and shaping character through communication and feedback with a servant's heart. Our library has been transformed into a collaborative space where students engage in STEM activities through MakerSpace.

Mascot: Koalas

Welcome to Kuehnle Elementary!

Ms. Jennifer Elbert
Principal
jelbert1@kleinisd.net

I am truly honored to serve as the Principal of Kuehnle Elementary and to be a part of this incredible school community. My professional journey has been rooted in the Klein Family, where I have had the privilege of working as a teacher, literacy specialist, and assistant principal at Hassler, Fox, and Northampton Elementary Schools.

I am excited to bring my extensive experience as an educator to Kuehnle's students, families, and staff. As a student-focused leader, I am committed to collaborating for the greater good of our learners and ensuring exceptional educational experiences for every student.

Kuehnle has a tradition of excellence in academics and beyond, and I look forward to working alongside you, our dedicated staff, and the entire school community to continue to build upon our strong foundation of success. Together, we will inspire our students to become lifelong learners and foster a culture grounded in positive relationships and collaboration.

I am so thankful for your support as we work together to develop the promise in every student as they find their purpose. I am thrilled about everything that we are going to achieve together!

Koalas are saying...

At Kuehnle Elementary you truly feel like you are part of a family. The teachers and staff know your child by name and give them personalized attention to ensure their success! I love Kuehnle Elementary because of their dedication to making learning a priority while also finding time for FUN. My students come home with the best stories everyday!

PARENT

One reason why I love working at Kuehnle is because every staff member is working towards the same objective - for the children to achieve their goals and grow in more ways than just education. On top of that, every person within this school is there for each other to provide help in any way possible.

TEACHER

I like Kuehnle because we have great teachers. We make a lot of friends. Teachers help us reach our goals.

STUDENT

PROGRAM HIGHLIGHT PERSONALIZED LEARNING

Kuehnle Elementary is recognized as a Personalized Learning Model Campus. Kuehnle Elementary is committed to innovation and high-quality teaching by implementing personalized learning through instruction and learning environments.

Personalized learning seeks to accelerate student learning by tailoring the instructional environment—what, when, how and where students learn—to address the individual needs, skills and interests of each student. Students can take ownership of their own learning, while also developing deep, personal connections with each other, their teachers and other adults. As a result of the efforts in strong data collection and analysis, student goal setting, and student discourse, Kuehnle is incorporating an advanced level of student ownership because the essential foundations of personalized learning have been laid.

CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.
