Cougars are saying...

Thank you for all you do for our students, you go over and beyond for their success!

PARENT

I love getting to know the families and serving them. The neatest thing has been teaching siblings throughout the years, and building a relationship with their families

TEACHER

I feel so welcomed here at school. The counselors are super nice and the teachers care. When I get an answer wrong, my teachers show how much they care by reteaching so I can be successful.

5TH GRADER

PROGRAM HIGHLIGHT

Klein ISD's Two-Way Dual Language Pathway is a biliteracy program that integrates native Spanish speakers and native English speakers through literacy in Math, Reading, Language Arts, Science, and Social Studies. Beginning in Kindergarten and continuing through 5th grade, all core subjects are taught 50% in Spanish and 50% in English. Our program's mission is to develop bilingual, biliterate, and socioculturally competent learners.

Klein ISD also hosts Klein ISD's Vietnamese Dual Language Program.

CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.
