

# POINTES OF PRIDE

A Mountain Pointe High School Communication

**Bruce Kipper, Principal • 4201 E. Knox Road, Phoenix, AZ 85044 • 480-759-8449 • www.MPHSPride.com • Fall 2015**

Hello Pride Families,

Can you believe we are already well into the month of November? It seems like each year time goes a little faster. Our students and staff have had a great 1<sup>st</sup> quarter. The 'Tukee Bowl and Homecoming were huge successes this year. All of the students and staff involved in those two events are to be commended. Both events went off without a hitch. We inducted three new members of the Pride family into our Hall of Fame; Sam Ballard (former head basketball coach), Rachel Melvin (actress), and Cameron Edens (golfer).

Many of our students have represented the Pride family in various competitions. The Mountain Pointe Mountain Bike Club has been competing at state wide competitions and placing in the top 15 out of more than 70 schools. Kristen Kollus has placed in the top 5 in various varsity competitions. The MP Girls Cross Country team took home 1st Place in the Varsity section of the Doug Conley Cross Country Invitational on September 26th. Olivia Grieve, Jessie Perry and Caetlin Asher all placed in the top 12, helping to bring home the trophy. Both the Boys and Girls Cross Country teams represented well at the State Meet on November 7th. Delano Salgado was recognized by the National Alliance of African American Athletes for his achievements both on and off the football field.

The Lionhearts Marching Band participated in the NAU Band Day Festival in Flagstaff, earning "silver" award in the Festival Class Division. This is the highest placement a band in our division has received thus far in the ABODA festival season. The Lionhearts lead their division at this point in the season. The Arizona Cardinals have recognized two of our varsity football players this season as their Players of the Week; running back Macarius Blount won the award in week 4 and kicker Brandon Johnson won in week 7. The Pride football team had an amazing season remaining undefeated up to the State Semifinals. The cheer team has qualified and will be attending the USA Nationals this upcoming March in Anaheim, California. Congratulations to all students involved in extra-curricular activities and athletics. You all have represented well.

I want to remind all of our parents of the support programs we offer all of our students. We recognized that high school can be challenging at times as we strive to provide a rigorous and relevant academic experience. All students need a little help at times. Please encourage your son or daughter to use the time provided during Academic Lab wisely. This is an extra 80 minutes a week during the school to get the extra assistance they may need. For freshman parents we want to make sure you are aware of our Freshman Homework Lab. Freshman that don't regularly complete their homework can be referred to the cafeteria during Academic Lab where staff and student tutors are there to help. TOTEM Tutoring is available before school, at lunch, and after school with both teacher and peer tutoring. A new program this year is our Student Support Groups. These groups are available for students that need support for issues such as stress, anxiety, drug/alcohol, etc. If you think the Student Support Groups could help your son or daughter, please contact your guidance counselor.

I want to thank all of our parents for your continued support. It takes everyone working together to provide the best experience for all of our students.

Bruce Kipper  
Principal

*Happy Holidays!*

We have a variety of support groups offered that include:

- Empowering Self and Others
- Managing School Stressors
- Building Healthy Relationships
- Grieving a Significant Loss
- Breaking Away from Addictive Behaviors

Support groups meet weekly. We currently have approximately 40 students involved in this new program and always welcome more.

If you have questions or would like to refer your child, please contact their guidance counselor. Your student can also pick up a permission slip at the guidance office.

MP held another successful Freshman Boot Camp on July 30th & 31st. The upperclassmen mentors did a fantastic job welcoming our incoming freshman and spending two days showing them the ropes of Mountain Pointe and giving them some great tips on how to be successful in high school. Freshmen will meet with their original Boot Camp participants, mentors and teachers in December to discuss their first semester at MP and Final Exam study tips.

## Mountain Pointe Theatre Company in Full Swing

MPTC has been in full swing this semester. The year started off with the production of Radium Girls, based on a true story that made history, followed by the thriller, Wait Until Dark. Between One-Acts and Improv shows, MPTC hosted four days of a haunted house, Carnival of Terror. This year's annual event brought in record numbers of terrorized community members.

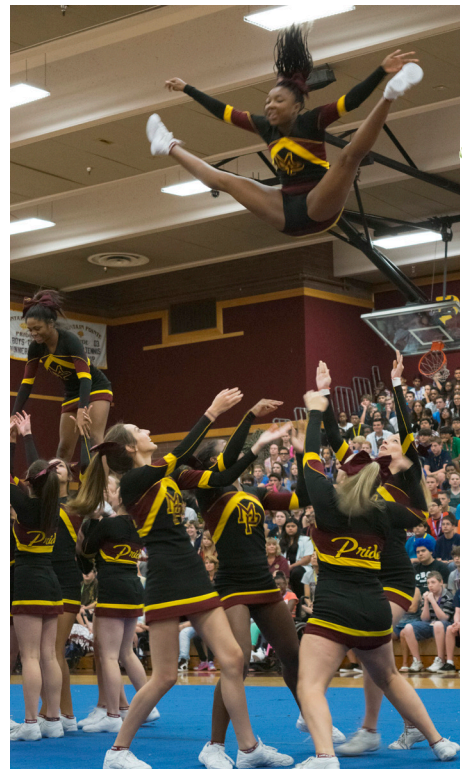

Theatre students spent a weekend at the 2015 Arizona Thespian Festival in downtown Phoenix on November 20 & 21. Students attended a variety of workshops and performances as well as performed a One-Act of their own for festival participants.

Next up, MPTC performs **Romeo & Juliet** on February 5th & 6th, followed by the spring musical, **Wizard of Oz** on April 1st & 2nd. This amazing production will cast over 100 students including actors, musicians and technicians. To help fund the production, a GoFundMe account has been created. Donations will be greatly appreciated and can be submitted at: <https://www.gofundme.com/a27yyu96p8r>

## MP Students Offer Lunch Catering Service for Teachers

Under the direction of Sarah Mael and Paula Carman, Mountain Pointe's Transition class offers a lunch service on Fridays for staff and faculty. Each week a different local restaurant is chosen; orders are taken by email and then placed by the students. The group picks up and delivers the lunch to staff members for a small delivery fee.

This program give students the opportunity to learn how to place orders, make change, and gain social skills, in addition to supporting local businesses. Staff members appreciate the chance to try a variety of local restaurants while supporting MP students.

# Senior Walk ♦ Class of 2016

## ♦ A Pride Tradition Honoring Seniors ♦

Senior Walk is a Mountain Pointe tradition that honors Pride seniors who have made outstanding contributions to our Mountain Pointe community. The honorees appear in a special program, have their name placed on the Senior Walk banner and are honored during the Homecoming Assembly and half time at the Homecoming Football Game. Only members of Senior Walk may be nominated for the Homecoming Court. All of these activities take place in the senior year but to be selected for Senior Walk takes four years of commitment.

This year there were 55 outstanding seniors who earned the honor to participate in the Senior Walk. Honorees were celebrated at a catered luncheon and also recognized during the Homecoming Assembly, Parade and Half-time show at the Homecoming football game. All activities were put together by the Senior Class Officers, Senior Class sponsor, Mrs. Natasha Alston, and Freshman Class Sponsor, Ms. Erin L. Smith.
