I believe that someone should vote for me because at Dillard we didn't have the opportunities like we do here. Us 9th graders missed out on so much at Dillard. I wish to help make a change so that we don't miss out on stuff like field trips, clubs, and after school activities. I believe I can help to help keep our school safer. In my eyes no student should be left behind. I wish to help be able to make our 9th grade year the best and most fun experience because it's good to have a little fun, but it's also good to be serious. I have always dreamed of helping the school, my 6th grade year I was in the bulls club at school. i really hope you will vote for me to be your student ambassador
