JANUARY 2024

CAREER & TECHNICAL EDUCATION

STUDENT OF THE MONTH

HENRY HARVISON

"THE ENGINEERING PROGRAM HAS TRULY CHANGED THE TRAJECTORY OF MY LIFE. AT FIRST, I JUST THOUGHT THAT ENGINEERS WERE PEOPLE WHO BUILT BRIDGES AND MADE THINGS WORK, BUT THERE'S A LOT MORE TO IT. ENGINEERING IS NOT ONLY ABOUT INNOVATION, BUT IT IS ALSO ABOUT CONNECTION - I'VE LEARNED HOW TO NETWORK WITH MY PEERS, WORK IN A TEAM, DESIGN AND CREATE, AND SO MUCH MORE. I WENT FROM WANTING TO BECOME A MATH TEACHER IN MY FRESHMAN YEAR TO COMMITTING TO THE UNIVERSITY OF ALABAMA IN HUNTSVILLE FOR AEROSPACE ENGINEERING. I AM GRATEFUL TO MR. BEASLEY, MR. VAJGRT, MS. ROBERSON, MRS. BYRD, AND MY TEACHERS THROUGH THE YEARS FOR CHANGING MY LIFE FOR THE BETTER. WITHOUT THEIR DEDICATION, THIS WOULD NOT HAVE BEEN POSSIBLE."

—HENRY HARVISON

HENRY IS BEING RECOGNIZED FOR HIS DEDICATION TO CAREER AND TECHNICAL EDUCATION.

- Henry is the vice president of TSA (Technology Student Association), treasurer of Leo Club, and is a member of National Honor Society, Mu Alpha Theta (Mathematics Honor Society), and the Multicultural Club.
- Henry is president of marketing for SRT (Saraland Robotics Technology) and has been active in robotics since the sixth grade. He has also taken six semesters of Aviation, AMT through Coastal Alabama Community College.
- After graduation, Henry plans to attend The University of Alabama in Huntsville for Aerospace Engineering, possibly double majoring in mathematics. He hopes to work for an organization such as NASA, Aerojet Rocketdyne, or Blue Origin.
