

Project Information

Project Budget: \$100 million

- Construction Budget: \$85 million

The vision for the renovation of Palmer High School is to create a unique and unparalleled educational experience, leveraging the school's International Baccalaureate (IB) program and aligning with the vibrant growth of Olympic City.

The goal is to establish Palmer High School as the premier IB high school on the Front Range, inspiring academic excellence and serving as a visual testament to our city's dedication to outstanding education
