

EDUCATION PROGRAM - 2024/2025

Conservation Adventures

Discover Conservation Adventures, Seatuck's groundbreaking after-school program for grades 7 to 12. Ignite your passion for science beyond the classroom through hands-on experiences led by Seatuck's team of experts. Engage in vital conservation projects, gaining real-world insights into environmental challenges and sparking meaningful learning. Our 11-week sessions blend localized lessons, thrilling off-site field trips, and expert mentorship. Uncover Long Island's diverse ecosystem, shadow conservation professionals, and cultivate a profound connection to nature. Embark on an unforgettable journey, fostering a lifelong commitment to environmental stewardship and making a positive impact on our world. Join us today in shaping the next generation of conservationists and adventurers!

Grades: 7 - 12

Meets Every Monday, 4:00 - 6:00 p.m.

****There will be three Saturday field trips, one per month, in replace of a Monday program.**

Three Sessions:
