

Dear Parent or Guardian,

The School District of Palm Beach County is pleased to announce the launch of **Here Comes the Bus** (HCTB) starting Fall 2023. HCTB is an easy-to-use website and app that enables parents to see the location of their child's school bus on a smartphone, tablet, or personal computer.

In order to create an HCTB account, students **MUST** be registered to a regular or ESE bus route:

- Regular routes require [Register Your Ride](#)
- ESE routes require a transportation request through your school (if not already assigned to an ESE route)
- The Student SIS PIN is required to add a student to HCTB, accessible through the [SIS Parent Gateway](#)
 - Parents who do not have access to the SIS Gateway will need to request the Student PIN from their child's school

Step-by-Step directions for downloading the mobile application and registering for HCTB can be found [here](#) and on the District Transportation website.

The District is excited about the ability of HCTB to provide more timely bus scheduling information, as well as improving the overall transportation experience for parents and students. Thank you for your support of the School District of Palm Beach County!
