

# POINTES OF PRIDE

A Mountain Pointe High School Communication

**Bruce Kipper, Principal • 4201 E. Knox Road, Phoenix, AZ 85044 • 480-759-8449 • www.MPHSPride.com • Back-to-School 2016**

Dear Students, Parents, and Community Members,

The 2015-2016 school year saw our students and staff again recognized for outstanding achievement. Many accolades were earned throughout the year; Mr. Eric Lauer was selected as the Outstanding Classified Staff Member for the Tempe Union High School District by the Tempe Diablos. In addition, Mrs. Natasha Alston was a finalist for the High Impact Award and Ms. Dawn Agnew was a finalist for the Teacher of the Year. We also had eight students graduate in 2016 that also earned their Associate of Arts degrees from Rio Salado Community College. These students took advantage of the Dual Enrollment Program during high school and got a jump start on their college studies. The class of 2016 saw nearly \$10 million of scholarship offers and over 90% of the graduating class is moving on to post-secondary education. In addition we had 33 seniors that fulfilled all of the requirements and graduated from one of Mountain Pointe's academies. You haven't heard of our academies???? Contact your guidance counselor for more information. The academies are a great way to focus your studies on an area you are passionate about while at the same time making sure you meet all requirements for college entrance. These are just a few of the many accomplishments this year by the Pride.

Just as important as the continued high level of academic achievement, is the tradition of giving back and serving our community that our students have established. The class of 2016 immersed themselves in the attitude of helping others. Among the charities benefitting from our students involvement were March of Dimes, St. Vincent de Paul, Susan G. Koman Foundation, Christmas Angels, Phoenix Rescue Mission, United Blood Services, Arizona Humane Society, and the Phoenix Child Crisis Center. All of our clubs and athletic teams are involved in activities that give back to the community. The staff at Mountain Pointe High School is extremely proud of all of our students and their hard work.

Now it is time to transition to a new school year. Expectations remain high and we will continue to challenge all of our students with a rigorous and relevant curriculum. For the past three years our staff has been hard at work implementing the new state standards and our students and staff will continue this journey together as the new Arizona College and Career Readiness Standards become the norm. These standards allow all schools to provide a more focused curriculum that all students need to master in order to be College and Career Ready. All sophomores and freshmen in Biology or Honors Biology will continue to take the AIMS Science test. The Arizona Department of Education has adopted the AZ Merit test for English Language Arts and Math. Currently students do not have to pass either test for graduation. As we receive more information from the state, we will pass it on to our students and parents.

To help all of our students succeed it is important that our parents are fully involved in each of our student's educational experience. Please become and stay involved. Research is crystal clear on this, the more involved a parent is the higher the student will achieve. Take a few minutes each evening and talk to your son or daughter about what they are doing in school, volunteer at school and check the teacher websites. Anything that shows your interest in your student's success is beneficial. Most importantly make sure you activate your ParentVUE account. ParentVUE will allow you to monitor grades and attendance in real-time. It does make a difference! Additionally, encourage your son or daughter to take a challenging class, find a club or sport they are interested in, all of this will help students achieve at a higher level.

For those who are new to Mountain Pointe High School, I want to welcome you. I look forward to building a positive relationship with all of our students and families. Remember our vision; **Purpose, Pride and Performance**. These three words serve as a guide to our mission of "Providing a supportive environment that challenges all students to realize their potential." The pursuit of excellence with honor is an essential attitude taught at Mountain Pointe since its inception. Each day we ask our students to focus on getting the best education possible. This focus has allowed our students to flourish. This is not an easy task but one that, if we work together, can be achieved by all. I challenge each student to dare to dream, to find out what they are capable of achieving, and to make a positive difference to those they come into contact with.

**Welcome class of 2020!** When you enter Mountain Pointe High School you will feel the tradition of greatness. Those that have walked the halls before have set a standard of excellence. It is your responsibility to raise that level even higher. Reach for success, we are here to help you.

Please read through the newsletter in its entirety as it contains information to provide for a smooth transition back into the school year. School begins August 1st and learning takes place the first day of class. See you all then. Remember, my door is always open.

Sincerely,

Bruce Kipper,  
Principal

Parents and Students –

Please carefully read the following information before attending Book Distribution.

- **A list of student's classes** will be handed out during Book Distribution (see page 2 for dates and times). Keep in mind that **this is not an official schedule**.
- **Schedules – Students MUST BRING their SCHEDULE on the FIRST DAY of school or have it accessible on their phone via StudentVUE.**

**Schedules will be available for viewing on ParentVUE and Student VUE on Friday, July 29th.**

**Freshmen** will receive initial schedules during Freshman Prep. Readiness Camp. **Please note:** these schedules may change before the first day of school. Check StudentVUE and/or ParentVUE on the Sunday before school starts for any last-minute changes.

**Schedules must be shown to each of your teachers on the first day of school.** Students will not be allowed to attend classes without a schedule.

- **Seniors** – If your credit check reflects that you are deficient more than six credits, see your assigned counselor with your plan for graduation. Seniors will not be placed on the marching list for graduation if all testing out grades, online course transcripts or transcripts from any other accredited high school are not posted with the records specialist **by May 1st of senior year**. There will be no exceptions to this timeline!

**Schedule Change Requests for the 2016-2017 school year will NOT be accepted after July 1st.**

**Schedule changes will be made ONLY for the following reasons:**

1. We have failed to update your schedule after Summer School.
2. We have failed to update your schedule due to receiving a D/F in a course last semester.
3. There is a clerical error such as:
  - a) a hole in your schedule;
  - b) you have the same class listed twice;
  - c) you are missing a lunch.

**If any of these special circumstances apply, see Dr. Keller.**

**Students must show their schedule on the 1<sup>st</sup> day of school!**

## Academic Lab Assists in Student Achievement

## Attendance Procedure

The following is a summary of the Mountain Pointe Attendance procedure:

### Reporting an Absence

Only the parent/legal guardian of the student can notify the school of an absence or request an off-campus pass. When a parent/legal guardian calls to excuse their student, the absence is listed as excused and the reason given is documented.

Parent or legal guardian **must call on the same day** of the absence **before 3:00 p.m.** to be excused for that day. If a parent does not call, an automated message will be made to inform the parent of the unexcused absence. You can place a call to the attendance line after hours and it will be excused the following day.

### Off Campus Pass – Call in Advance & Save Time!

To leave campus a student's parent/guardian must call the attendance hotline (see article on right) on the day of and **at least 30 minutes prior to the time of the departure** to receive an off-campus pass and be excused. Parents should allow time for security to bring a pass to the student.

Parents wishing to pick up students during lunch should arrange for their student to meet them in the front office at a pre-arranged time. Passes cannot be delivered to students who are on lunch.

Students **will not** receive off-campus passes to leave for academic lab or lunch.

### Returning to Campus with an Off-Campus Pass

Upon returning after using an Off-Campus Pass, students **MUST** sign in at the front desk **with their pass** or they will be marked absent for the remainder of the day. If the student does not return with their Off-Campus Pass, a parent/guardian must sign them in.

### Leaving Campus Due to Illness

Students who are ill must report to the Health Office. The nurse will make arrangements with the parent/guardian with regard to how the student will get home.

### What if My Student is Late to School?

If your student will be late to class, the parent/guardian will need to sign the student in at the front office upon arrival. If the student is late due to a doctor's appointment, s/he can show a doctor's note in lieu of a parent/guardian signature. Without a note or signature, the student will report to Sweep for the remainder of the class period.

## How to Report an Absence or Request an Off-campus Pass

- Dial (480) 388.8989
- Enter
  - 1 – for an off-campus pass  
(kindly call 30 minutes prior to time of departure)
  - 2 – to report an absence for grades 9 or 10
  - 3 – to report an absence for grades 11 or 12

**After message and tone, please verbally state the following information:**

- Spell the student's last name, then give the first name
- ID Number
- Date of absence
- Periods missed
- The reason for the absence
- Your relationship to the student
- Phone number where you can be reached

### Helpful Hint:

To expedite **student pick-up** during the school day, parents may call and request an off-campus pass **prior** to coming to school.

This will cut down on wait time while your student is called to the office. **Also see "Attendance Procedure" on left.**

## MP is a Closed Campus

Mountain Pointe requires all students to remain on campus throughout the day including during lunches.

Students who have an **early release schedule** are required to show security their current school ID with an early release sticker to obtain permission to leave campus. Early release stickers can be obtained from Mrs. Acuna in the front office.

All other students needing to leave campus during the school day must have a parent-approved off campus pass from the front office before they will be permitted to leave campus. See Attendance Procedure article (on left) for more information about obtaining an off-campus pass and reporting an absence.

## Have You Moved?

**Report your new address and phone number!**

It is important that you keep all contact information **current** with the MP Attendance Office. Please **update** your **address, email and phone numbers** by filling out a Change of Information form from the Attendance Office. The Post Office will not forward school or district mail.

## No Deliveries

The school **does not deliver packages, flowers, balloons, food or other items to students** during the school day. Students should not bring balloons and flowers to classes because of student allergies. In addition, students are NOT allowed to order food to be delivered to campus.

**Phone messages will not be delivered** during class time except in case of an emergency. Transportation changes between student and parent are not considered an emergency. Telephones are provided for student use at Mountain Pointe when necessary.

## Open House: A Chance to “Meet the Faculty” of MPHS

**Monday, August 15th • 6:30 pm • MP Gymnasium**

### Welcome Pride Family!

Open House will be held on **Monday, August 15th** starting at **6:30 p.m.** in the MPHS **Gymnasium**. Following a brief opening, parents will spend 10 minutes with each of your son/daughter’s teachers. Each teacher will share vital information with you about the classroom procedures, objectives and the “keys to success” in their class. Important contact information will be given as well.

**Please ask your student for a copy of their schedule and the information sheet they will be given.** Due to time restrictions, we ask that you email or call the teacher at a later time with specific questions you might have regarding your child’s individual progress or academic standing. Below is the evening’s schedule:

Opening Session in Gymnasium: 6:30 pm – 6:40 pm	
First Bell..... 6:40 pm	
Period 1 ..... 6:45 – 6:55 pm	Period 4/5..... 7:30 – 7:40 pm
Period 2..... 7:00 – 7:10 pm	Period 6..... 7:45 – 7:55 pm
Period 3..... 7:15 – 7:25 pm	Period 7 ..... 8:00 – 8:10 pm

The Administration and Staff of Mountain Pointe look forward to sharing the great things happening in our classrooms each day. It is vital to get acquainted and work together to benefit your student.

## Visitor Information

Visitors to Mountain Pointe are welcome during regular business hours. All visitors must report to the main office immediately upon arrival on campus and show their photo ID to obtain a visitor badge.

Requiring photo ID is a safety measure that assists our office staff in knowing who is in the building should an emergency occur. This check of ID requires visitors to exit through the front office. Thank you for your cooperation.

## MP Site Council Seeks Parents/Community Members

The Site Council is a shared decision-making body for the entire campus composed of parents, teachers, students, community members, and administrators. Major campus decisions are reviewed by this body. The MP Site Council is currently seeking parents and community members to serve for a two-year term beginning this fall. The commitment is simply to attend every meeting (see *schedule below*) and occasional outside research.

Site Council meetings are held one Monday evening each month from 5:00–6:00 pm in room G-109A (unless otherwise posted). Meetings scheduled are as follows:

August 22	October 24	January 9	March 20
September 19	November 14	February 27	April 24

If you are interested in serving on Site Council, please contact Lane Waddell at [lwaddell@tempeunion.org](mailto:lwaddell@tempeunion.org).

# Online Tools for Parents & Students to Help Navigate Through High School

## Parents

**ParentVUE** helps parents stay informed and connected by providing access to classroom information as well as attendance, discipline, conference visits, health office visits, immunization compliance, transcripts, graduation status and access to view your child's classes in Canvas, the district learning management system (LMS).

**Canvas** is a leading edge online classroom tool that provides teachers a universal approach to engage students by providing materials, calendars, assignments, communication, quizzes and tests for classes in one place available online from school or home.

As the district moves to a more widespread use of Canvas, many teachers may be conducting many of their classroom activities in Canvas. Teachers will be communicating to students and parents at the beginning of the school year as to how they will be using Canvas on a day-to-day basis.

Find detailed information about Canvas at:

<http://parentvue.tuhsd.k12.az.us>

## Accessing ParentVUE & Canvas

Parents will access Canvas through ParentVUE at:

<http://parentvue.tuhsd.k12.az.us>

- ▶ **Parents new to the district** will need to set up a ParentVUE account for TUHSD. You will receive an Activation Key to create your account upon completion of your student's registration.
- ▶ **Parents of incoming freshmen** also need to set up a ParentVUE account for TUHSD. Activation Keys will be distributed at Book Distribution (for dates and times, see page 3). If you cannot attend Book Distribution with your student, activation keys will be available for pickup at Open House on Monday, August 15th.
- ▶ **Parents of returning students** continue to use their existing accounts.
- ▶ **Parents** with students from the **Kyrene and Tempe Elementary** districts will need a separate TUHSD ParentVUE account as it is not connected to other Districts.

## Students

**StudentVUE** helps students stay informed and connected by providing access to classroom information as well as attendance, discipline, messages, grades, immunization compliance, transcripts & graduation status.

## Student Handbooks Serve as Valuable Resources

All students will be receiving their new Student Handbook and the District Policy Handbook on Wednesday, August 3rd during Aclab. The information, rules and policies covered in these documents will help your student to have a clear understanding of the policies and expectations at Mountain Pointe and Tempe Union High School District. It is important for students and parents to read the information in both the Student Handbook and the District Policy Handbook carefully as many areas undergo changes from year to year. Please carefully review the dress code, sweep, cell phones & electronic/digital devices sections.

The Student Handbook **calendar** can help students to stay organized, and also allow parents to check on their student's organization and daily homework.

The **District Handbook** gives parents and students the chance to review information about student discipline, grading, technology use, and Governing Board policies that directly affect the students.

### Review all materials with your student!

Parents and students **must** review the materials together and **RETURN the Acknowledgement of Receipt of Handbooks form by August 17th.**

The **Acknowledgement of Receipt** form also includes a **Technology Use Agreement** for student and parent to sign for access to District Technology for educational purposes. (**Please sign both parts.**) Please note that this page is where you will need to notate if you choose the **military opt-out option** for your student(s). Finally, there is an **optional page** to sign called **The Designation of Directory Information Form**. If you do not wish to have directory information released, please use and return this form.

### Forms due by August 17th

**Return your forms** to your 2nd hour teacher, correctly filled out, **by Wednesday, August 17th.** Students who do not return the forms may have their technology privileges suspended. We ask that you keep this book available as it contains many district related policies and procedures that you may find informative throughout the year.

School policies can be found in the Mountain Pointe Student Planner posted at [www.mphspride.com](http://www.mphspride.com)

District Student Policies & Regulations Handbook can be found at [www.tempeunion.org](http://www.tempeunion.org)

# Bus Transportation for Students

## Bus Policies

Students who reside **more than two miles from Mountain Pointe** may ride district bus transportation to school provided you are not an open enrollment student. **If you are an open enrollment student**, this is a reminder that transportation is your responsibility and you are not allowed to ride district transportation.

**NOTE:** All students riding a school bus **MUST show their current school ID** in order to board. (*IDs will be distributed during Book & Schedule Distribution. See page 2 for details.*) Any student not showing their school ID will not be allowed to board the bus.

## Misbehavior

Riding a school bus is a privilege, not a right. The student who persists in misbehaving on the school bus jeopardizes the safety of everyone on the bus and may lose the privilege of riding the bus. The bus driver is responsible for maintaining discipline on the bus and in this capacity has the authority to assign seats and to make other reasonable demands of students. Bus drivers may deliver a misbehaving student to a school principal or to the police before finishing the route in extreme circumstances. A principal will administer any necessary discipline. Once privileges are lost, that student cannot ride any bus for the duration of the suspension. Students will only be put off the bus at the bus stop or at school.

Misbehavior on the bus can result in removal from the bus for 1 to 10 days, depending on circumstances, or permanent removal from the bus by formal hearing at discretion of the principal. Serious misbehavior on the bus may include suspension or expulsion from school.

## Bus Conduct

- ◆ Passengers must remain seated at all times while the bus is in motion.
- ◆ The bus driver may assign seats.
- ◆ Be courteous.
- ◆ No profanity.
- ◆ DO NOT eat or drink on the bus. Keep the bus clean.
- ◆ No smoking.
- ◆ Keep all body parts and objects inside the bus.
- ◆ Do not throw anything inside or outside the bus.
- ◆ All instruments and equipment carried by passengers shall be under their control at all times and carried in their laps, between seats, or properly secured in a vacant seat. Nothing shall be placed in the driver's compartment or the stepwell.
- ◆ The aisle is to be open and passable at all times.
- ◆ No harmful objects and substances allowed on the bus at any time. This includes drugs, tobacco, alcohol, weapons, glass containers, pets, radios, skate boards, etc.
- ◆ Cleats and spikes are not allowed on the bus at any time.
- ◆ Do not destroy property. Students will be charged for damages.
- ◆ For your own safety, do not distract the bus driver through misbehavior!

# Get a Jump Start on College While in High School

## Rio Salado Dual Enrollment

All students may take high school classes for credits toward college courses. Through Rio Salado, students attend their high school classes and receive college credit.

Important facts about **registering for Fall 2016** Rio classes:

- 1) **Registration begins on August 2nd for Fall & Spring classes. All paperwork MUST be submitted to Rio Liaison, Ms. Walker in the MP library no later than Friday, August 19th at noon.** This is the **final deadline**.
- 2) You are considered **NEW** to Rio Salado if you did not take a class at MP last year through Rio **or** you only took Accuplacer tests as pre-requisites for dual enrollment courses **or** you cannot print an **unofficial college transcript** with grades earned.  
You are a **Returning** student to Rio if you took dual enrollment classes at MP **or** with another community college, i.e., South Mountain, Gateway, etc.
- 3) **To enroll, visit [www.riosalado.edu/dual](http://www.riosalado.edu/dual).**  
This site opens on August 2, 2016. Videos are available to watch and will instruct you through the process of enrolling and registering. These videos will answer most, if not all, of the questions you may have on the dual enrollment process.
- 4) Visit [www.my.maricopa.edu](http://www.my.maricopa.edu) to **check your status in the college, to check if you have payments due, and to review/request transcripts.** Follow the directions carefully in order to get your **8-digit Rio Salado ID number**. You will need this 8-digit number to register for your classes. The number will start with a 3.
- 5) Your **MEID** Number is a code that is a mixture of letters and numbers and is used **ONLY** for you to **log into your student account** at the [www.my.maricopa.edu](http://www.my.maricopa.edu) site. **Do NOT use this MEID code for registration.** Make sure you create a password that both you and your parents know in order for you both to check payment status, etc. You can pay your fall balance through this site as well as set up a payment plan for both semesters.
- 6) **Register for both fall & spring semesters now.**  
Make sure that you register only **ONCE** and **register for all the classes you will be taking this school year.** Take your time and register for Fall and Spring semesters to ensure your "spot" in classes. If you need to **add or drop a class** after you have registered, you **MUST** fill out an add/drop card, available from Ms. Walker in the library.
- 7) For year-long classes there is a one-time registration fee of **\$15.00** and you **MUST** pay for the year-long classes in the Fall semester. Year-long classes are given a final grade at the end of the Spring term.
- 8) For semester-long classes there is a fee of **\$15.00** to register for the **Fall** semester; and a fee of **\$15.00** to register for the **Spring** semester. Semester classes are graded at the end of each semester.

### Earn College Credit in High School!

#### Dual Enrollment **DE**

In an arrangement with the Maricopa Community College District through Rio Salado College, students enroll in high school classes that have been approved for credit at the community college level. These courses meet the level of rigor and teachers have met the qualifications required by MCCCDC.

Additionally, students may take classes at community college and transfer credits back to MPHS for high school credit. **Courses must be pre-approved by Dr. Keller, Registrar.** Seniors must have an official college transcript to MPHS by May 1st of each year to ensure proper credit check for graduation.

#### AA Alert

It is possible for students taking dual enrollment courses to complete a substantial number of credits required toward an Associate in Arts (AA degree).

**For more information, meet with your Guidance Counselor or see Dr. Keller in the Registrar's Office.**

- 9) There is a specific deadline to pay your tuition. If you have not paid or set up a payment plan with Rio Salado, you will be dropped from your classes! **You MUST check your MEID account for payment and course status!** (See #4 and #5.) Please take note of the e-mails and mail from Rio Salado prior to payment deadlines. Tuition per credit hour for the 2016-2017 school year is \$84.00.
- 10) **All financial questions need to be directed to Rio Salado's Cashier's office: 480-517-8334.** Ms. Walker **cannot** tell you your account balance, send out tax forms for filing or check your account status. You can check your account status by logging into your account at [www.my.maricopa.edu](http://www.my.maricopa.edu).

## Senior Walk Quickly Approaching ~ Apply Now!

SeniorWalk is a tradition that honors Pride seniors who have made outstanding contributions to our Mountain Pointe community. The honorees appear in a special program, have their name placed on the Senior Walk banner and are honored during the Homecoming Assembly and half time at the Homecoming Football Game. **Only members of Senior Walk may be nominated for the Homecoming Court.**

All of these activities take place in the senior year but to be selected for Senior Walk it takes four years of commitment. As a Senior Walk candidate, you must meet the following criteria:

- 3.25 minimum GPA
- No history of serious or chronic discipline or attendance issues, including Academic Misconduct.
- Involvement in at least 2 school clubs and/or sports and/or activities **each year** at MPHS – *get involved there is still time this year to start!*
- Documented community service – Must have at least **90 hours over 3 years** with a **minimum of 10 hours documented during freshmen year** and the community service record must reflect volunteering for at least **3 or more organizations** during your four years at MPHS. (Not all community service may be done over the summer but should show a year round involvement.) Check in the Activities Office for opportunities to volunteer.

Last school year 55 outstanding seniors graced the Senior Walk. This year the number is expected to grow with the number of outstanding students in the Class of 2017 who have earned both academic and community service honors.

**Application** can be found at [www.mphspride.com](http://www.mphspride.com). Application forms require students to provide documentation of community service and active participation at school in clubs, sports or activities. Applications are evaluated by the Senior Class sponsors, Assistant Principal, and Principal. All qualified seniors are encouraged to apply for this honor.

**Remember, Senior Walk is a four-year commitment.**

**Seniors – apply now! Deadline is August 26th.**

## Senior Portrait Information for Class of 2017

**Southwest Portraits** has been selected as the official senior photographer for the yearbook, *Pride's Mark*.

*Pride's Mark* cannot and will not accept senior portraits from any other photographer, but would like to include every senior in the book. So, while you may receive advertisements from other photographers for senior portraits, **Southwest Portraits is the only studio authorized to photograph for the 2016-2017 yearbook.** Please note that there will be no charge for the yearbook session and if you choose to do a deluxe session with more portraits in your session, it is only a \$20.00 session fee.

For the yearbook, Southwest Portraits will take a head and shoulder's portrait either inside or outside for you, but as stated above you have the option of taking additional poses to complete your session. Please come prepared to the photography studio in your yearbook attire.

**To be included in the 2016-2017 *Pride's Mark* Yearbook, your sitting at Southwest Portraits must be booked and completed within the dates of July 12 – August 12, 2016.** Go to <http://southwestportraits.com/scheduling> to book your appointment and login in with your username and password stated on the official senior photographer flyer you received in the mail.

Please make every effort to schedule as soon as you can and keep your appointment; appointments times will go fast and getting another one may be difficult to schedule and obtain. ***Pride's Mark* yearbook staff cannot accept late photos.**

## ECAP Program at MPHS

*“Goals are dreams we convert to plans and take action to fulfill.”*

– Zig Ziglar

Mountain Pointe High School uses the Kuder Career Planning System to build a comprehensive career plan, beginning with our freshman students. ECAP (Arizona Education and Career Action Plan) and Kuder will enable students to track career goals through interest and skill inventories, track academic and postsecondary education goals by creating an individualized academic plan, and track extracurricular activity goals by documenting participation in student organizations, activities, and sports. ECAP powered by Kuder will assist your son or daughter in all aspects of career exploration, career research, and education planning.

**Parents,** you have a vital role in this plan! You will be able to help your son or daughter explore careers, develop education plans through high school and beyond based on their career goals, compare schools that offer training for specific career fields and apply for scholarships.

# Mountain Pointe High School

## Student Dress Code

The dress code policy at Mountain Pointe was created by a committee of parents, students, teachers and school officials who had their eye on creating a positive and safe learning environment for all. They agreed that school pride, morale and image are directly influenced by the general appearance of our students. This set of guidelines allows freedom of choice for our students to express themselves within the set parameters listed below.

### School Pride, Morale and Image

It is the belief of the faculty and administration that school pride, morale and image are influenced by the general appearance of our students. Additionally, Mountain Pointe High School expects student dress and grooming to reflect high standards of personal conduct so that each student's attire promotes a positive, safe, and healthy atmosphere within our school.

A set of guidelines has been created by a committee of parents, students, teachers and school officials. We want to provide the freedom for students to express themselves within the set of parameters listed below.

### Dress Code Guidelines

- Jeans, pants and trousers must be worn at the waist area and not drag excessively on the ground. Sagging is not allowed.
- Shorts and skirts must pass the "pointer finger" rule, which means that they may be not shorter than where the student's pointer finger touches the leg when the arm is hanging straight down.
- Pants, shorts or skirts must cover underwear at all times. Underwear may not show (boxers, briefs, thongs, bras, etc.) and underwear and sleepwear worn as outerwear (i.e. camisoles, men's undershirts, or pajama pants) is not permitted.
- Clothing must cover the abdomen, back, chest and genital areas. Tops exposing cleavage are prohibited. Tops must meet the top waistband of pants, shorts and skirts. See through clothing is not permitted.
- Shoes must be worn at all times according to Arizona State law. For safety, shoes must have an outdoor sole (i.e. no bedroom slippers).
- Sunglasses may not be worn in school buildings.
- **Not permitted:**  
Strapless tops, tube tops, racer backs, halter tops, or one-strap tops. Straps must be at least two fingers in width and/or 1 3/4" wide covering all undergarments and the armholes are no lower than 2 inches below the armpit.  
Attire or accessories which advertise, display, and/or promote drugs, alcohol, tobacco, gang activity, violence, sexual activity, disrespect, lewd, vulgar, or obscene language, and/or bigotry toward any group or person.

### Head Coverings

- No head or hair coverings may be worn in school buildings.
- Exceptions may be made for uniforms, formal attire or costumes *with* administrator approval.

### Student and Parent Responsibility

Students and their parents/guardians have the responsibility to be aware of the school's specific dress code and to conform to these requirements. If a student or parent has any questions about whether specific attire or accessories are in compliance with this Dress Code, they should contact an Assistant Principal prior to wearing such attire or accessory to ensure compliance.

### MPHS Responsibility

On campus, the faculty, staff and administration have the responsibility to interpret and enforce this policy. The administration retains the final discretion to determine that the garment or accessory meets the dress code.

### Consequences

Any student violating this policy is subject to disciplinary action including, but not limited to, after-school detention, in-school suspension, parent conference and short-term or long-term suspension.

In addition, the student will remove the garment or accessory and replace it with an appropriate alternative provided by the school or parent.

Dress  
with  
respect!

# Information from the Health Office

Byungho "Brian" Yang, R.N.

byang@tempeunion.org ▪ (480) 388.8911 ▪ FAX (480) 388-8998

## Eat a Healthy Breakfast & Drink Water

Please encourage your student to eat and drink something before coming to school. Many times students come in with upset stomachs, headaches, or dizziness, and it is because they have not eaten and/or are not hydrated. Having a healthy breakfast will help them be successful at school.

Students are also encouraged to carry water bottles. Refill water stations are available on campus to use throughout the day.

## PE Excuses and Injuries

If your child is injured in PE at school they need to report it immediately to the teacher in charge at the time. If indicated they will be sent to the School Nurse. If a student is unable to participate in PE for any reason, the student must bring a parent note to the nurse explaining why the student cannot participate. After 3 days, a doctor note is **REQUIRED** per district policy if your child still cannot participate in PE.

If your child is injured in sports, they need to report it immediately to the coach and trainer, **NOT** the school nurse.

## Illness

**PLEASE** do not send your child to school if they have a fever (over 100), a severe sore throat, vomiting, a red eye, or anything contagious or infectious! Call the Attendance line at 480-388-8989 and keep them home to rest and if symptoms don't improve, take them to the doctor! It is **imperative** that we keep the spread of germs to a minimum in our school!

## Immunizations

If you receive a letter in the mail about your child needing immunizations, please contact the nurse right away and let her know whether or not your child has had the shot, or when you are planning to get it. Certain immunizations are required by the State of Arizona to attend school. We take this very seriously!

## Health Office Information & Forms

Visit the Health Office page on the school website for information and required forms. Please contact the nurse with concerns or questions.

## Medical Conditions

If you receive paperwork in the mail regarding a medical condition that your child has, please take it to your child's doctor and return it to the nurse as soon as possible! The district requires that students with certain medical conditions have paperwork on file in the nurse's office.

## Medications at School

Student **MAY NOT** carry any kind of medications at school with three exceptions which are as follows:

- Diabetic Supplies / Insulin
- Epipen for Life Threatening Allergy
- Asthma Rescue Inhaler

If a student has any of these three conditions the School Nurse **must** have paperwork on file in the nurse's office.

## Over the Counter Medications

The **only way** the school nurse can administer medications at school is if we follow district policy which requires the following:

**Parent must bring to nurse:**

1. a **sealed** container of the medication that the parent chooses for their child with their child's name written on it
- AND**
2. a completed medication permission form **signed** by a parent/guardian.

***This is the only way that the school nurse can administer medications at school.***

## Contact Information

Please keep the front desk informed of any address or phone number changes. The nurse must be able to reach a parent/guardian during school hours if your child is in the nurse's office. This is impossible to do if contact information is not updated. Thank you for your attention to this matter!

## Stay Hydrated ~ Water Bottle Refill Stations Available On Campus

Multiple water stations are available around MPHS for use in refilling water bottles. Students are allowed to bring water bottles into our carpeted classrooms where fountain drinks, sports drinks, coffee and other non-water beverages are **NOT** allowed. The stations allow the Pride campus to be more environmentally friendly while helping to keep up the appearances of our classrooms. The refill stations can be found in the main office and various other locations on both floors throughout the campus.

# Annual Notification to Parents Regarding Confidentiality of Student Education Records and School Directory Information

## Tempe Union High School District

Confidentiality of education records is a right of public school students and their parents. This right is provided for by two federal laws, the Individuals with Disabilities Education Act (IDEA), and the Family Educational Rights and Privacy Act (FERPA). Under these laws, education records means those records that are: (1) directly related to a student; and (2) maintained by an educational agency or institution or by a party acting for the agency or institution. Of course, education records are maintained on every child enrolled in a public school. The types of information gathered and maintained includes, but is not limited to: the student's and parents' names, address and telephone number; the student's date and place of birth, date of enrollment in the school, records from previous schools attended, attendance record, subjects taken, grades, school activities, assessment results, number of credits earned, immunization records, disciplinary records, if any, correspondence from parents, and child find and other screening results, including hearing and vision screening results.

In addition, for children with disabilities, education records could include, among other things, evaluation and testing materials, medical and health information, each annual Individualized Education Program (IEP), notices to parents, notes regarding IEP meetings, parental consent documents, information provided by parents, progress reports, assessment results, materials related to disciplinary actions, and mediation agreements.

The information is gathered from a number of sources including the student's parents and staff of the school of attendance. Also, with parental permission, information may be gathered from additional sources including doctors and other health care providers.

This information is collected to assure proper identification of a student and the student's parents and the maintenance of accurate records of the student's progress and activities in school. For children with disabilities, additional information is collected in order to assure the child is identified, evaluated, and provided a Free Appropriate Public Education in accordance with state and federal special education laws.

Each agency participating under Part B of IDEA must assure that at all stages of gathering, storing, retaining and disclosing education records to third parties that it complies with the federal confidentiality laws. In addition, the destruction of any education records of a child with a disability must be in accordance with IDEA regulatory requirements.

The federal Family Policy Compliance Office of the U.S. Department of Education has provided the following notice of parent's rights under FERPA. In accordance with IDEA, the rights of the parents regarding education records are transferred to the student at age 18.

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (eligible students) certain rights with respect to the student's education records. They are:

- (1) The right to inspect and review the student's education records within 45 days of the day the school receives a request for access.  
  
Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- (2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading.  
  
Parents or eligible students may ask a school district to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.  
  
If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing .
- (3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.  
  
One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

# Annual Notification to Parents Regarding Confidentiality of Student Education Records and School Directory Information, cont'd.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, a school may disclose education records, without consent, to officials of another school district in which a student seeks or intends to enroll, if the school states in its annual notification of FERPA rights that it forwards records on request.

- (4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by a school to comply with the requirements of FERPA. The name and address of the office that administers FERPA is.

Family Policy Compliance Office                      202-260-3887 Voice  
U.S. Department of Education                      1-800-877-8339 TDD

A school may designate information in education records as directory information and may disclose it without parent consent, unless notified that the school is not to disclose the information without consent. The law defines directory information as follows:

The student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student.

Notice of these rights is available, upon request, on audiotape, in Braille, and in languages other than English. You may contact the Arizona Dept. of Education at 602-542-3111.

## Child Find

It is the Tempe Union High School District's responsibility to inform the general public and all parents within our boundaries of our responsibility to make available special education services for students with disabilities aged 3 through 21 years and how to access those services. In addition, we have a responsibility to provide information regarding early intervention services for children birth through 2 years.

We are responsible for identifying, locating, and evaluating all children with disabilities including children aged 3 through 21, and for referring children from birth through 2 years of age to Arizona Early Intervention Program (AzEIP) for evaluation and appropriate services.

We are also responsible for providing a free and appropriate public education (FAPE), which includes special education and related services to children with disabilities at public expense, under public supervision and direction and without charge to the parents.

For all new students to the district, the classroom teacher will be asked to complete screening forms within 45 days of enrollment. The teacher will look at the child's ability in the areas of academics, vision, hearing, adaptive, communication, social/emotional and motor skills. If any concerns are noted the child may be referred for additional help.

Children birth through 2 years of age who are receiving early intervention services and will be participating in preschool programs for children with disabilities will be assured of a smooth transition into that program. We will ensure that:

1. Transition conferences for children aged 2 years 6 months to 2 years, 9 months will be held;
2. By the child's 3rd birthday an Individualized Education Program (IEP) or Individualized Family Service Plan (IFSP) will be developed and implemented; and
3. For the child who turns 3 during the summer, the IEP team will determine the date for services to begin including eligibility for Extended School Year (ESY) services.

For students age 3 to 5, the students are referred to the district of residence. That district is required to screen and/or evaluate the child within the state prescribed timelines. Our district is responsible to use the Arizona Child Find Tracking Form and submit it to the district of residence within two working days of the date of initial referral. These forms can be obtained from the district office, Educational Services Department or from the Social worker assigned to your campus.
