

Stemley Road Elementary School CIP 2024-2025

Stemley Road Elementary School

Vision

Students at Stemley Road Elementary School will be provided with opportunities for an equitable, collaborative, and consistent learning environment to promote ownership of their learning.

Mission

SRES will strive for equitable education through innovation, exceptional instruction, authentic learning, and community partnerships to prepare students for success.

Beliefs

We believe that all students have the potential and opportunities to become leaders in the 21st Century.

School Culture

Objectives

- SRES will build a positive school culture by creating an environment that nurtures student and teacher efficacy, ownership, and school pride.

Critical Initiatives

- SRES will reduce behavior incidents by creating a more cohesive, engaging, and student-centered learning environment.
- Teachers will use the tiered RtI method for behaviors and document consistently to identify Tier II and Tier III behaviors. As well as environmental trends that may be hindering behavior (attendance)
- SRES will consistently communicate student behaviors, both positive and negative, to parents.
- Teachers will be supported in developing efficacy in classroom management and student engagement.

Academic Proficiency

Objectives

- SRES will provide research-based strategies in reading and math to increase student proficiency. SRES will provide ample professional development

Critical Initiatives

- Teachers will implement a variety of strategic teaching methods.
- Teachers will receive professional development in reading and math throughout the year.
- Teachers will use research-based curriculums for math and reading instruction and intervention.
- Teachers will use tiered instruction to meet the needs of all learners, including students with learning disabilities.

Parental Involvement

Objectives

- SRES will create an environment that provides opportunities for all stakeholders to be successful.

Critical Initiatives

- SRES will build ongoing partnerships with businesses to support student achievement.
- SRES will provide multiple opportunities for parents to participate in school activities and initiatives.

Critical Initiatives

- SRES will develop a sense of student efficacy and ownership in behaviors and academics.
