A MESSAGE FROM...Mr. McDonald

Excellence in Teaching and Learning

Challenging, Inspiring and Achieving!

Padre Parents and Students,

I want to take this opportunity to first thank you for allowing me to serve this community. I have enjoyed supporting the students and staff in my role as principal of Marcos de Niza High School for the last five years.

I would like to share that this will be my final year at Marcos de Niza as I have been selected as the new Assistant Superintendent for District Safety and Support for the Tempe Union High School District. This role aligns with my passion and experience, and I am grateful to continue to serve the Marcos de Niza community, along with the rest of the Tempe Union High School District. I will remain at Marcos through the conclusion of the 2018-19 school year and will proudly present the Class of 2019 with their diplomas on May 23.

It will be a bitter-sweet transition, but I look forward to impacting the amazing students, staff and community members in the Tempe Union High School District.

The district hosted a parent and community forum on February 28th so that you would have input on the next principal at Marcos. Students and staff were asked for their input. More information about the forum was sent in the "Week at a Glance" (WAAG) email.

"Once a Padre, Always a Padre,"

Sean McDonald, MDN Principal

IN THE CLASSROOM

PADRE PRIDE

You "otter pop" into the library to join our reading challenge! Marcos, McClintock, Mountain Pointe, and now Tempe High are competing in the annual M³T Reading Challenge. The challenge begins on March 6th and goes through April 17th. The goal is to read more TOTAL pages than our competitors. The school that reads the most pages total win the illustrious trophy. McClintock Chargers won it last year, and we want it back this year. Students and staff are all welcome to join. Come pop in the library and see Ms. Heath to join our reading team.

Tyler Saeugling's class started a coffee delivery service for teachers on Mondays and Fridays during first hour. They are learning to run a business and do all of the jobs from taking orders to making drinks to delivering on time. They offer coffee drinks, hot chocolate and tea for low prices!

Felicia Tew's class has a brisk business making greeting cards. Once again they were featured by Channel 3 news over Valentine's Day. Each valentine is a work of art as the students make their own paper and design the cards.

MILITARY SCIENCE

Congratulations to the Tempe Union JROTC program. Last week of January, members of the Drill team, Raider team, and Rifle team all competed in the Padre Skills Meet, where over 15 JROTC programs from around the state participated. The Tempe Union Cadets earned 1st place overall as a program, including numerous awards earned by each team.

Earlier this month the TUHSD JROTC program held its 36th Annual JROTC Military Ball. Almost 200 Cadets and guests gathered at the Embassy Suites Tempe Ballroom for a great evening. The evening began with some military formalities and then transitioned to dinner before the closing ceremonies and the DJ took over for the rest of the night. A great time was had by all that attended.

Senior **Sam Lumbra**, Captain of the JROTC Rifle Team, competed in the JROTC Western Rifle Regionals last week. Sam scored the second highest total score out of all Army JROTC participants in nation. He will represent the Tempe Union Army JROTC program and Marcos de Niza next month at Nationals in Anniston, Alabama.

Recently in the JROTC program, many cadets volunteered at St. Mary's Food Bank, preparing over 1,300 emergency food boxes.
