Preschool Families,

Thank you for joining us on Back to School Night. The schedule for the evening is included below. We are excited to share information about our classes and programs with you. Parent Conferences are scheduled for December, however, if you would like to meet with your child's teacher sooner, please don't hesitate to contact us. We would be happy to discuss your child's progress with you.

A few reminders for the good of the order:

- Make sure to call your child out if they will be absent and provide notes for district approved student absences.
- Submit all required vaccine information to Mrs. Stenton.
- If someone other than your normal pick up person is picking your child up from school, please email /write a note in advance with the person's name, contact information, and relation to the child. Remind this person to bring identification, as well. Students will not be dismissed without guardian consent and confirmation.
- The Teaching Strategies APP will be used by teachers to share information, pictures, reminders, and communicate with you about your child's school day.
- Weekly Bulletins will be emailed with information about the school day, programs, events, health updates, and ways to support your child's success at home. Notes and tips from Mrs. Stenton and Miss Silvy will be included here as well.
- Please, no pets on campus during drop off and pick up.
- Some of our upcoming events are listed on the back of this paper for planning purposes.

Thank you for your ongoing support and for sharing your children with us.

SWARMing with Audubon Pride,

Barbie Ledyard
