MdN Basketball...breaking records

MASON STARK SETS Arizona Basketball Record

Marcos de Niza junior Mason Stark is proving practice pays off. The basketball player, who has been working on his shooting drills since the age of 5, set a new state record this season for consecutive free throws. He hit 46 of them.

This is certainly no fluke. Last year, Mason finished the season with 41 consecutive free throws, just

two shy of the old state record of 43. Coincidentally, that record was held by Marcos alum Saul Bookman who, in 1996, tied the record set in 1982 by a player from Apache Junction.

"Mason brings a solid basketball IQ and a very fundamentally sound game with an advanced skill set. He contributes in all areas of the game," said MDN Head Coach David Stark.

Mason also led the Padres in scoring at over 16 points a game. It's a unique situation. Coach Dave Stark is Mason's uncle. He is also the father of Mason's teammate and cousin, Cameron, a senior who led the team in 3-pointers.

"The opportunity to coach my nephew as well as my sons was always a dream for me as they have grown up on the Padre courts since they were very young," said Coach Stark. "It has been a blessing to see Mason grow on the court and get to witness his accomplishments that he continually is expanding year by year. I wouldn't be surprised if he breaks the record again next year!"

Mason excels in the classroom as well. He is an honors student who has earned a 4.8 GPA and is ranked third in his class.

Tempe Union Superintendent Dr. Kenneth R. Baca recognized Mason at the March 16, 2016 Governing Board Meeting.

Padre Principal...a Message from Mr. McDonald

Excellence in Teaching and Learning

Challenging, Inspiring and Achieving!

Dear Marcos Family,

It is hard to believe that we are soon entering the last quarter of the school year. Time flies when you are having fun! Please take the time to read some very important information inside this newsletter. There are several reminders to parents about AzMerit testing in March and April. This year the state will be testing students who are taking Freshmen, Sophomore, and Junior English as well as Algebra 1-2, Geometry 1-2, and Algebra 3-4. Please make sure your students come to school on these days.

We want to congratulate this year's Tempe Top 10 Teens, presented by the Tempe Mayor Mark Mitchell. They are Mackenzie Clark Shaeffer, Morgan Otis, Hebah Bahta, Gavin Young, Sara Higginbotham, Michelle Sebastian, Jasmine Perez, Mercedes Zamora, Dominic Bonelli, and Nicole Hoke. . These students are exceptional young people who are dedicated students and citizens. They participate in many activities at Marcos de Niza. We are very proud of the young leaders they have become.

At this time our winter athletic season has come to a close. We want to acknowledge all levels for soccer, basketball, and wrestling. A special recognition goes out to our Boys' Basketball team and our Wrestling team this season. Our wrestlers qualified five individuals for the State tournament and Andrew Torres, Carnell Dargan and Kendrick Relf all placed fifth. Sam Johnson and Edward Hercel both placed fourth. The team finished 9th overall out of 55 teams in D2. It was a great season for the wrestling team. Be sure to tell them all, "Great job!"

Our basketball team qualified for the State tournament with the opening round against Tucson Sal Pointe. If you get a chance, this team is worth watching as they hustle on the court and can shoot the lights out of the gym. Good luck, Padres!

Congratulations to our Fine Arts and Performing Arts Department for their hard work on our spring musical in which our choir, band, orchestra, drama students and faculty collaborate to put on an extraordinary show. If you missed this performance of "Legally Blonde," you missed an awesome show!

Finally, I want to address attendance and homework. Please monitor your students to make sure they complete their homework assignments. Remember we have tutoring is available in the mornings at conference period from 7:15 a.m. – 7:45 a.m. and after school until 4:00 p.m. on Mondays, Tuesday, and Thursdays in the library. If your student is falling behind, please provide them this opportunity to get assistance with their work.

As always, I welcome any conversation you wish to have with me regarding Marcos de Niza and our pursuit of EXCELLENCE. Please feel free to call me at (480) 838-3200. We thank you for your support; it takes "Everybody, Everyday!"

Sean McDonald, MdN Principal

The community of Marcos de Niza will strive to:
Challenge students to look to the future as responsible citizens,
Inspire students to be lifelong learners, to prepare students to
Achieve academically for college and career success.

Attendance...reporting an absence

REPORTING STUDENT ABSENCES THE ATTENDANCE OFFICE IS OPEN WEEKDAYS FROM 7:15 a.m. to 3:30 p.m.

To report an absence, please access the voice mail system (available 24 hours) by dialing (480) 730- 7659. Only parents or legal guardians may excuse absences. In order for an absence to be excused, the parent/legal guardian must call the Attendance Office within 24 hours of the absence.

EXCUSING STUDENTS FOR APPOINTMENTS (EXCEPT FOR LUNCH TIMES)

To excuse a student for an appointment, etc., send a note with him/her to bring to the Attendance Office at the beginning of the school day. An off-campus pass will be issued to the student so that he/she may leave class at the appropriate time. By using this procedure, your son/daughter can be waiting for you in the front office. Students must ALWAYS check into the Attendance Office when returning to school so that the time can be noted, and the student can be admitted to class.

PLEASE NOTE: Do not access the attendance voice mailboxes to record messages for off-campus passes for students to leave school for appointments. Your message may not be heard in time for the pass to be issued.

EXCUSING NINTH AND TENTH GRADE STUDENTS AT LUNCHTIME

To enable a ninth or tenth grade student to leave the campus at lunch-time, a parent or legal guardian must personally visit the Attendance Office to complete the checkout process. A note or phone call will not be accepted. This policy is in effect due to the closure of the campus at lunchtime for ninth and tenth grade students.

EXCUSING STUDENTS FOR LATE ARRIVAL TO SCHOOL

To excuse your son or daughter for arriving late to school, you must check in with your student at the front office. A pass will be issued at that time. Your son/daughter will be sent directly to sweep if no parent/ guardian checks the student in.

**ATTENDANCE HOTLINE
TO REACH THE ATTENDANCE OFFICE
PLEASE DIAL,
(480) 730-7659**

ATTENDANCE RULES AND REGULATIONS

A student may lose the opportunity to earn credit when sixteen total absences (excused and/or unexcused) are reached in any individual class during a semester. Unexcused absences will be recorded separately from excused absences and could result in disciplinary action.

DEFINITIONS AND GUIDELINES

SWEEP: A student will be sent to sweep when he/she is late to class.

ABSENCE: A student who does not attend a class or arrives 20 or more minutes late is considered absent.

EXCUSED ABSENCE: An absence is legitimate (excused) under the following conditions:

- a. Personal illness
- b. Doctor or dentist appointment
- c. Serious family illness
- d. Death in family
- e. Important family business
- f. Checking out of school through the Nurse or Attendance Office
- g. Religious holiday

Students will be allowed the number of days absent to make up assignments.

In the case of long-term projects such as research papers or reports, it is the teacher's prerogative to set specific due dates. It is the student's responsibility to submit long-term projects on those specific due dates regardless if an absence is excused or unexcused. If extenuating circumstances exist, i.e. an extreme emergency or extended illness only, students will be given an extension; however, parents must notify the teacher prior to or on the due date when an emergency arises.

UNEXCUSED ABSENCE: Any absence that is not excused within 24 hours of the absence by a parent/guardian. Students will be accountable for information missed. It is recommended that no credit be given by the teacher.

SCHOOL-RELATED ABSENCE: If a student misses a class due to a pre-approved, school-related activity, it will not count as an absence.

SUSPENSION: The days of suspension, even though suspension is considered a serious consequence, do not count as absences toward the attendance policy.

ATTENDANCE PROCEDURE:

1. Computer attendance calls will be made daily.
2. On the 16th total absence, the student will be referred to Jermaine Whitaker, attendance coordinator.

SWEEP BUILDS RESPONSIBILITY

The SWEEP program addresses any student who is tardy. A student who is tardy is sent to the SWEEP area, room 504. The purpose of the SWEEP program is to reinforce the importance of punctuality, responsibility, and respect. If a student enters a class after the bell rings, it is a disruption to the learning process of all of the students in the class.

- Students are not allowed to be tardy to any class.
- All students who are late for any class period throughout the day are SWEPT.
- Tardiness of more than 20 minutes is classified as an absence.
- Every third SWEEP will count as an unexcused absence.
- Students with excessive time in SWEEP may have further disciplinary action taken by the administration.
- A student attending SWEEP sits quietly for the remainder of the hour he or she is SWEPT.
- The student is responsible to see the teacher of the class she or he missed in order to turn in work, learn what was covered in class, and receive homework assignments.
- Remember, it is the student's responsibility to see the teacher of the missed class by the end of that day to make up the missed work for credit.
- The support of this program by parents and students, as well as of all of the MdN staff, will help create a climate for learning at Marcos de Niza High School.

CHANGES to OFF-CAMPUS LUNCH

Attention Sophomores and Juniors:

Lunch Time

Next year, when you are juniors and seniors, you will again have the opportunity to go off campus for lunch, but first you must submit and have an approved 2016-17 Off-Campus Lunch Application. Stop by the Activities Office for more information and to pick up your application. See page 7 of this newsletter for a look at the lunch

VISITOR INFORMATION

Our visitor process is as follows: When you check in with the front office, you will be required to leave your photo ID upon receiving a visitor's badge to be on campus. Once you have completed your visit on campus, you will need to check out in the front office to obtain your ID and return

your visitor's badge. This process will be implemented so that we have an accurate record of who has been on campus and/or who is on the campus should there be an emergency situation in which people need to be accounted. Thank you in advance for your cooperation and assistance in implementing this new procedure.

CLOSED CAMPUS

The MdN Site Council determined that the MdN campus would be closed for incoming freshman and sophomores. A closed campus for freshman and sophomores means that those students may not leave the campus during lunch unless they are signed out by a parent. Juniors and seniors are permitted to leave campus at lunch provided they can show a current, legitimate student ID card identifying their year. Likewise, juniors and seniors may leave the

campus during their release hour provided they can show a current schedule or release card. If you have questions about our closed campus policy, feel free to contact the principal at (480)838-3200.

LOCK-DOWN DRILLS

When there is a situation on or near the campus that has the potential to endanger students, the school's administration will place the campus under "lock-down." Classroom and building doors are locked and all students and staff remain inside until the lock-down is lifted. Beginning with the fall semester, Marcos de Niza will

initiate random lockdown drills. Similar to a fire drill, lock-down drills will not be pre-announced, but the information that it is only a drill will be available should parents call in and inquire.

True to the tradition of Grad Night, the Marcos party offers a fun filled alcohol and drug free environment where graduating Seniors get a chance to celebrate all night with their classmates one last time.

Grad night is a unique and special time to share with Senior classmates in a celebration that leaves new graduates with lasting memories.

GRAD NIGHT POLICIES AND PROCEDURES

- ♣ For 2016 Graduating Seniors only. Valid Marcos I.D. required for admission.
- ♣ Doors open at 10:30 p.m. NO ADMISSION AFTER MIDNIGHT.
- ♣ All persons shall arrive drug and alcohol free. Smoking in designated areas only.
- ♣ Grad Night is NOT an official school sponsored activity. Transportation to and from the event is NOT provided.

- ♣ There will be no readmission for anyone leaving early.
- ♣ Every attendee must provide contact number for at least one parent.

WHY IS GRAD NIGHT IMPORTANT?

For many seniors, this will be the first time that they have had a chance to gather together, and for many, this will be the last time. No matter their backgrounds or their futures, they will be bonded forever as the MdN Class of 2016. Grad Night will be their last high school event and opportunity for them to celebrate their shared accomplishment.

Marcos de Niza Grad Night is organized by a committed group of parents joining together with community members to give our graduating seniors a safe, sober and unforgettable graduation celebration.

Statistically, the two highest-risk nights for high school students are prom and graduation. Peer pressure is high on both of these nights. More than just a party, Grad Night is a community effort to keep graduating seniors entertained and safe after graduation ceremonies. Graduates enjoy a once-in-a-lifetime party while their parents know that their son or daughter is in a safe environment

Marcos de Niza High School does not sponsor this event. This is a safe & sober event hosted by parent volunteers.

Are you up to the challenge? It's still not too late.
Join the **3M** Reading Challenge!

Marcos, Mt. Pointe, and McClintock, the 3Ms, are hosting a reading challenge. Read 3,000 pages or more in seven weeks and win prizes and recognition. However, this year we have added a monstrous challenge twist to our readers. They must read at least one book in at least four of the following categories:

- A book published in this school year (2015-2016)
- A classic you haven't read before
- A book published before you were born
- A book from a different genre than you normally read
- A play or volume of poetry from Shakespeare (400th year anniversary on April 23, 2016)
- A book with a culture or setting different from your own
- A nonfiction book (history, science, biography, memoir, self-help, etc.)
- A book that was banned at some point

Sign up for the **3Ms** Reading Challenge in your school's library, which is being held from March 4th through April 22nd, 2016. It's not too late to join. Every page counts for a point to the magical 3000. This year our theme is **MON-STAR Readers** because our readers devour books, page by page.

SHHHH!--SUPER HEROES--IN THE LIBRARY?

Just before spring break the niños came to their regular story time in the library with Ms. Heath and Mrs. Wozniak. Students working on community services hours for health classes created a very exciting superhero obstacle course. After reading about Ten Rules of Being a Superhero by Deb Pilutti, the children spelled their Superman names in a bean bag toss, raced faster than a locomotive or Lightning McQueen to the bat cave, leaped over tall building in a single bound, tossed Captain America's shield down the alley to collapse the building of non-readers, practiced their webslinging Spiderman abilities, lifted Hulk's incredible barbells with ease so as not to make him angry, crossed Wolverine's burning bridge to save the books, practiced with a lasso Wonder Woman's skills, and created a Thor's hammer from a marshmallow and pretzel, which they promptly devoured. Last but not least, each niño flew over the tall building, revealing that superheroes love coming to the library. After all, **READING** is their super power!

STUDENT RECOGNITION

Marcos Junior Krysten Muir has gained local and national attention as the kicker for the Padres football team. According to Max-Preps, Krysten scored 67 points last fall. She is ranked number 11 in Arizona, and her stats exceed the national average. Although the state does not track records specifically for female football players, the AIA believes Krysten has scored the most points by a girl during a varsity football season in Arizona and that she is the first female kicker to score in a championship game in Arizona. Krysten is coached by Sean Morin; her father Jeremy Muir is also a coach for the Padres.

WEST REGION HONOR ORCHESTRA

Congratulations to the following students who were selected to represent Marcos de Niza in the West Region Honor Orchestra in February: Hannah Goldstick (Violin), Briana Chacon (Violin), Nicole Hoke (Violin), Jennifer Bass (Violin), Michelle Sebastian (Violin), Briana Estrella (Viola), Raven Vallejos (Viola), and Cole Pankey (String Bass).

ALL STATE JAZZ BAND

Ricky Higgins was selected to perform in the Arizona All-State Jazz Band on bass trombone. This is an outstanding accomplishment. Way to make MdN proud, Ricky!

Cami Lintz came in 2nd Place and won \$100, Tesoro Roman received an Honorable Mention and \$30, and Mario Lopez earned Special Recognition and \$20. Congratulations!

CHAPRER OF THE QUARTER

"The Best Buddies Club did a phenomenal job this year of growing their program and creating friendships. The Marcos de Niza chapter was not only the top fundraising high school team in the state (out of 37 schools), but they were also awarded the "Most Improved High School Chapter" award for the 2015-2016 school year. With the help of their faculty advisors, Mrs. Fragoso and Ms. Muchmore, the MDN Chapter participated in activities such as Buddy Prom, Friendship Walk, a talent show, and more. Ms. Muchmore was also awarded the "Most Outstanding Advisor" award for the 2015 Friendship Walk. Marcos De Niza High School had a fantastic first half of the 2016 year, and have definitely earned the right to be Best Buddies Chapter of the Quarter! The Marcos club has nearly 100 members, were host for our annual local leadership training day and even had a float in the Tempe Fantasy of Lights Parade. The advisors and officers from the chapter are committed to creating an incredible environment of friendship and inclusion for all, and we are so proud of their accomplishments so far this year.

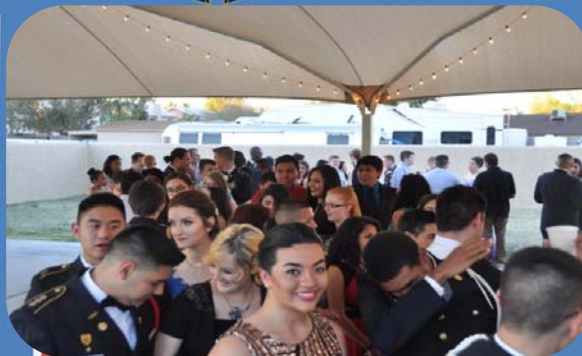

1st ANNUAL SERENADE FUNDRAISER

The MdN Orchestra Council performed their 1st Annual String Serenades in honor of Valentine's Day. The serenades cost \$1.00. The serenades were delivered during 3rd and 6th hours on Thursday, February 11th. The song choices include: *You Are My Sunshine*, *A Dream is a Wish Your Heart Makes*, and *Love Story* by Taylor Swift (everyone's favorite!). The students and staff really enjoyed the serenades. Thank you for supporting our students in raising money for our program.

Military Science...on the go

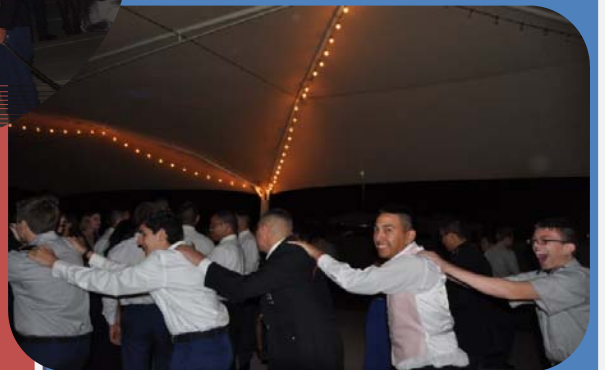

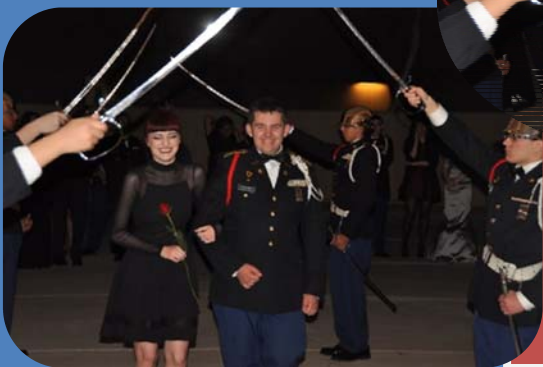

Military Ball 2016

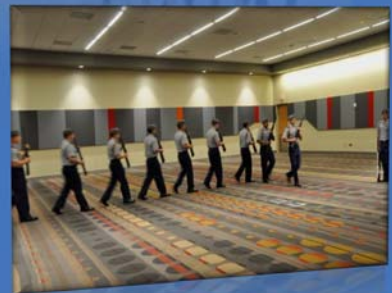

The annual Padre Battalion Military Ball was hosted at American Legion Post 35 in Chandler on February 12th. The event was a huge success and the weather was great for the outdoor venue that was chosen this year. Cadets engaged in dancing, music, and had fun with their fellow cadre. The food was great and overall the evening was fantastic.

A word from the CSM

I had more fun at this year's ball than I've had any other year. The venue was a great pick by our Military Ball committee and the food was a good selection. I had a ton of fun dancing with my good friends and seeing the cadets let loose was a great thing to behold. Overall, 10/10 would do it again.

2016 BRIGADE DRILL MEET SAN ANTONIO, TEXAS

2016 BATTALION FTX

On January 16th over 85 cadets attended our JROTC annual field training exercise (FTX) at the Florence Army National Guard training site. The Cadets had the opportunity to negotiate an obstacle course as well as test their land navigation skills on the land navigation course. Cadets had a successful day, lots of fun, and came away with a new found respect for the challenging events.

Zaidi's Classes...Science Fair

INDEPENDENT RESEARCH PROJECT

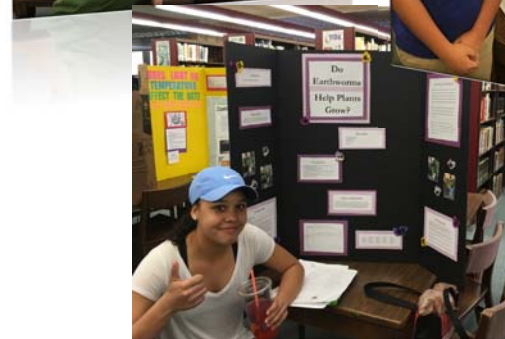

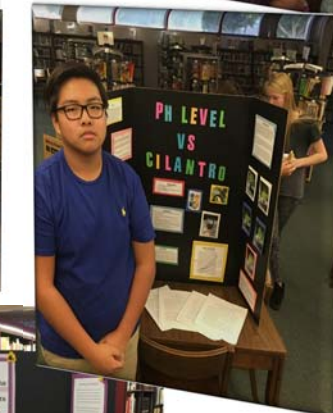

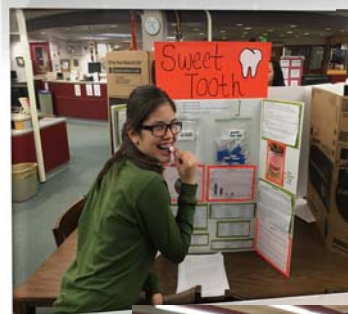

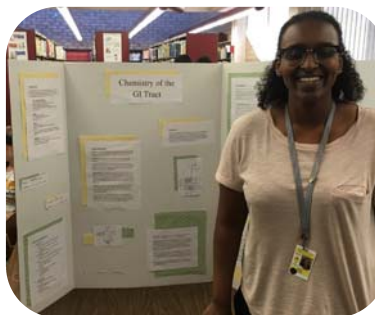

In my second year of teaching at Marcos de Niza high school, the students have never ceased to amaze me with their stellar academics and outstanding character. Every year, Honors Chemistry students are responsible for an Independent Research Project (IRP) in which they carefully choose an experiment to perform, gather data and present their findings to the class. Last year, students chose to create PowerPoint presentations; this year the class decided to put

together posters to present their IRPs in the media center. Hosting the research projects in the library made it possible for parents to witness all of the hard work their student put in come to fruition. Each class appointed a first and second place winner based on both content and appearance. In third period Emily Silva and Juan Cabrera won first and second place. Emily's project was a study about different types of biodiesel that tests the difference between fuel made with recycled oil and clean oil. Juan found which metal was most efficient to use in an electromagnet. After further research zinc proved to be the strongest metal.

The fourth hour winners were Ashley Gibson in first and Justin Janda in second place. Ashley tested whether chemical herbicide would have a harsher effect on houseplants than homemade natural solutions. Justin researched how the rate of a chemical reaction varies when the particle size of the reactant is altered. I was blown away by how thoroughly and articulately each student was able to relay their information to me and the parents. A special thank you to Mrs. Heath in the library for all of her help and the students that arrived early to set up. A job well done to all of my students!

Between the two classes over 60 students participated, including: Rosa Araujo, Leisly Argota, Anna Bell, Hebah Bahta, Xavier Bonelli, Brooklyn Bowen, Juan Cabrera, Sabrina Cervantes, Eliana Dalton, Pamela Davis, Kevin Dunnahoo, Asley Erwin, Judith Gadau, Jason George, Olivia Gilliam, Kyra Hermanson, Nicole Hoover, Calli Ketterer, Sienna Lara, Chase Leito, Carlan Naisant, Spencer Nelson, Rushini Randeniya, Aaron Rios, Riley Schor, Emily Silva, Haley Struss, Benjamin To, Harrison Tracy, Clarissa Zaragoza, Salina Alvarado, Melissa Amavizca, Sabina Argueta, Sophia Ashmeade, Hector Beltran Gamez, Justice Craig, Christian Davenport, Braylen Drew, Isaac Enriquez, Connor Erikson, Devina Fernandez, Ashley Gibson, Kaitlin Gibson, Matthew Gill, Justin Janda, Tyler Lee, Ken Loi, Faith Marken, Tyra Martine, Roman Mendoza, Krysten Muir, Sophia Neria, Eric Oden, Dylan Page, Joshua Patterson, Jorge Rios, Aloha Taylor, Alejandro Torres, Andrew Torres, Melahni Washington, Adam Wentz and Paul Wood.
