Dates	Elementary Curriculum Topics
	We are completing our NWEA MAP diagnostic assessments, which are being reviewed in order to structure the MTSS tier II and III groups. These supports will be finalized and then reviewed during our September 25th early dismissal time.
	The annual PDE Title I school-wide plans were completed and submitted prior to the Sept. 1 due date. They are now currently in PDE review.

Dates	Middle & High School Curriculum Topics
	The annual PDE Title I school-wide plans were completed and submitted prior to the Sept. 1 due date. They are now currently in PDE review.
	Renaissance STAR, PDE Classroom Diagnostic Testing, and lexile level set reading diagnostic assessments have been administered and also being reviewed in order to structure the instructional groupings.

Dates	School Data & State Assessments & National Tests

Dates	General
	We successfully met all required expectations during our August on-site Christ's Home Title I audit. An official letter documenting will follow-up within the next month.
	The PV Comprehensive Plan team is continuing to work on the PDE Comp Plan action step addressing the needs assessment. This is the one that will continue to be worked on and go for public review in March 2025 prior to being approved.
