## DESIGNATED CAMPUS

Vistas High School Program celebrates a long-standing tradition of excellence and innovation in educating our students. Learners enjoy a well-rounded education that encourages exploration and includes a variety of coursework meeting every students' needs as well as character education development. Whether pursuing a future in college, the workforce, or the military, we provide a strong foundation to ensure that our students are successful.

## Vikings are saying...

Vistas has made a big impact and changed many different things since my daughter has attended her junior year. Vistas has a very excellent support team, working with kids that need a little encouragement to complete their goal of graduation!

### PARENT

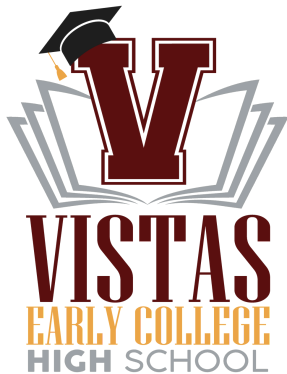

Being at Vistas is the best experience of my almost 20-year teaching career. Vistas is a place where relationships with students are put on the same level as rigorous teaching and learning. Vistas is a place for everyone to come and far exceed their own expectations.

### TEACHER

Vistas High School Program provides a small and nurturing learning environment for students who are at risk of not graduating high school. Vistas students work hard and are willing to do whatever it takes to earn their high school diploma and prepare for their futures.

**Vistas Vikings are committed to doing  
Whatever It Takes  
to prepare for a successful future!**

Vistas Early College High School provides a “seamless” program from high school to college by allowing students to gradually integrate into college coursework through a traditional high school degree plan plus dual enrollment. Learners will graduate with a high school diploma in addition to an associate degree or career certification.

## 1:1 Connected

The 1:1 student program is a great opportunity for all secondary students to access laptop devices for their coursework. This initiative supports engaging learning opportunities for students by meaningfully incorporating the use of technology to expand learning beyond the classroom.
