## ROCK THE STREET

Hi Students! We have an exciting program this year aimed at inspiring young women! Rock The Street, Wall Street is a financial and investment literacy program designed to spark the interest of a diverse population of high school female identifying or non-binary students interested in careers in finance. The yearlong academic program is facilitated 100% by local female financial professionals and offers the following 4 components: Financial & Investment Literacy Workshops, a “Wall Street Experience” Field Trip,

Mentoring, and a new Scholarship, Internship, and Job Board. Students learn about savings and investments through hands-on financial projects. They will also create resumes, build a LinkedIn profile, and apply business skills to real world situations. The goal is to create a society where women are financially literate, independent and equally represented in the field of finance. Want to learn more on how to join this program? Please contact Dr. Ames in the Counseling Suite or complete the link at the QR Code.
