ANNOUNCEMENTS

Twenty three years ago....On September 11th, 2001, the world witnessed a horrific act of terrorism when two planes were flown into the Twin Towers of the World Trade Center in New York City. A third plane crashed into the Pentagon in Washington, D.C., and a fourth plane crashed into a field in Pennsylvania after passengers fought back against the hijackers.

Nearly 3,000 lives were lost that day, including firefighters, police officers, paramedics, and countless civilians. The attacks had a profound impact on our nation and the world.

So today, as we recall this tragedy in American History, let us remember all those who were lost and/or gave their lives to save others. Thank you.

Are you interested in joining a club at Midland High School? Would you like to learn more about the clubs that MHS has to offer? On Thursday, September 12, there will be a Club Fair in Eyeball Alley during both lunches. Plan to stay on campus for lunch that day and learning more about how you can become more involved at MHS. If you are currently a member of an MHS Club, we invite you to help recognize the club fair by wearing your favorite MHS club, organization, or team spirit wear.
