3 DAY NO RIDE MISD Transportation Policy and Pick up Procedures

3 Days No Ride:

In the event a student has a "3 consecutive days no call no show," our bus drivers will NOT automatically stop at their designated locations. The stop will only be activated upon specific request from parents or guardians. This measure is designed to streamline our transportation operations and address attendance concerns. Parents are encouraged to contact the transportation department to request stop reactivation.

Pick Up Time Criteria:

To maintain a punctual schedule and guarantee the smooth operation of our regular and special needs transportation services, we emphasize the following pick-up time criteria:

Regular Transportation:

- Students are kindly requested to be at their designated bus stops 5 minutes prior to the scheduled pick up time.
- Buses will load students promptly and depart the stop.
- Regular buses will not wait for late students.

Special Needs Transportation:

- Students should be ready for the bus 5 minutes before the scheduled pick up time.
- Special needs buses may wait up to 3 minutes at the stop for the student to load.

Afternoon Departure:

All buses will wait approximately 10 minutes at the school in the afternoon for students to board. Students are expected to proceed immediately to the buses.

Late Students:

Bus drivers have been strictly instructed not to stop or open the door for late students due to safety concerns related to proximity to moving bus wheels.
