

Greetings North Star Families!

The office has a few reminders for you!

All end of day changes need to be called into the front office no later than 1:00 pm.

Please ensure that early student pick up is done no later than 3:00 pm. End of day changes still need to be communicated before 1:00 pm.

The colder months are coming. Please remember to send your student(s) with proper clothing and an extra set of clothing in their backpacks. This goes for all grades, all ages.

Please also remember to label their coats!

Be aware of your speed in the parking lot.

Please turn off engines while waiting for students to be released. Idling cars cause exhaust fumes to drift into the buses.

September Character Trait of the Month

Safety First-Hands to Self

Hands to self is the act of being safe at school by keeping our hands to ourselves.

Students use their words and problem solving skills to resolve conflicts without touching.
