As a Wolfpack we will...

- value each other as unique and special individuals.
- not laugh at or make fun of a person's mistakes nor use sarcasm or put-downs.
- use good manners, saying "please," "thank you," and "excuse me" and allow others to go first.
- cheer each other to success.
- help one another whenever possible.
- recognize every effort and applaud it.
- encourage each other to do our best.
- practice virtuous living, using the Life Principles.

We are one of two schools in Klein ISD that is a model Great Expectations campus. Great Expectations is a character development program to build students' character and advance their academics. This program helps our students achieve excellence in living and learning! The Kreinhop Krescendos (our student choir) and PULSE (our student instrument ensemble) perform each year at the Children's Music Festival and have brought home numerous awards for their performances there.

I am so excited and honored to lead the Wolfpack! Kreinhop has been my home since 2014, and the students, staff, parents, and community members are so close to my heart. I began my education in Klein ISD, attended Texas A&M University for my Bachelor's Degree, and later Sam Houston University for my Master's Degree. I began teaching in Klein at Benignus Elementary where I spent eight years, and then I moved to Kreinhop as the Assistant Principal for four years. I wholeheartedly believe in our district, our schools, and our shared vision. Every student enters our doors with a promise and will exit with a purpose! My husband, Charlie, and I have a daughter Avery, and a son, Caleb. Watching our children explore the world around them, grow, and learn is our favorite thing to do! They keep us very busy and constantly laughing. We also enjoy spending time with our families and friends.

The Wolfpack is saying...

Kreinhop is truly a wonderful school! The teachers, administrators, and entire staff are all so amazing, caring, and committed. We absolutely love Kreinhop and are so happy to be a part of the Wolfpack!

PARENT

Our students love Kreinhop, and they know their teachers love them. Students know they can take risks and get help, and they know their teachers will support and push them to meet their potential.

TEACHER

Kreinhop has the most awesome school community! The teachers and all of the staff are so helpful to the students and ensure we are learning! You'll want to attend school here forever!

5TH GRADER

CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.

PROGRAM HIGHLIGHT

We are a Great Expectations Model School! We teach students eight expectations for living and 36 life principles, such as honesty, integrity, and perseverance. These expectations and life principles build character and increase academic success at school. Ask your child about them! Each week, he/she learns about a new life principle and reviews the campus-wide expectations.
