OBJECTIVES OF CONTINUATION EDUCATION

Continuation education is designed to meet the unique needs of the student who has been unsuccessful in previous educational settings.

In 1995, the California Department of Education stated that the objectives of Continuation Education programs should help each student to:

- ✓ Acquire a high school diploma
- ✓ Transfer to an institution of higher learning
- ✓ Become a productive person through vocational preparation and acquire entry-level job skills
- ✓ Develop feelings of self-worth, self-confidence, and personal satisfaction
- ✓ Develop a sense of responsibility
- ✓ Develop a tolerance and understanding of a variety of viewpoints and cultural contexts
- ✓ Engage in meaningful recreational and leisure time activities
- ✓ Understand and obey laws, and participate in constructive civic and community activities
- ✓ Understand and practice sound money management and become an intelligent consumer

Continuation education programs have been established according to legal requirements outlined in various codes, including the *California Education Code* and the *California Code of Regulations, Title 5, Education; School Interventions and Educational Options Unit of the Youth, Adult, and Alternative Educational Services Division, California Department of Education, 1995*.

ADMISSION/REFERRAL SCREENING CRITERIA

Students are usually referred to the SBCOE Alt Ed schools by Hollister High School and Hollister School District. Students may be qualified by meeting one of the following criteria making them eligible for enrollment.

- Expelled from a county school district
- Referred by a district as a result of student attendance or behavior
- Referral from probation
- Parents request

ACADEMICS

Registration

All students must enroll with their district of residence (SBHS/HSD). At the time of registration the following documents must be presented:

- Proof of residency within their District.
- Copy of parental custody agreement if the student is only living with one legal parent.
- Immunization Record
- If the student is living with someone other than a parent, court legal guardianship papers or "Caregiver's Form" are necessary. A note from a legal parent is not sufficient.
- Withdrawal papers and transcript from the previous school. Students coming from schools outside of California must meet California State requirements for graduation.

NOTE: ALL STUDENTS ARE REQUIRED TO HAVE A CURRENT EMERGENCY CARD ON FILE WITH THE SANTA ANA/SAN ANDREAS/PINNACLES SCHOOL OFFICE.

Graduation Requirements for 2023-2024

To graduate, students must complete the required 190 credits in the following subjects:

Subject Area	Requirements	Credits Needed

Each course allows for 2.5 credits to be earned each quarter. The minimum requirements for graduation from San Andreas High School include completion of 190 credits (see above), including completion of Algebra 1 (or equivalent).

Remediation Classes may be required for students with low achievement or below proficient scores on testing, so do your best on all testing.

CREDIT EXPECTATIONS

Students are able to complete up to 20+ credits each quarter. This is the equivalent of approximately 25 to 30 hours of schoolwork per week. To meet graduation requirements, it is imperative that students earn maximum credits to ensure a timely graduation.

SCHEDULE CHANGES

Students may receive a schedule change for the following reasons: improper student placement, computer error, credit previously received for the class, prerequisites not met, teacher request, and balancing class size. **Schedule changes require administrator approval.**

GRADES AND REPORT CARDS

Grades are reported several times throughout the year. Progress reports are mailed home mid-term and will report the students' grades in each course along with attendance data and teacher comments. While mid-term progress reports are posted on report cards and mailed home to parents, these grades are not posted to the students' transcripts and are not used in determining graduation requirements.

Quarter grades are posted to the student's transcript and will determine satisfactory completion of graduation requirements.

GRADING CALENDAR

- 1st Quarter ends October 11, 2024
- 2nd Quarter ends December 20, 2024
- 3rd Quarter ends March 21, 2025
- 4th Quarter ends June 4, 2025

NOTE: Seniors must have all work turned in one week before the ceremony in order to walk in graduation. Report cards are mailed home at the end of each quarter.

INDEPENDENT STUDY

A limited number of students may participate in the Long Term Independent Study program. All students have assistance with a personal learning plan to prepare them to meet their academic, personal, and school-to-career goals.

Students must be highly motivated, self-disciplined, and have the ability to read and comprehend at grade level and be able to learn independently. There are specific requirements for participating in the program and if the student is unable to accomplish these requirements, then a re-engagement plan will go into effect to support the student. If the student still is not able to complete the requirements, the student may be removed from the Independent Studies program.

Students wishing to participate must complete an application, including parent signature. Once received, a mandatory meeting with the school principal and/or academic counselor will be scheduled to discuss the application. Parents will be notified if the student has been accepted into the program once the application has been processed.

TRANSFER OF CREDITS

Credits from other accredited schools will be applied to graduation requirements to the greatest extent possible. Final determination of transfer credit will be determined by the Principal.

GRADUATION CEREMONY

In order to be eligible to participate in the graduation/promotion ceremony, students must complete all required academic courses, have a signed graduation plan on file with the school. Students on a site level contract must complete all terms of the contract prior to participating in any graduation activities. Students must also maintain a minimum of 80% attendance with no major discipline issues in order to participate in graduation/ promotion activities.

RETURN TO HOLLISTER HIGH SCHOOL

If a student wishes to return to Hollister High School, a transfer may only take place at the semester breaks. All students interested in returning to HHS must complete a re-entry contract and meet all requirements.

HHS requires that candidates interested in returning to their campus meet the following requirements:

1. Complete **at least one semester** in SBCOE Alt. Ed programs, not just two quarters.
2. Demonstrate academic achievement by passing **ALL classes with a grade of “C” or better.**
3. Prove acceptable behavior with **no more than two minor referrals, no serious or major referrals, and no suspensions in the previous semester.**
4. Attendance rate must be acceptable by school administration **Please note: Three tardies more than 30 minutes is considered one unexcused absence.**

Please schedule a meeting with your counselor for a re-entry contract to return to Hollister High School. A re-entry contract must be filled out and submitted **at least one month** prior to any desired change of school.

ACADEMIC INTEGRITY & PLAGIARISM

Students are expected to conduct themselves honestly and with integrity in their work. All forms of cheating, plagiarism, or fabrication are prohibited. Behavior that is unacceptable includes, but is not limited to:

- Copying another student's work
- Working with others on projects that are meant to be done individually
- Looking at or copying another student's test or quiz answers
- Allowing another student to look at or copy answers from your work, test or quiz
- Using any other method to get/give test or quiz answers
- Taking a test in part or in whole to use or to give others
- Copying information from a source without proper attribution

Copy and Paste answers from internet any other sources

- Taking papers from other students, publications, or the Internet. Violators of this policy will be disciplined on a case-by-case basis depending on the seriousness of the violation, prior violations, and other factors. Disciplinary measures include, but are not limited to, redoing the assignment/retaking the test, receiving a failing grade on the project/test and/or receiving a lower grade in the class.

EXCUSE FROM INSTRUCTION DUE TO RELIGIOUS BELIEF

Whenever any part of the instruction in health or family life education conflicts with a parent's religious training and beliefs or personal moral conviction, or those of a student, the student shall be excused from that portion of instruction upon the parent's written request. (EC Sec. 51240)

PHYSICALLY UNABLE TO PARTICIPATE IN PE

If a student is temporarily physically unable to participate in a physical education course, a parent may write a note excusing the student from participation for a period of three consecutive days. For more than three consecutive days of non-participation, a note from a physician must be provided. The student's grade will not be negatively affected by an extended period of non-participation verified by a physician. The teacher will come up with alternate course requirements to substitute for the period of non-participation.

FOOD SERVICES

A complete breakfast and lunch is served each day. Breakfast is served during brunch mid-morning. Brunch and lunch are provided for free for all students. Additional items are also offered for sale. Information for free or reduced snack and lunch is available from the office.

COUNSELING

Santa Ana, San Andreas, and Pinnacles have an on-site academic counselor and two social/emotional counselors on campus, as well as a staff social worker. Questions or planning about academic progress or support, as well as social or emotional issues should be brought to the attention of the counselor. Additional support can be provided through counselor referral to outside agencies. Please see the counseling office for additional help.

STUDENTS WITH DISABILITIES

If a parent has reason to believe that their student has a disability that requires special services or accommodations, they should bring this to the attention of the school administration. The student may be evaluated to determine whether he/she is eligible for special instruction or services. (EC Sec. 56020, et seq.)

HEALTH SERVICES

Students wishing to leave school due to illness must check out through the office.

District policy requires that every student have a parent-signed Emergency Card on file. Students will only be released to those adults listed on the Emergency Card. The Emergency Card must be updated every school year by the parents.

A doctor's prescription and a parent note are required for students to take any medication at school or for school officials to hold medication in the front office for student use. The required form is available in the office. State law prevents students from carrying medication at school. Please check with the office for the policy.

Students are to bring notes for excuses from Physical Education to the PE teacher. Doctor's notes to excuse students from PE must be forwarded by the teacher to the school office. Staff will excuse a student from PE a maximum of three days with a parent note.

California State Law requires that an up to date immunization record be on file with the Office. Students without immunization records on file may not attend class.

LOST AND FOUND

Lost articles found by someone do not legally belong to the finder. Students finding lost articles are expected to bring them to the office. Clothing and items not claimed within the school year may be disposed of or donated to charity. Your personal items are not the responsibility of the school and the district assumes no liability for lost, stolen, or misplaced items.

EMERGENCY CONTACTS / STUDENT INFORMATION

Information regarding students will only be released to parents/guardians listed on the Emergency Card. Non-custodial parents not on the Emergency Card will be given information once the relationship can be confirmed. Students will be released to persons listed on the emergency card after attempts

have been made to contact the parent/guardian. Any court orders preventing contact with a student must be provided to the office. Students cannot be released to anyone not on the emergency contact card.

STUDENT RECORDS/TRANSCRIPTS

Access to student records can be coordinated through the Main Office. Transcripts are available for a nominal fee of \$5 and can be mailed or picked up from the Office. Contact the office for an application. Please allow two to three business days to process a transcript request.

TEXTBOOKS / INSTRUCTIONAL TECHNOLOGY DEVICES

Students are issued all required textbooks and supplemental technology devices free of charge through the school. It is the student's responsibility to return the same book/device at the completion of the course/year in as good a condition as possible, less normal "wear and tear." Should a textbook/device be lost, stolen, misplaced, or damaged beyond normal use, it is the student's responsibility to pay for a replacement (see technology contract for devices). When textbooks are found and returned to the school, the cost of the replacement is refunded. Parents can request to be put on a payment plan to replace lost or stolen textbooks. The school will issue a new book(s) prior to the parent/student replacing the lost/stolen book.

WORK PERMITS

Students must have a work permit to legally work (including summer jobs) in the community. The minimum age for employment in the state of California is 15 years old.

Students must have a GPA of 2.0 or better, no more than two major referrals, maintain 80% attendance rate in order to obtain a valid work permit. Administrator holds the right to modify the existing terms and conditions as needed.

Work permits are subject to revocation based on poor attendance, credit earning, or disciplinary issues.

Labor laws require that the work permit must be revoked when the issuing authority determines that the employment impairs the education of the student.

Student work permit applications are available from the Administrator.

ATTENDANCE POLICY

Maintaining no less than 80% attendance is a critical factor in achieving academic success and is also an important component of responsibility with respect to post high school endeavors. *Pursuant to California Education Code, it is the duty of each parent, guardian, or person having control or custody of a minor, to compel and guarantee regular and prompt attendance to class. Absences from school should be avoided except in the case of emergency and illness. Each absence must be verified by the parent/guardian on the day of the absence or the day after an absence. Such an excuse must be dated and state the exact days and/or periods the student was absent as well as the reason for the absence. Students should report to the attendance office prior to school on the day they return to school. Parents may call the attendance office in lieu of delivering a note.*

- Verification must be made by calling the Office: (831) 637-9269, the day of the absence or by bringing a signed note upon return to school explaining the absence with a phone number to verify the

absence.

- Absences not cleared within 48 school hours (full day of period absences) are considered unexcused or truant and subject to possible disciplinary action.

If a student is absent due to illness or doctor/dental more than 10% to date or the total days of the school year, or more than 3 consecutive days, The student must provide a doctor's verification for each additional absence. Failure to provide verification from a doctor or school nurse may result in additional absences being recorded as unexcused.

1. Automated phone calls will be made daily per class for unverified absences.
2. Students must call home from the school office and then obtain an off campus slip prior to leaving campus. Parents must come into the office to sign their students out. In accordance with California Education Code the following are the only excused absences:
 - Illness verified by parent/guardian
 - Quarantine under the direction of a county or city health officer
 - Medical, dental, optometrist, or chiropractic appointment
 - Attendance at funeral services for a member of the immediate family. Immediate family shall be defined as mother, father, grandmother, grandfather, brother, sister, or any relative living in the student's immediate household.
 - Jury duty in the manner provided by law, or an appearance in court.
 - Observance of a holiday, religious ceremony or retreat.
 - All other reasons for an absence are considered, unexcused even if verified by a parent/guardian.

SART: Students that have more than three absences will be referred to the schools' SART (Student Attendance Review Team). Students may be placed on an attendance contract or referred to various supports depending on the reasons for the unexcused absences.

A student is allowed three unexcused absences prior to being considered truant. Any unexcused absences after three are considered trancies and the school will initiate the Student Attendance Review Board (SARB) process. Student attendance records are available on the AERIES Parent Portal, and the auto dialer will call home each day if there is any period or all-day absence. Attendance data will appear on student report cards.

ATTENDANCE AND SCHOOL WORK

All absences require the student to make up class work missed while absent. It is the responsibility of the student to obtain missed work from their teacher(s).

Students who miss school work because of an excused absence shall be given the opportunity to complete all assignments and tests that can be reasonably provided. As determined by the teacher, the assignments and tests shall be reasonably equivalent to, but not necessarily identical to, the assignments and tests missed during the absence. Students shall receive full credit for work satisfactorily completed within a reasonable period of time. (EC 48205) .

Teachers may reduce a student's grade if a student misses class without an excuse and does not subsequently turn in classwork, take a test, or fulfill another class requirement that the student missed, the teacher may lower the student's grade for nonperformance.

Teachers are NOT required to give the same assignment or test as was given on the day of the absence. Teachers are NOT required to accept work that was due on the day of an absence, but must provide an alternative assignment if original work is denied. Phone requests for work may only be made after a student has been absent 3 days. **A minimum of 24 hours is necessary to obtain missed work from the student's teachers.**

EXCUSED AND UNEXCUSED ABSENCES -

The California Administrative Code Title V allows the following excused absences: illness; quarantine; medical/dental/optometric services; funeral services for an immediate family member; and religious instruction. Excessive use of unacceptable tardy reasons such as oversleeping, car trouble, babysitting, needed at home, etc. may be considered as truancy/unexcused. Please ask your doctor for a note or receipt to give to the office if the student misses school for a medical appointment.

Unexcused absences include:

- Those authorized by the parent but not by the State of California
- Family trips taken during the established school year
- Tardy to class in excess of 30 minutes

TARDIES

If a student is not in his/her seat prepared to work will receive a tardy. The only excused tardies are a note from a doctor or proof of a court appearance. For the purposes of classroom attendance purposes, three tardies are considered equal to an absence.

ATTENDANCE ERRORS

In the event that a student is marked absent in error, the student must obtain a hall pass with the teacher to the main office. This matter must be verified and cleared by the attendance clerk.

AUTOMATED PHONE NOTIFICATION SYSTEM

An automated system is used by all schools in our district. This system will notify parents/guardians of any student not present during any period. Please make sure we have a current phone number. The system may call more than one number by your request. If you receive a call from the automated system and your student was at school, please contact the school as soon as possible, so the error can be fixed. Because we are a small campus we also attempt to make personal phone calls daily.

CLEARING ABSENCES

It is the parent/guardian's responsibility to clear absences with the Office. A parent or guardian should call the Office for any absence as soon as possible or the student must bring a note from their parent upon returning to school. Calls may be made at any time, 24 hours a day, seven days a week by phoning (831) 637-9269. Please note, a call must be made for each day a student is absent. When calling in or submitting a written excuse, please include:

1. Student's name
2. Date(s) and/or period(s) of absence
3. Specific reason for absence
4. Daytime phone number of parent/guardian
5. Parent/guardian signature on notes

ILLNESS WHILE AT SCHOOL

Students who become ill during the school day should ask the teacher for a pass to the office. Students are never to leave campus without obtaining permission from the office. Leaving without permission will result in a cut. For students with recurrent or chronic illness, please contact the counselor for support.

LEAVING CAMPUS BEFORE THE END OF THE SCHOOL DAY

Parents/Guardians will be asked to show a picture ID when checking a student out of school. **Written permission must be on file from the student's parent/legal guardian, for any other adult to be able to pick up a student. All students must be signed out in the office before leaving campus.**

Students are not allowed to leave campus without guardian supervision once they arrive at school.

ADDRESS / PHONE NUMBER CHANGE

In order for the school to keep parents/guardians informed and to ensure that contact can be made quickly if necessary, it is imperative that the attendance office be informed of any change of address or phone number (home and work) as well as emergency contact information.

MESSAGES / DELIVERIES TO STUDENTS DURING SCHOOL HOURS

To minimize classroom interruptions, we will NOT accept outside deliveries, (messages, gifts, food, balloons, flowers, etc.). Personal messages cannot be delivered to students during class time. Emergency calls and messages may be made to the office at (831) 637-9269.

AUTOMATED HOME CALLER (SELECTED OUTGOING CALLS)

The automated home caller is used as an "all-call" as a reminder of events or when special information needs to be disseminated to the homes of all students. Examples include: special testing, Back-to-School Night, and other important events or deadlines.

COMMUNICATION-COMPUTER USE POLICY

As part of the registration process, students agree to a "Technology Use Policy." Use of computers is a privilege and may be withdrawn or revoked for violation of district policies.

COMMUNICATION-PRIVACY LAW

California Education Code states that no information regarding a minor may be given to anyone without the written permission of the parent/guardian.

STUDENT CONDUCT & DISCIPLINE

Part of the mission of San Andreas High School, Santa Ana Opportunity School, and Pinnacles Court School is to provide a positive and respectful atmosphere for student learning. Students are expected to adhere to all school policies and educational codes. **Students suspended for any reason must participate in a reentry meeting conducted by the school administration. Parents/Guardians, and students must attend a re-entry meeting prior to returning to school from a suspension.**

Any student suspected of violating Education Codes or are on Behavior Improvement Plans are subject to search by school administration.

RESPECT is the number one rule. Respect yourself, others, teachers, staff, and property and you will likely never have any corrective discipline.

PBIS PHILOSOPHY AND PROGRESSIVE INTERVENTION POLICY

San Benito County Office of Education (SBCOE) has adopted a Positive Behavior Intervention and Support (PBIS) approach to school behavior and correction. PBIS is different from traditional discipline models in which students are expected to know how to behave and receive consequences for failing to behave correctly. PBIS encourages staff to ensure students are aware of expectations by modeling desired behavior and providing reinforcements: reminding, correcting, and celebrating positive behavior until it becomes the "norm" across campus.

The goal of the progressive intervention policy is to enable each individual student (as well as all students collectively) to learn and experience school in a manner that allows all students to have success while enrolled with us, and eventually at college, in a career, or in our community.

The Intervention policy is designed to provide all students the opportunity to develop positive self-control, self-direction, self-understanding and self-worth. Conduct that is counterproductive to an individual's learning or self-development, that is detrimental or unsafe to another's person or property, or that violates the law, policies, or commonly accepted standards will not be tolerated.

The Education Code: 48900, for the State of California lists specific activities subject to administrative action (including suspension and expulsion):

- Caused, attempted to cause, or threatening to cause physical injury to another person
- Willfully using force or violence upon another person
- Possessing, furnishing, or selling a dangerous object or brandishing a knife
- Possessing, using, furnishing, selling, or being under the influence of a controlled substance
- Offering, arranging, or negotiating to sell or buy any controlled substance, or furnishing any other substance represented to be a controlled substance

- Committing robbery or extortion
- Causing or attempting to cause damage to school or private property
- Stealing or attempting to steal school or private property
- Possessing, furnishing, or using tobacco
- Committing an obscene act or engaging in habitual profanity or vulgarity
- Possessing, offering, arranging, or negotiating to sell or buy any drug paraphernalia
- Disrupting school activities or willfully defying the valid authority of school personnel
- Knowingly receiving stolen school property or private property
- Possessing an imitation firearm
- Committing or attempted to commit a sexual assault
- Engaging in hazing
- Harassing, threatening or intimidating directed against school district personnel or pupils

A pupil may be suspended or expelled for any of the above acts which occur at any time, including, but not limited to, any of the following: while on any school grounds; while going to or coming from school; during, or while going to or coming from a school sponsored activity.

Additionally, School Board Policies, site policies, and administrative regulations prohibit the following behaviors:

- Students who defy directives or refuse to cooperate with members of the school staff.
- Possessing mace, pepper spray, any weapon, or replica of a weapon.
- Using profanity and/or obscenities in class, on campus or in conversation with members of the staff.
- Intimidating, threatening, sexually harassing, or bullying (including cyber bullying) students or staff.
- Ridiculing or attempting to cause embarrassment to students or staff
- Cheating or plagiarism on school work, exams, quizzes or tests.
- Going on any public school campus (**including Hollister High School**) without prior permission of the administration during school hours of 7:30 am to 4:30 pm.

CLASSROOM SUSPENSION

In cases where student misbehavior disrupts the educational process, the teacher may suspend the student from class on the day of the offense and the next day. Parents/Guardians will be contacted by the teacher to discuss the behavior and suspension [EC 48910].

POLICE INVOLVEMENT

School officials are not required to initiate or complete due-process procedures prior to notifying police/sheriff authorities. If police authorities are notified, a reasonable attempt will be made by the administration to contact parent(s)/guardian(s) by either telephone or mail. Any action taken by the law enforcement authorities will be in addition to action taken by the school.

SMOKING/VAPING

The State of California prohibits smoking/vaping, of tobacco/cannabis, tobacco/cannabis products, or paraphernalia on school property by persons of any age, even if said products are legally allowable by persons off-campus. This prohibition includes parking areas and all school owned property. In addition, students and visitors are not allowed to smoke/vape or use these products at any school

sponsored events. Students found smoking/vaping or in possession of tobacco or cannabis products (including e-cigs, vape pens, or other electronic products) will be subject to disciplinary action and may be referred to law enforcement officials for prosecution.

STUDENT SEXUAL HARASSMENT

It is the intent of the San Benito County Office of Education to provide an educational environment for all individuals free of sexual harassment which can cause embarrassment, feelings of powerlessness, loss of self- confidence, reduced ability to perform school work, and increased absenteeism or tardiness. The Board of Trustees shall not tolerate the sexual harassment of any student by any other student or any district employee. Students who are found to have violated Board Policy regarding Sexual Harassment will be subject to the appropriate disciplinary action under Education Code 48900 and 48915, Suspension and Expulsion. Pursuant to Board Policy students may be suspended or expelled for sexual harassment. The full Board of Trustees policy regarding sexual harassment can be obtained from the County Office of Education.

REPEATED BEHAVIOR

Should a student accumulate in any one school year 3 or more administrative discipline actions or 5 or more suspension days for any series of attendance or discipline related misbehavior, he or she and parents will be required to attend a School Site Administrative Hearing. This Hearing will determine if the repeated misbehavior warrants a behavior contract, District Level Expulsion Hearing, or a transfer to another program.

Students are encouraged to make use of all available staff, programs and resources.

Remember, we are here to assist YOU!

CLOSED CAMPUS

Santa Ana, San Andreas High School and Pinnacles Community School are a CLOSED CAMPUS. Students are not permitted to leave campus once they arrive on school property. Repeated violations will require a re-entry meeting with administration that must be attended by parent and student. Students will then be subject to the school's progressive intervention plan.

If a student must leave campus prior to the end of the school day, Parent/Guardian is required to come to campus and check their student out. .

SEARCH AND SEIZURE

As necessary to protect the health, safety and welfare of students and staff, school officials may search students, their property and/or district property under their control, and may seize illegal, unsafe and prohibited items. The Governing Board requires that discretion, good judgment and common sense should be exercised in all cases of search and seizure. Confiscated items may not be returned.

CELLULAR PHONE/ELECTRONIC DEVICES

Students will silence their cell phone at the beginning of each class. If a student uses their cell phone during class, this will be considered a policy violation.

First offense: Teacher warning

Second Offense: Students will be sent to the main office with a hall pass . Students will be greeted at the front office by personnel. Administration will confiscate the phone for the remainder of the day.

Third Offense: Students will be sent to the main office with a hall pass. Administration will confiscate

the phone. Parents must pick up the phone from the front office.

Fourth Offense: Administration will conduct a parent meeting. Students will be placed on a cell phone contract, Students will not possess phones during school hours for a period of time to be determined by administration.

Note:*The school is not responsible for lost or stolen student-owned electronic devices.*

USE OF DRUG-DETECTION DOGS

In an effort to keep the schools free of drugs, the administration may use specially trained non-aggressive dogs to sniff out and alert staff to the presence of substances prohibited by law or Board policy. The dogs may sniff the air around lockers, desks, or vehicles on district property or at district-sponsored events.

ATTENDANCE AND ACTIVITIES

Students who do not maintain regular attendance (unexcused or unverified absences) may not be able to take part in traditional school activities such as extracurricular activities, performances, dances, field trips, etc.

Absences not counted against attendance:

- Illness verified by a health care provider within 10 days of absence
- Quarantine verified by health official
- Subpoena/jury duty verified by government official
- Funeral of an immediate family member

TRUANCY

Student Attendance Review Board - The purpose of the SARB process is to work collaboratively and recommend alternative solutions to alleviate circumstances that contribute to specific truancy, attendance, or behavior problems. The district SARB board is made up of representatives from the school district, law enforcement, social services, probation, mental health, and the district attorney's office. The Counseling Office will make student referrals to SARB with input from teachers, interventionists, and other staff members. Only students under the age of 18 may be referred to SARB. Failure to correct truancy following a SARB hearing may result in a referral to the District Attorney's Office.

CARE OF SCHOOL PROPERTY

Students are expected to respect school property. Parents or guardians are liable for all the damages caused by the willful misconduct of their minor children that result in death or injury to other students, school personnel, or school property. Parents are also liable for any school property loaned to the student and willfully not returned. (EC Sec. 48904). The school district may withhold grades, diplomas, or transcripts of the student responsible until such damages are paid, the property returned, or until completion of a voluntary work program in lieu of payment of fines. (EC Sec. 48904, Civil Code Sec. 1714.1). Students are financially responsible for all equipment checked out to him/her. The student will not be cleared for the next activity until all equipment has been turned in. Credit will be issued on items turned in only if they are the ones checked out to the student.

BULLYING: Bullying is defined as aggressive behavior that is intentional and that involves an imbalance of power.

Types of Bullying:

Bullying can take on many forms including:

1. Verbal bullying including derogatory comments and bad names
