

2024-2025 SRC VIPS DEMOS Training Calendar .xlsx

A DEMO is a presentation centered on particular animals or scientific concepts. A volunteer is trained in the content and any specific animal handling skills needed for each demo. Demos are grade-level specific. Each demo is presented during a class period (30-50 minutes) to no more than 2 classes of students at a time. Multiple presentations of a demo may be needed in order to accommodate all students in a grade level at a campus.

Demo trainings listed below are at the Science Resource Center. Adults only, please.

Address: SRC building at 11206 Telge Road, Cypress, TX 77429 Phone: 281-897-4004.

No RSVP needed. Arrive at least 10 minutes early to sign in please.
